## PREFACE.

The winter of 1696/7 was severe and long beyond all precedent, and was followed by a very sickly summer. Many of the sick having found benefit from drinking the waters of the Cool Springs in St. Mary's county (near the site of the present Charlotte Hall) the Assembly purchased the land and built cabins for the sick poor, providing also Bibles and other religious books for their use, and persons to read to them.

The war between France and England had its effects on this side the Atlantic. Frontenac, the Governor of Canada stimulated the Canadian Indians to harass the northern English settlements, and small roving parties perpetrated various murders, some of which the English charged to their friends, the Five Nations. An uneasy feeling spread through all the Indian tribes, and extended as far South as Maryland and Virginia, though no serious outbreak occurred.

The name Onondio (p. 66) given to the governor of Canada, had its origin from the following circumstances. When Montmagny, the second governor, assumed his office, he had a conference with chiefs of all the Indian tribes allied with the French. On their asking the governor's name, the interpreter translated it into their tongue, "Onondio," which signifies "Great Mountain." The Indians understood this to be the title of the office, and thenceforth called every French governor Onondio.

The seas at this time were much infested with pirates, and many references to them and their doings occur, particularly to the notorious Every or Avery, the hero of many a truculent story. In Philadelphia, it is said, they walked the streets boldly, strong in the support of the merchants, who drove a profitable trade with them.

Considerable space is given to the affairs of the turbulent Cood and his abettors. It might seem that the profligate and blasphemous wretch, whom Nicholson once caned with his own hand for drunken brawling in church (p. 452) was hardly worth the governor's attention. But Cood was a man of considerable ability, utterly unscrupulous, and a vigorous hater. He had put himself at the head of the revolution

which overthrew the Proprietary government, and in virtue of this posed to the English government as the champion and spokesman of the Protestant party in Maryland. The State Papers show that he was in constant correspondence with the Board of Trade and the Secretaries of State, plying them with accusations and slanders against the governor and all the leading men against whom he had a grudge. As his real character was not known in England, and he invested his reports and charges with a plausible circumstantiality worthy of Defoe, he was capable of doing much mischief. Nicholson tried to lay hold of him, but he fled to Virginia, where he was sheltered by Governor Andros.

A number of papers of historical importance were recently discovered, by the means of Henry F. Thompson, Esq., in the Public Record Office, London, and such of these as are included in the present volume are distinguished by the letters P. R. O. in the margin. Several documents from the same source which were discovered too late to be printed under their proper dates, have been added as an appendix.

Capt Daniells S<sup>r</sup> I Received yo, Letter and the inclosed Order of the 27<sup>th</sup> instant, by Lieuten<sup>t</sup> Oakman who left my boat at Herring Creek not being able to proceed further by Reason of the Ice, I will make it my business to follow yo<sup>r</sup> Orders Exactly if wind and Weather permitt, We have had extraordinary ffridgid weather ever since I sent L<sup>t</sup> Ockman to you which was the 18<sup>th</sup> of December last much Snow almost Continually on the Ground and the Rivers & Creeks frozen up the Ice Cast up so confusedly thick in one place and thin in another that there was no Venturing on it that we have not been able to get on Shore in Ten days following and abundance of Ice in the Bay that Severall Sloopes and boates was Ketcht in it and drove about, for severall days, p. 38

Lib. H. D. some Sloopes Lost and Severall men perisht and many was  
 ffrost bitten, Tis Reported that my Purser is Cast away, I have  
 heard nothing from him since Nov<sup>r</sup> last, our Provisions falls  
 very short, I having but a months bread which Endeavour'd

 been able to get any ffresh Water nor Wood on Board for six

 well we had it on board before the weather Came on, the  
 weather Continues very sharpe still but I will slip no oportu-  
 nity to get my Water fild, I understand most of the Maryland  
 Ships are very backward in their Loading, I supose Occasion'd  
 by the unseasonable Weather and as farr as I can learn, tis  
 morally impossible that any of the Ships in this Province can  
 be Loaden ready to Sail by yo<sup>r</sup> time Ordered Except about  
 ffive Sail, Viz<sup>t</sup> Cap<sup>t</sup> Smith Yoakly Brains, Sinues Marshall;

 what Ships shall be ready to Sail with me according to yo<sup>r</sup>  
 Ord<sup>r</sup>. The Comānd<sup>rs</sup> and merch<sup>ts</sup> are much concern'd at your  
 Resolutions Considering the winter hath been soe Severe in  
 these parts, Some of the ffreighters think that Severall Com-

Lords of the  
Councill for  
Trade &ca Lre  
to his Ex<sup>ncy</sup>  
touching  
Severalls. . .

S<sup>r</sup> We herewith all send you a Duplicate of our former Letter Dated the 25<sup>th</sup> of September last: Since w<sup>ch</sup> time not having Rēcd: any thing from you, We shall in the first place confirm what we then advised you, Viz<sup>t</sup> That the Design of Setling Admiralty Courts in all his Ma<sup>ty</sup> Plantacōns (Proprieties as well as others) is still Carryed on, and we doubt not but will be shortly effected: By w<sup>ch</sup> means we Suppose the Occasion th<sup>t</sup> you formerly mentioned for an Exchequer Court, & for attaining of Juries will not only be taken away in the Province of Maryland but a great Check given to the Progress of illegal Trade in other places.

In the next place, we are to acquaint you that three Ministers M<sup>r</sup> Rich<sup>d</sup> Sewell, M<sup>r</sup> Thomas Cockshut, and M<sup>r</sup> Stephen Bordley having been appointed by the Lord Bishop of London for the Province of Maryland, but not having had the Accustomed allowance of 20<sup>lb</sup> a peice towards the defraying of their charges, out of his Ma<sup>ty</sup> Treasury here his ma<sup>ty</sup> has been pleased to direct Us to write to you that the s<sup>d</sup> sum of 20<sup>lb</sup> a peice be paid to Each of them, after their Arrivall there, out of such money as may be Spared from the other Vses of the Govern<sup>t</sup>

But now we must go on to acquaint you with other things p. 91 of publick Concernment, w<sup>ch</sup> are Comon to that with other Colonies and Plantations—His Ma<sup>ty</sup> has been pleased, upon Complaints th<sup>t</sup> have been laid before him of the irregular conduct of Some of the Comanders of his Ships of Warr

Lib. H. D. in the Plantations to Order Expressly that all the Comānders of his Ships that are Sent to any of his Plantacōns for the Defence and Service thereof; be under the direction of the Govern<sup>rs</sup> of each of those respective Plantations during their Continuance there: And further that when any Cap<sup>t</sup> or Comānder of any of his Ships, in any of the s<sup>d</sup> Plantations shall have Occasion for Seamen to serve on Board the Ships under their Comānd, they make their Application to the Govern<sup>rs</sup> or Comānders in Cheif of his ma<sup>ts</sup> Plantations respectively; To whom as Vice Admiralls his Ma<sup>ty</sup> is pleased to Commit the Sole Power of impressing Seamen in any of his Plantations in America, or in Sight of any of them: Such Govern<sup>rs</sup> or Comānders in Cheif being at the Same time required upon such application to take Care that his ma<sup>ts</sup> s<sup>d</sup> Ships of Warr be furnished with the Number of Seamen that may be Necessary for his Ma<sup>ts</sup> Service, on board the s<sup>d</sup> Ships from time to time.

Upon Complaints also that have been laid before his Ma<sup>ty</sup> of the dispeopling of Severall of his Colonies Occasioned by the Over kind reception th<sup>t</sup> has been given in Others to Deserters and ffugitives, His Ma<sup>ty</sup> being Sensible how much th<sup>t</sup> Practice is Contrary to the Interest of the whole has Comānded us to write to his Severall Govern<sup>rs</sup> in all his Colonies and Provinces in America, that they take Care in each of their respective Governm<sup>ts</sup> that effectuall Laws be made against the Receiving & harbouring not only of Deserters but also of such ffugitives as leave any of his Plantations contrary to the Laws provided for th<sup>t</sup> Purpose in each Plantacōn respectively: Which Order we have already communicated to Some, and are Continuing to do it to others as opportunity Offers: And you are therefore likewise in the Same manner required to Serve it. And whereas further Complaints have been made to his Ma<sup>ty</sup> from Severall places (especially from Jamaica) that the great Temptation to Piracy by the entertainm<sup>t</sup> given to Pyrates in some places, has been another means of Seducing their Inhabitants from them; And his Ma<sup>ty</sup> being highly sensible how much such practices tend to the dishon<sup>r</sup> of the English Name and Nation (thō we have not any thing before us imputed particularly to Maryland) We are Obliged nevertheless to acquaint you with his Ma<sup>ts</sup> Generall Orders upon th<sup>t</sup> Occasion

p. 92 Which are th<sup>t</sup> we should strictly require the respective Govern<sup>rs</sup> of all his Plantations to be very Carefull that no Pyrates or Sea Robbers be any where Sheltered or Entertain'd under the Severest penalties; And w<sup>ch</sup> we therefore accordingly require yo<sup>r</sup> observation.

There is another generall head also, upon which we are to Signifye to you his Ma<sup>ts</sup> pleasure, And that is the observation

of the Quota appointed by her late Ma<sup>ty</sup> of Blessed memory for the Defence of the frontiers of New York; which Regulation having been very unequally comply'd with (and by Maryland but in Some Small measure) his Ma<sup>ty</sup> does Expect that all th<sup>t</sup> are comprehended therein should punctually contribute their respective proportions either in Men or Money, from time to time, as occasion asks; Which we are accordingly obliged to require of you as others. Lib. H. D.

Some Acts past in the Generall Assembly, and other Publick papers of that Province (amongst w<sup>ch</sup> is the Address relating to Collonel Copleys Estate) lye yet under Consideracōn; and you shall in due time be acquainted what is done thereupon so we bid you very heartily ffarewell.

His Ex<sup>ncy</sup> is pleased to Ord<sup>r</sup> that Cap<sup>t</sup> Josiah Daniell Comander of his ma<sup>ts</sup> hired Ship the Prince of Orange be called in who accordingly appears. He is asked to give an Acco<sup>t</sup> to the best of his knowledge what sort of inconveniences the Masters of Ships have Layn under here, during this winter Season and what weather it has generally been for the Saylers working whereby the masters might be Enabled to get their Loadings ready to which Cap<sup>t</sup> Dan<sup>n</sup> makes Answer that he has kept a Journall of every days weather since his being here the which he is Ready to produce and does Say that he gave an Acco<sup>t</sup> to the Comodore of the great obstruction the masters have met with through the Extream severity of the Winter season and believes that if they had not met with such Extraordinary Sharpe weather they might most of them have been ready by this time.

with the  
Masters of  
Ships abt their  
Sayling &ca

The Masters are asked by his Ex<sup>ncy</sup> whether they were ready to Saile with Cap<sup>t</sup> Daniell pursuant to the Comodores Letter which it is supposed they have all seen who doe say that they have all seen the Letter and that they cannot be ready to sail with the s<sup>d</sup> Cap<sup>t</sup> Daniell by the time prefixt him  
p. 455 by the Comodore, thereupon his Ex<sup>ncy</sup> is pleased to ask them the Reason why they are not ready who all of them do say that if it had not been for the ffrost Snow and Extream bad weather they should most or all of them have been ready by this time and withall do affirm that since the Receipt of the Comodores Letter (which was the ffirst of this Instant ffebruary) there has been no weather, fit for rowling Tob<sup>o</sup> or doing any manner of Work the which Cap<sup>t</sup> Daniell does likewise avouch and Affirm. His Ex<sup>ncy</sup> is pleased to put the Question to the Ancient Livers in the Countrey (now p<sup>r</sup>sent) whether they had Ever known so severe a Winter to hold so long for the time as this has done and so much Snow to fall & Remain on the Earth so long together in this Countrey who do say as also the Master that have Used the Countrey these many Years th<sup>t</sup> they have never seen the like as to the Constancy of bad weather adding that some of them have had their Sloopes and Shallops out upon ffetching Tob<sup>o</sup> for 10: 12 & 14 : weeks together which could not Return by Reason of the ffrost and that Severall of their men have in their remaining out been great Sufferers & ffrost bitten and some have lost their Sloopes and Shallops &<sup>ca</sup>

Cap<sup>t</sup> Daniell is asked if he has anything to propose or Offer to the Masters who does Say that he has nothing to Offer or propose Save to know of them what time they think they may be ready to Sail who doe Say that they don't question but that all of them may be ready to Sail and be down with the Comodore by the middle of Aprill but don't see how they can be ready sooner.

His Ex<sup>ncy</sup> is pleased to ask the Severall Masters in Generall

if they have met with any obstruction in their Loading; Lib. H. D.

intrest of the Subject therefore will'd them to Speak who  
make Answer that they are not sensible of any thing in that  
nature and that they can Say no more then they have done  
but Referr themselves wholly to Cap<sup>t</sup> Daniell to Rep<sup>s</sup>ent their  
Case to the Comodore to which Cap<sup>t</sup> Dan<sup>l</sup> makes answer that  
he has already given the Comodore an Acco<sup>t</sup> of as much as  
has been say'd now (by Letter) and that he will personally at  
his Going Down give him a further Acco<sup>t</sup>. He is desired (if the  
Comodore alter his Resolution) for to send up an Express  
thereabout both by Land and by Water for which Care shall  
be taken to make to make satisfaction.

Came and were Aded.

Afterwards Cap<sup>t</sup> Daniell being called aside was asked by

His Exncys  
Comunicacōn  
with his Mats  
hon<sup>ble</sup>  
Councill abt  
calling an  
Assembly &<sup>ca</sup>

His Ex<sup>ncy</sup> is pleased to Demand of the Board  
that they would deliberately Consult and give  
their Advice whether it will not (upon this  
Emergency of Affairs) be absolutely necessary  
for the Calling of an Assembly considering the  
Great Number of Ships that are likely to Stay behind;  
& what is best to be done therein—the w<sup>ch</sup> being deliberately  
and maturely Debated it is Resolved upon as followes, Viz<sup>t</sup>

Lib. H. D. That Considering this will be the only business which will be to be lay'd before the Assembly and that it is now a busy time with most p<sup>r</sup>sons upon the ffleets going out besides the Unseasonable time of the Year so that it might be very inconvenient for them to meet together at this time and to save the Charge to the Countrey of calling an Assembly it is therefore the Unanimous Opinion of this Board that it will be most for his Ma<sup>ty</sup>s Service upon so suddain an Occasion as this that a State of the whole Case be sent to the Sheriff of each respective County of the Province Comanding them to shew the same to all the Burgesses Justices, Grand Juries, merch<sup>ts</sup> & Trading men in the severall County's (especially to the Justices and Grand Jury's in march Court next) for them to give their Opinion therein under their hands respectively a Return whereof is afterwards to be made by the s<sup>d</sup> Sheriffs unto the Port of Annapolis with all possible Speed hereby Signifying that it is the opinion of his Ex<sup>ncy</sup> and of all the members of his Ma<sup>ty</sup>s hon<sup>ble</sup> Council (now p<sup>r</sup>sent) that if in Case the Comodore should now sayle & leave so many Ships behind that then the rest that are left behind be not permitted to go before the 15<sup>th</sup> of April next (and not otherwise then in a ffleet together) by Reason that if they should stay till another Convoy Comes they must be fforced to remain all Summer through which means their Voyage would be totally over thrown by their men falling Sick, dyeing Runing away and such like unavoidable Accidents according as it hath happened to some of their men already the Masters being left to make Choice of a Comodore to be Commissionated in like manner as was done last Year to whom the Severall Masters are to give Bond to follow such Comodores Instructions and directions hereby appointing that all the Ships that are left behind and lye up the Bay meet together by the s<sup>d</sup> 15<sup>th</sup> of Apr<sup>ll</sup> next at the mouth of Petuxant River and all the Ships up Potomock at the mouth of S<sup>t</sup> Maries River in Ord<sup>r</sup> for their Sayling away in a ffleet together for England under the Conduct and Comānd of the Comodore for that End and purpose to be Commissionated as afores<sup>d</sup> and as to what Scattering Ships shall be left after the s<sup>d</sup> 15<sup>th</sup> day of Aprill and the Sayling of the s<sup>d</sup> ffleet that the same be not permitted to Depart the Province or sayle until further Ord<sup>r</sup> whereof the severall Cott<sup>rs</sup> and navall Officers are to take due notice and take Bond of the respective Masters (with sufficient security) which by them shall be Clear'd) before the s<sup>d</sup> 15<sup>th</sup> of Aprill whereby they may be Obliged to meet and sayle together as is afore directed. The Sheriffs are also hereby Required to Signifye to all such p<sup>r</sup>sons to whom they shall p<sup>r</sup>sent this, that those

that Agree with the Opinion of his Ex<sup>ncy</sup> and his Ma<sup>ts</sup> hon<sup>ble</sup> Lib. H. D.  
Councill in this Affair, they Express the same by subscribing  
their names that they are of the same Opinion and those that  
are of a Contrary Opinion are hereby in his Ma<sup>ts</sup> name  
Comanded to draw up their reasons in writing and deliver  
the same to the Sherriffe in Order to be Return'd together  
with this Paper unto his Ex<sup>ncy</sup> and it is hereby declared that  
any p<sup>r</sup>son may ffreely doe the same without ffear of Rep<sup>r</sup>mand  
or Sensure but may Expect rather to be thanked then  
otherways whose Reasons Offer'd may p<sup>r</sup>haps be so prevalent  
as to alter his Ex<sup>ncys</sup> Resolutions.

The Assembly further pro-  
rogued till the  
26<sup>th</sup> of May. Lastly the Sherriffs are to give Notice to the Sever-  
all members of his ma<sup>ts</sup> hon<sup>ble</sup> Councill and House  
of Burgesses that if in Case a Return of these  
Matters shall be duly made and Complyed with that then it is the  
Opinion of this Board that the Assembly be further prorogued  
untill the 26<sup>th</sup> day of May after which it is hoped there will be  
no occasion of their then meeting neither but that they may  
still be further prorogued, whereof timely notice will be given;  
and the Assembly is hereby prorogued accordingly until the  
26<sup>th</sup> day of May next upon the Condiçōns afore p<sup>r</sup>mis'd where-  
of the severall members are to take due Notice and the  
Sherriffs Ordered to publish the same accordingly and make  
due Compliance in p<sup>r</sup>forming every individuall thing hereby  
directed as they will answer the Contrary at their Perill; as  
also to Offer the following Rep<sup>r</sup>sentaçōn to all p<sup>r</sup>sons to whom  
the foregoing proceedings are directed to be Offered for their  
Opinion in like manner to be given upon the same, which  
Rep<sup>r</sup>sentaçōn follows in these words, Viz<sup>t</sup>

Representaçōn  
abt a Convoy  
for this Prov.  
ince It is most humbly Rep<sup>r</sup>sented to the R<sup>t</sup> hon<sup>ble</sup> the  
Lords of the Committee of Trade and fforreign  
Plantaçōns by his Ma<sup>ts</sup> Govo<sup>r</sup> & Councill of his  
Province of Maryland that Whereas for these two years together  
last past it is so fallen out that through the Extreimity of bad  
weather much more Severe and difficult for all masters of Ships p. 458  
& merchants Trading here then in his ma<sup>ts</sup> Colony of Virginia  
where ships are Capable of being much sooner laden by  
reason of the more Sufficiency of the Planters nearness of  
their Plantaçōns and warmth of the Climate for which reasons  
Severall great Ships of Considerable Countenance were forced  
to stay behind the ffeet last year and are likely to doe so this  
Year therefore do humbly Pray that his Ma<sup>ty</sup> will be graciously  
pleased to take the same into his Royall Consideraçōn and  
for the future to Order all such of his Ma<sup>ts</sup> men of Warr as  
hereafter shall be sent for Convoy of the Ships Trading in

Lib. H. The hon<sup>ble</sup> Coll: George Robotham having had the p<sup>r</sup>usall of the fforegoing Proceedings does well approve off and Agree to the same.

By his Ex<sup>ncy</sup> the Govern<sup>r</sup> & Councill &<sup>ca</sup> ffeb<sup>ry</sup> 21<sup>th</sup> 1696<sup>7</sup>

Ordr<sup>r</sup> abt forwarding the dispatch of the fleet &<sup>ca</sup> Vpon the Receipt of a Letter this day from the hon<sup>ble</sup> Cap<sup>t</sup> Charles Wager Comodore of the Virg<sup>a</sup> and Maryland fleet unto his Ex<sup>ncy</sup> sent and directed as also another directed unto the Commanders of the Severall Merch<sup>t</sup> Ships in the severall Rivers of Maryland both dated the 16<sup>th</sup> of this instant ffebruary which Came by Express thereby Signifying his having prolong'd the time of Cap<sup>t</sup> Daniells Sayling hence until the 25<sup>th</sup> day of march next &<sup>ca</sup> By which time it is hoped the greatest part of the Ships here may be ready to goe with him to joyn the Comodore in Virg<sup>a</sup> Ordered therefore as it is hereby Ordered that all imaginable assistance be given by the People of this Governm<sup>t</sup> in forwarding their dispatch accordingly Comanding all Officers Military & Civill to Aid and Assist them therein and that the Coopers do more Especially take Care that there be no defect on their side for want of Cask hereby declaring th<sup>t</sup> whosoever shall be found to obstruct & hinder any of the Ships now lying in the Province in their dispatch out must Expect (upon Complaint made) to be p<sup>r</sup>secuted according to the Utmost Severity of the Law.

Ships not to be cleared after the 25<sup>th</sup> of March And the Sherriffs are to give further Notice to all the Masters Merch<sup>ts</sup> and Traders in generall that such Ships as cannot now be got ready to sail with Cap<sup>t</sup> Daniell by the s<sup>d</sup> 25<sup>th</sup> day of march must not be permitted to goe until further Ord<sup>r</sup> recd: from his Ex<sup>ncy</sup> and Councill appointed to Sitt at the meeting of the Prov<sup>l</sup> Court in May next whereof the Several Coll<sup>ts</sup> and Navall Officers are to take due Notice and to take Bond of Such as doe get ready for performance of the Severall Matters Contain'd in a former Ord<sup>r</sup> of Councill dated the 14<sup>th</sup> of December last past touching the ffleets making up at Petuxant &<sup>ca</sup> however the Sherriffs are notwithstanding hereby Commanded to shew

and Offer all the foregoing proceedings for the Severall Lib. H. D.

thereby they are directed whereof they are in no wise to fail

A Proclamacōn  
for a Publick

Whereas by intelligence Rēcd: from England of his Ma<sup>ty</sup> safe Return from fflanders, and of a happy discovery and defeat of a late designed invasion by the ffrench upon one or more of his Ma<sup>ty</sup> Kingdoms, And

for the s<sup>d</sup> Courts meeting sooner & other Reasons) and the s<sup>d</sup> Court is hereby Adjourn'd accordingly, Comāding all the Justices thereof, and Grand jury, to be precisely here on that day for the better Solemnizing the same, and th<sup>t</sup> in all parishes where Ministers are Resident, the s<sup>d</sup> Ministers doe Read Divine Service and preach, and where there are no Minist<sup>rs</sup> that Divine Service be Read, Strictly charging all p<sup>r</sup>sons whatsoever within this Province to abstain from Servile and Corporall Labour on that day, and Religiously to keep the same, whereof the Severall Sherriffs are to give due Notice, by making Proclamacōn, hereof, in all Churches Chappells and other publick places of meeting, within their respective Counties. And whereas by Virtue of an Ord<sup>r</sup> of my Self and Councill passed in December last, Severall p<sup>r</sup>sons have been p<sup>r</sup>ceeded ag<sup>t</sup> by his Ma<sup>ty</sup> Attorney Gen<sup>l</sup> here for their non Compliance in the Duty of their respective Offices pursuant to the directions of Severall Acts of Assembly and Orders of Councill issued. And fforasmuch as I have Rēcd: some reasonable Excuses both verball and written from divers of the parties Concern'd since such process issued alleading their deficiency of not rightly understanding or being throughly advised in those matters and that the same was not done out of any Contempt, which allegacōns I hope may prove true, But more especially taking into Consideracōn the happy News of his Ma<sup>ty</sup> health & prosperity &<sup>ca</sup> before Recited, I do (by advice afores<sup>d</sup>) hereby Signifye and Ord<sup>r</sup> that a ffinall Stop be put to the s<sup>d</sup> process, Provided the parties Concern'd do Still make due Compliance in performing the severall matters and things, by the s<sup>d</sup> Acts of Assembly & former Ord<sup>rs</sup> of Councill injoynd them (for which they are proceeded ag<sup>t</sup>) by the ffirst day of the next prov<sup>l</sup> Court, and not otherwise, whereof the Severall Sherriffs are to give due Notice and conform themselves accordingly, and to the End a future better observance may be made of all Laws Acts of Assembly and Orders of my Self and Councill, the Sherriffs are likewise to give Notice to all the Justices, p. 466 Vestrymen, Overseers of the high ways & other Officers within their respective Counties whom any of the Laws of England Acts of Assembly of this Province, or Orders of Councill do or may more imediately concern that they go to the Clerk of the County Courts where they live and there p<sup>r</sup>use the Laws of this Province as also Consult the Laws of England and likewise take Copy from the Sherriff of what Orders of Councill may relate to or Concern them to which if they make due & Constant Compliance they need not fear any molestacōn or trouble, Otherwise they must expect to be proceeded ag<sup>t</sup> according to Law; Given at the Port of

I do admire you should so trifle with the Countrey in yo<sup>r</sup> extraordinary delay about the State House Work, which for ought I see is not likely to be ffinish'd this half year yet, at the rate of yo<sup>r</sup> manner of proceeding; besides the damage which will Ensue for want of the House being done—The Records lying in a very great danger to be spoild by gusty weather and exposed to the hazard of burning in the place, they are now lodged, and the Countrey put to further Charge for House Rent—This comes therefore Express to acquaint you th<sup>t</sup> if you don't forthwith come down & bring all workmen & materialls necessary for ffinishing thereof, so that it may be fully compleated by the 13<sup>th</sup> of may next (having deferr'd the prov<sup>ll</sup> Court till then for yo<sup>r</sup> gaining time) you must expect to be Arrested in an Action of 2000<sup>ll</sup> sterl. in behalfe of the Countrey & in the interim I shall take Care to imploy men to ffinish it—Yo<sup>r</sup> imediate Answer is Required hereto from

Read a Letter by his Ex<sup>ncy</sup> Rēcd: from the hon<sup>ble</sup> John Povey Esq Dated at Whitehall the 27<sup>th</sup> of August last past thereby intimating that M<sup>r</sup> Chilton and M<sup>r</sup> Randolph being not able to give any certain Acco<sup>t</sup> of the Value and Currency of Coynes in Mary-land was a Reason nothing has been done therein as yet;

as also Signifying that Addresses has been sent from the Govern<sup>ts</sup> of Virg<sup>a</sup> & New York upon the late conspiracy happening but th<sup>t</sup> none had been Rēcd: from Maryland—As to the ffirst they do for Answer say that the Currency of Coynes is stated in the Act and therefore don't know how to Express the same in other terms, but was Wholly left to his Ma<sup>ty</sup> Royall pleasure; And as to the Addresses, it was thought most proper to be done in an Assembly who were called on purpose and Addresses accordingly prepared and sent in Cap<sup>t</sup> Barbar who miscarried, and Duplicates afterwards made, but had no oportunity of sending them Since, till this ffeet.

Having Signified also that an End is put to the New York Affair which he hopes will be to the generall Satisfaction & liking of the Countrey &<sup>ca</sup> They will take Care to Communicate the same to the Assembly at their meeting as well as the other Matt<sup>rs</sup> and will Continue to Recommend to them to make him a suitable Return for what he has done already and shall hereafter do for the Service of this his Ma<sup>ty</sup> Province.

News sent  
from New

Ex<sup>ncy</sup> by the  
Clerk of the  
Councill there

Father Cajenquiragoe.

We Come unto you to make our complaint and  
to lay before you the wrong and injury the people  
of New England have lately done to some of our  
Broth: in apprehending ill treating and executing  
(not only upon Malice but ill ground of Suspicion) two of  
them the Report we Received it as followes Viz<sup>t</sup>

Some weekes agoe a party of New England men with Eight  
morekans (Indians that inhabite on the Sea Shore) found  
between Hatfeild and the mill a Christian kill'd Scalpt and  
his Shirt and coat cutt up his stockins & shoes taken away,  
when the News of this Came to the Village a party of  
Christians with the s<sup>d</sup> morekans went out to seek after the  
murderer and pursuid a Tract so ffarr till they had lost it and  
their provisions being alsoe spent were forced to Return the  
same day. The day following the same party taking more  
provisions went forth and found the tracts again which brought  
them to the ffoot of the high bergh where they spyed Severall  
tracts but all divided whereupon the s<sup>d</sup> party dispersed them-

selves severall ways and some of them finding a little hutt thereabouts which four of our Brothers had made for their convenience of hunting they immediately surrounded it where they Surprized three of the Brothers (the ffourth being out a hunting) and straitway tyed them soon after the ffourth Brother returning and Coming Nere the s<sup>d</sup> hutt heard a noise which he apprehended to be the ffrench Onnogunge Indians and th<sup>t</sup> their House was cutt off upon which he made the best of his way to Hatfield where there was then 20: or thirty of their Women and children whom he inform'd that his three Comerads were killd by the Enemy. In the mean time the English tyed two of the Brothers to a tree and whipt them severely to make them confess the youngest first being ab<sup>t</sup> thirteen or ffourteen Years of Age named Pamaranessit twice he possitively told them he knew nothing of the matter they took him a third time and lashed him soe cruelly that he was not able to live under it so to ffree himself from such continuall punishm<sup>t</sup> he Cryed out and say'd it was the Brother that was out a hunting that did the mischeif upon which informacōn they ceased from Whipping him any longer and upon the Confession of the Boy the English calld the principall of the Morekans and Say'd unto th<sup>m</sup> you would not believe these Indians had done this murder but Come and hear their own confession whereupon they replied its true the boy confesses but its forced from him by the severity of the Strockes he has Received. Lib. II. D.  
P. 469

After this the English whipt Quinepack (aged ab<sup>t</sup> 30 Years) very Severely to make him also Confess the same but he Answer'd them you may whip me as long as you please, I am not a boy as the other but a Soldier We serve the same God, if you'l take my blood upon you, you may kill me if you please or burn me in the ffire; it shall not make me confess a false thing.

The English and their parties returning to hatfeild found Marrinus (ab<sup>t</sup> 23 Years of Age that Brother which had been out a hunting there who was Accused by the Boy whom they immediately pinnoned together with Manquocklas (one of the three Brothers taken in the Hutt (about 20 Years of Age) and Caryed them to Hadley where they tyed both the Brothers to a tree with a linnen cloath over their Eyes.

The English used many ways to fforce a confession from them but they always answer'd we are innocent and if you'l take our blood upon you we are Contended; and so they were both Shot to Death.

Our other two Brothers are still Confined prison<sup>rs</sup> at Northampton in New England.

Father Cajenquirago.

Lib. H. D. It is no more than hatred and malice that the English of that Colony has against us for this Summer the ffrench Indians had killed two Christians at Deerfield and Carried away ffour prison<sup>rs</sup> they laid that mischief also upon us but it is now well knowne that the Same party upon their Return to Canida kill'd Juriaen & Sence others of the ffive Nations.

Father Cajenquirago.

We begg that we may have Satisfaction for this injury done us and that our two Brothers now in Custody may be Released and the rest of our people sent Home to Us in Safety.

I have heard. what you now have Say'd but cannot  
p. 470 believe it.

I formerly Commanded you not to goe into those parts and told you the penalty. If your Brethren have been guilty of that murther which I believe will be made Evident, Justice has passed upon them under which you must acquiese.

In the mean time I Command you, not to goe into that cuntry, I will inquire further, and then send for you.

A Message from his Ex<sup>ncy</sup> Coll: Benjamin ffletcher, Cap<sup>t</sup> Gen<sup>l</sup> and Govern<sup>r</sup> in Cheif of his Ma<sup>ty</sup> Province of New York &<sup>ca</sup> To the ffive Nations of Indians.

Sent by Sagaedaieendon, an Oneyde Cap<sup>t</sup> with a Belt of Wampum.

Brethern

I let you know by this Bearer Sagaedaieendon, and this belt of Wampum which I send you, that I am at Albany, to adjust my Duty to the great King of England my Master, and to Answer the desire of his Subjects in this place; To assert the Regard I have to the Covenant Chain by covering you, my Brethren, from the Insults of the ffrench Govern<sup>r</sup> of Canada and by defending Albany.

You must not therefore be ffrightened by Threats or Brags of Onondio, that Govern<sup>r</sup>, but follow my directions, by which you will be Safe.

Keep out good Videts and Scouts, that you be not Surprised, as formerly. That ffrench Govern<sup>r</sup> cannot hurt you, if you are awake and have Armes in yo<sup>r</sup> hands.

Suffer not yo<sup>r</sup> Young men to hunt too ffarr from home, and always have messingers ready for an imediate dispatch to them, upon any approach of the Enemy.

To the Brethren of the Oneydes, with Seven hands of Wampum by the Same Messenger.  
Brethren Oneydes.

I was very much Surprized (upon my Arrivall at Albany) to hear, that you Suffered two Indians sent from Onondio, the Govern<sup>r</sup> of Canada, to Return from that place, before they were brought to me, which is not according to yo<sup>r</sup> Promise made, When I last saw you.

You then told me, you would send those Indians to me, that I might examine them, and know what Message or Business they had.

But I hear they have carryed away some of yo<sup>r</sup> ffamilies into the ffrench Govern<sup>t</sup>.

And Since you have (contrary to yo<sup>r</sup> promise) Suffered those ffrench Indians to goe back, I Require you to let me know their Errand, what proposalls they make to you, and what answer you return'd to them.

And for the ffuture, I do expect that you hold no Correspondence with the Govern<sup>r</sup> of Canada, or receive any Message from him or his Indians.

And in Case any of yo<sup>r</sup> Brethren should be drawn off by those Indians, or other the ffrench, or desert yo<sup>r</sup> Castles, that you should pursue them without loss of time, and treat them as Enemies; Given at Albany November 25<sup>th</sup> 1696.

Signed

Ben: ffletcher.

Sagaedaieendon, Oneyde Cap<sup>t</sup> returned ffrom the ffive Nations, to his Ex<sup>ncy</sup> Coll: Benjamin ffletcher, his Ma<sup>ty</sup> Cap<sup>t</sup> Gen<sup>l</sup> and Govern<sup>r</sup> in Cheif of the Province of New York at Albany, with his following Answer December 22<sup>th</sup> 1696.  
Cajenquirago.

I Delivered the Belt of Wampum I received from you for the ffive Nations, with the Message to the Mohaques, Oneydes, and Onondages, the Cajouges, & Sennekes (the ffarthest Nations) not being p<sup>r</sup>sent but the Brethren have sent it forward to them, by a sure hand.

You are to Expet an Answer upon it from the whole Canasoeni (i: e. the whole ffive Nations) in the mean time the afores<sup>d</sup> Three Nations return you their hearty Thanks for yo<sup>r</sup> good Advice, to send out scouts, and to keep their young men near Home, which they will observe; and if attacked by the Enemy, will stand their ground; and if you are, shall be ready to Come to your Assistance, if Required.

Cajenquirago—I delivered the Seven hands of Wampum with the message you sent by me particularly to the Oneydes.

Lib. H. D.      ffirst, They told me they were very Sorry to hear you should be troubled about ffrench messingers: They say, its true, they were in their Castle, and drew off with them, ffive men and ten or twelve Squaws, but they were all Affected to the ffrench, their Relacōns being in Canada.

That if any such thing shall happen for the ffuture, according to yo<sup>r</sup> directions, will pursue and treat them as the Enemy.

That the Proposicōns made to them by the messing<sup>rs</sup> from the Govern<sup>r</sup> of Canada, was.  
Children.

By my last March in yo<sup>r</sup> Country I only whipt you a little would not kill you.—And I must tell you, if you hold obstinate, and not Submit yo<sup>r</sup> Selves to me Speedily, but will depend upon Cajenquirago, and take his Advice longer, I will come and destroy you; therefore you had best leave yo<sup>r</sup> castles and repair to Kagnovego (i. e. a Small ffort near Mount Royall) where you may live as well, and have the same priviledges as you have, where you are now.

Children, I must farther tell you I will Come this winter and cutt off Albany, ffight Cajenquirago, and kill him; therefore  
p. 472 let me Advise you, never to have more dependance on him.

They Answered Onondio, meaning the Govern<sup>r</sup> of Canada. You talk of killing Us, but we are yet alive, and never had yet the oportunity of a ffair battle with you.

If you can kill Cajenquirago, and destroy Albany, as you tell us, we shall then be at some loss what to do; but we believe, if you Venture to ffight Cajenquirago, he may have as great strength as you, and will keep his ground.

Therefore as long as he stands upon his legs we will be firm to him and depend Vpon him, but if he fall, or leave us, possibly we may come over to you.

I certifie that this is taken by me from the Indian Interpreters, as it was Rendered in Dutch.

Extract of a Letter from Sir Thomas Lawrence to the Board P. R. O.  
of Trade Maryland, 3.

Anapolis March 25<sup>th</sup> 1697.

Here I found his Excellency in good health, carrying on a  
fair house, for the publick Administration of Iustice, and all  
the offices of business in the Country; a fine brick building  
which will now be accompanied with a fine Church which will  
cost 1000<sup>li</sup>, and a publick School 500<sup>li</sup> both now in hand and  
our Contributions ready; But the Reversal of the two Acts for  
Establishing of Religion and the Free Schools, had put our  
Assembly so out of humour, That if his excellency had not

P. R. O. with great Address gott them speedily Reenacted all his  
 Maryland, 3. Generous Dessigns for the Good of this Country, were in  
 danger of miscarrying; they are now sent back to be pre-  
 sented again to his Ma<sup>ty</sup> and to your Lo<sup>ps</sup> in Councill with an  
 humble Address; tho if not penn'd as they ought, his Ma<sup>ty</sup>  
 would be pleased to give Directions in what sort, they shall  
 pass his Royal Assent; but it is a wonder here that M<sup>r</sup> Popple  
 has not given us timely notice how to make our Addresses  
 and Applications; Many matters was left unfinish'd at my  
 Coming away from England there was a memorial concerning  
 severall advices notices & proposals, Relating to the Advan-  
 tage of the Kings Service in this and the adjacent Collonyes,  
 presented to yo<sup>r</sup> Lo<sup>ps</sup> by his Excellencys Order, and Referr'd  
 by yo<sup>r</sup> Lo<sup>ps</sup> to the Com<sup>rs</sup> of the Customes, and by them to the  
 Merchants in which advice was given that the Planting of  
 Cotton and the Encourageing of the Manufacturing of it in  
 Virginia by S<sup>r</sup> Edmund Andros, and others seem'd prejudicial  
 to the Planting of Tobacco and to his Ma<sup>ties</sup> Interest, both in  
 England and there and this Collony, This gave great distast  
 to some in London, who were friends to S<sup>r</sup> Edmund Andrews  
 and had land here, they have sent Copys of the Memorial  
 into Virginia Endeavouring to cast an odium upon his Excel-  
 lency as an Informer, and an Enemy to the benefit and Interest  
 of the Country, The presenting of which has been also so far  
 improved by some Hott and factious Spirits in our late  
 Assembly, that tho I was of their opinion before and had now  
 Recovered for them 300<sup>li</sup> S<sup>r</sup> Edmund Andros had taken from  
 our Collony, 200<sup>li</sup> of which is applyed to the building our free  
 School, and given a fair Acco<sup>t</sup> of all my negotiation. Give me  
 leave to remark one thing, I doubt yo<sup>r</sup> Lo<sup>ps</sup> were surprized by  
 sending the Memorial, Entire to the Comm<sup>rs</sup> of the Customes,  
 or they were so by sending it to the Merch<sup>ts</sup> since there are  
 some things in it not so fitt for the Merch<sup>ts</sup> or Common  
 persons to know but the end of this is to lett me know what  
 Iudgment is past upon it, because there has been so much  
 noise about it.

May it please your Lordships

I have the honour to receive your Lordships Letter of Sept<sup>r</sup>  
 25<sup>th</sup> 1696, and shall endeavour according to my duty to  
 returne your Lordships an Answer to all your Lord<sup>ps</sup> Com-  
 mands therein so far as at present tis possible. His Most  
 Sacred Majesty having autoriz'd and constituted your Lord-  
 ships Commissioners for promoting the Trade of England, and

for inspecting and improving his Plantations in America and elsewhere, it is to the great and generall satisfaction of this his Majesty's Province, and of my self in particular. P. R. O.  
Maryland, 9.

I humbly beg leave to give your Lordships a brief account of this his Majesty's province; before the happy Revolution. Whilst My Lord Baltimore resided in the Country all things were pretty quiet, but when his Lordship went away, he left the Government in the hands of the Councill, the principal of which were Papists, and they had generally the places of profit and Trust, and the Quakers were in the Assemblies and other places in the Government. As for the Church Governm<sup>t</sup> it was in the hands of some Jesuits and Priests: the chief place of their residence was within two miles of S<sup>t</sup> Mary's, where they have a good brick Chappell, and about 5 or 6 wooden ones in other places of the Country. Of priests, and Jesuits there is commonly six or seaven in the Countrey, and they have severall good plantations to live upon; but I suppose they have allowances from England and other places, and from the people of their perswasion in this Countrey. The Quakers are also dispersed all over the Countrey, but more numerous, and also have more places for their worship. There were seldom above 3 or 4 Clergymen of the Church of England that resided in the Countrey, and they had no certaine maintenance, but only by voluntary contributions, by which way also the places for the publick worship of God, according to the Church of England, were built.

Sabbath breaking, Cursing, swearing, and profane talking; some of the Men having two wives, and some of the women two husbands, whoring and drinking, especially the last were too much practiced in the Countrey, and seldom any were punished for these Sins. Few Schools, and those but very mean ones either for Master or House: But the Jesuits and Priests had some, especially one brick one at S<sup>t</sup> Mary's. After my Lord Baltimore went for England, the Courts of Justice were very delatory, and the people were fined by Law, and became sureties for one another, as also for strangers on Navigation bonds, and upon severall other occasions; yet very seldom were the Fines collected, or the Bonds put in suit. I suppose the Jesuits and priests were willing to have a very loose Government both in Church and State, that they might bring the people to be Atheists, in order to make them Papists. To accomplish which I suppose they would not have mett with great opposition; by reason that the Major part of the Countrey was first seated but by an indifferent sort of people.

The time betwixt my Lord Baltimore's Government, and the arrival of his Majesty's Governour the late Coll<sup>l</sup> Copley, was very unsettled, and the Government very loose, but the

P. R. O. publick Debts of the Countrey grew great, and others also, Maryland, 9. especially those to my Lord Baltimore upon account of his Quitt rents.

Whilst his Excellency Governor Copley lived, all the Debts were not paid, neither were any so during the time that his Excellency S<sup>r</sup> Edmund Andros his Majesty's Lieutenant and Governor of Virginia took upon him this Government. Tho there be an annual charge for the maintenance of his Majesty's Honourable Councill, Burgesses, Iustices of the Provincial, and County Courts, Rangers &c which are paid in Tobacco, and levied p pol. So that when it pleased God that I arrived here with the honour of having his Majestys gracious Commission to be his Governour of this his Majesty's Province, I found it very much in debt; and I dare venture to say not very well settled either in the Church, Civil, or Military Government. But according to his Majesty's Royall Commission and Instructions to me, I have endeavoured to new modell them, as will appeare by the Severall Journalls of Councils, Assembly and Laws, during the time that I have had the honour to be his Majesty's Governor here, which have been sent to the Lords of the late Committee of Trade and Plantations, together with my letters, Papers &c. And by this Fleet is transmitted to your Lordships by his Majesty's Secretary of this Province S<sup>r</sup> Tho: Laurence the Duplicates of the Journals of Councill, Assembly, and Laws (which your Lordships do me the great honour to write me that you have received) as also of those since, with papers of other affairs concerning this his Majesty's Province.

I herewith most humbly transmit to your Lordships an account of the parishes &c in N<sup>o</sup>s.

There was a Law passed in the late Governor Copley's time for establishing the Church of England &c which his Majesty in Councill the 11<sup>th</sup> of March 1695/6 was pleas'd to disapprove and disallow of &c; But there is another now sent to your Lordships, and you may please to see by the Journals of Assembly, what difficulties I met with about it. When I came hither I found very few of the Churches built according to the former Act of Assembly; but I hope in God that they will be all finished this year, and then we shall want Clergymen, and a Commissary to inspect the Church affairs, for whose maintenance an Act is passed, and now sent to your Lordships. My Lord Bishop of London hath promised to send an able Commissary and some good Clergymen, as also School Masters for the Free Schools, for establishing of which, there was an Act passed, which his Majesty was pleased to disapprove & disallow of &c But there is now sent to your Lordships another supplicatory Act for Free Schools, wherein

tis most humbly submitted to his Majesty to appoint what more trustees and Governors he shall in his great wisdom see necessary. P. R. O.  
Maryland, 9.

With most humble Submission to Your Lordships great judgments, I think the most likely way for converting the Indians to the Christian Religion, and bringing them to live amongst us in a settled way, and learne our language in order to be made more useful to this his Majesty's Province, and putting a stop to the Papists, and Quakers and bringing them over to the reformed Religion, and to make those that are already Protestants better in their lives and morals; will be by erecting Free Schools, wherein both English and Indian boys may be bred up scholars, and fitted for his Majesty's Royall Colledge of William & Mary in Virginia. The Account of which is designed (God willing) to be given by us the trustees of the said Colledge, to his Excellency S<sup>r</sup> Edmund Andros according to your Lordships directions to him. For I humbly beg leave to observe to your Lordships, that it is some charge to his Majesty, to supply these parts with Ministers, and Schoolmasters, his Majesty being graciously pleased to allow twenty pounds to each of them for their transportation, without which his Majesty's bounty, I suppose very few of them would be able to transport themselves. There is often very great want, and now especially of good Clergymen and Schoolmasters in these parts of the World; and I will not venture to answer for some of their abilities, lives and conversations

I hope (God willing) to be able by the next Fleet to give your Lordships an account of a pretty good Church and School being nigh finished in this place.

In N<sup>o</sup> 2 is a List of the Names of his Majesty's Honourable Councill &c.

Severall of the principal Inhabitants of this province are not qualified by Law to serve his Majesty in any Employment, which makes it very difficult for me to supply them with good men. But the names of some are put down at the end of N<sup>o</sup> 2 pag. 9, in which are the number of Taxables for the years 1694, 1695, 1696. It hath never yet been the Custome of this Countrey to distinguish the Taxables by Free men, Servants, and Negros, and tis not possible now to send them to your Lordships, but I intend to give Orders that the Taxables be so distinguished, and if I can to have the Number of Papists and Quakers. And in the said paper is an Account of what Indians reside in this province, as also Copies of some late Orders about the Indians. We have had no further Treaty with the Senniquos, Susquihanits, and Shevano Indians since my last, but expect to hear further of them this May.

Fol: 81

Fol: 82, 83,  
84, 85

P. R. O. Mr Edward Boothby one of the Burgesses for Baltimore  
 Maryland, 9. County who was appointed to goe to the Government of  
 Pensilvania about the Indians, hath not yet made a Returne.  
 I have an account that he is and hath been some time very  
 ill, which I suppose is the reason that he hath not done it.

The Foreign Indians which are mentioned in a certaine  
 Message sent from the House of Burgesses to my self, and  
 his Majesty's Council, some of them are of the five Nations,  
 which are under his Majesty's Government of New York, and  
 are those who passe from the Northward to Virginia and other  
 Southerne Plantations, what their strength is we know not, nor  
 exactly what point of the Compass they lie from us: but sup-  
 pos'd it is to the Westward of the North. Those Indians  
 which come from the Southward are suppos'd to inhabit upon  
 the River Oheo or Spirito Santo which runs into the Bay of  
 Mexico: and upon which tis reported that the French have  
 two or three settlements. The names which we know the  
 Indians by are the Wittowees, Twistwees, and naked Indians  
 (but the Indians of one Nation are called by diverse Names  
 both by the English and other Indians). The exact point of  
 the Compass which their Country lyes from us is not yet  
 known, but it's supposed to be the Westward of the South:  
 Sometimes they come down to the falls of Potomoke, and Sus-  
 quahanah Rivers, between which places the Ranging is kept  
 by our two parties of Rangers consisting of a Captain, Lieu-  
 tenant and eight private troopers; and annexed to N<sup>o</sup> 2 are  
 the Copies of some Orders concerning them.

The reasons as I conceive which induce the Inhabitants of  
 this Province to leave it, are the incouragement which they  
 have from the Carolina's and the Jerseys, but particularly from  
 Pensilvania, which being so very nigh they easily remove  
 thither, and their Handicraft Tradesmen have encourage-  
 ment where they endeavour to sett up the Woollen and  
 Linnen Manufactures. And there is great incouragement for  
 illegall Traders, for privateers, or rather pyrats; which two  
 things cause a great many Seamen to run from his Majesty's  
 Ships in these parts, especially from the Virginia and Mary-  
 land Convoys, as also from the Merchant ships, which is one  
 reason that they do not get soon loaded, especially this year:  
 for by what Accounts I have, above one hundred seamen  
 have left this Fleet. And if your Lordships please Cap<sup>t</sup>  
 Charles Wager the Commadore but especially Cap<sup>t</sup> Iosiah  
 Daniel Commander of his Majesty's hired ship the Prince of  
 Orange, and his two Lieutenants Mr William Ockman, and  
 Mr Isaac Young can informe Your Lordships about a  
 privateer, and the run away seamen. And the Commanders  
 of the Merchant Ships in their petition to the Commadore for

his longer staying, one of their reasons is the running away of the Seamen, through the great incouragement that is given in Pensilvania; which petition was made publick in the Provinciall and County Courts, and generally subscribed to; a Copy of which I herewith transmit to Your Lordships in N<sup>o</sup> 3 together with the Copies of severall Depositions &c concerning one Day a privateer, and the Depositions of one Mr Charles Hemsly concerning six run away seamen, which did belong to the Ship Richard and Sarah of London &c and the Copy of a Declaration of my own concerning privateers, and Run away seamen being harboured and entertained &c in Pensilvania which was approved of by the Iustices of the Provinciall and County Courts &c And also Copys of two Proclamations, one concerning seamen's being encouraged by people of Pensilvania to goe thither; in the other are enumerated the false pretences that are suggested to the people to make them leave this Countrey, and goe to the other places: But in the said proclamation the Inhabitants are dissuaded from believing of them. There is also the Copy of a paper concerning privateers and illegal trade, but the latter part is written by the Gentleman himself Coll<sup>d</sup> Robert Quarrey the same person which I have humbly proposed to be of his Majesty's Honourable Councill here. I very much fear that if some course be not taken to prevent privateers and Pyrats being harboured and entertained in these parts of the World, as also run away seamen; That when please God, the next Virginia and Maryland Fleet shall arrive they will be much retarded in their loading, if some of them be not forced to stay in the Countrey, by reason of the seamens running away.

This Province being long, full of Rivers, and Creeks, and but very thinly inhabited towards the Frontiers of Pensilvania, I think it almost impossible to prevent seamens running away thither And his Majesty hath no Naval Force in this province to prevent them: So I am in great hopes that his Majesty will be graciously pleased upon Your Lordships laying before him my most humble desire of having a small Vessell which may by turns cruise in this and Delaware Bay: And I shall be then in hopes that some stop may be putt to the privateers and pirats; for last summer notwithstanding that the 3 men of War and fire ship which were the Convoy to the Fleet, and the St Alban's Prize which attended the Government of Virginia were all there; yet the Privateer Day in his Brigantine came up within a few miles of this place, and himself with 10 or 12 more went on shore, and allarmed all that part (thô they did little or no mischief, but when he ran away out of Delaware River, he plundered some of the

P. R. O.  
Maryland, 9.

P. R. O. Inhabitants there) as he did other places, thô our Fleet was Maryland, 9. in the Countrey.

The Bay being wide and the Men of War but just arrived, and he going away in the night, was the Cause that his Majesty's Frigats did not come up with them. With humble Submission I think that except there be some Navall Force to secure this whole Bay, it is morally impossible to doe it, for every River and Creek are Harbours, and most people have landing places at their plantations. To make teneble Forts would cost a great deal of money: for I reckon that one good one would not be built under 4000<sup>li</sup> sterling, and that could but secure one River if it did that: And to keep it in repaire wou'd be more chargeable than in England, for all Buildings decay sooner here, And for his Majesty or the Countrey to be at any Charge in making of wooden Platforms or Batterys (as they here call them) or Stone ones either, I think it so much money thrown away, for I have seen some of these sort of Foolish fortifications spoiled before even they were finished. To have Forts of such Fortifications may be of dangerous consequence, by encouraging not only an Enemy who may so easily seize them, but also a Rebellion when they may be Masters of them with so little hazard. And Forts and Fortifications will very little or not all hinder the illegal traders: but a small Navall Force, especially if a Fireship be one, or at least Materials for making Brigantines or Sloops, fire Vessells, will I think hinder them, keep the Country in awe, and protect them from Privateers or Pirats. I have endeavoured (according to my duty) to hinder illegal trade, in doing of which, I have mett with very great difficultyes, especially in the Courts and Assembly. And in N<sup>o</sup> 4 is a Copy of an Adresse to his Majesty about the Navigation Bonds &c, as also a paper from the Committee of Grievances with two others.

The security that they complaine of is because I have ordered the Collectors and Naval Officers not to take such poor and common Securities as was formerly used; and the oath is that the Masters and others who take an account of Ships loading, give an account upon Oath of the Number of Hogsheads, and great quantity of bulked Tobacco, paying no duty for them, which I think is a fair step for their running Tobacco, when in England. A great means to prevent illegal Traders, and securing his Majesty's Customs; would be, that a few certaine places were appointed for all Ships and Vessels to load and unload at: And when I had the honour to serve his Majesty as Lieutenant Governor of Virginia, I endeavoured to bring them to it by degrees, as by making a Law for Ports-People in these parts having been used to live so separately, it's a very difficult thing to bring them at once to cohabit,

especially by restraint, In this his Majesty's province. I have endeavoured to make an Essay of Ports and cohabitation at this place, and at the Port of William Stadt on the Eastern Shore, which are places where Trade naturally was. To come to which places I have ordered the Pensilvanians who trade by Land at the Head of the Bay, there being severall good Cart Roads between the Two Countreys, especially one which is between the Head of Bohemia River in this Countrey, and Opoquiraing Creek which runs into Delaware River a few Miles below New Castle, the Land Carriage being only about eight miles, by which they carry Boats and Shalops of 10 or 12 Tuns upon Sleys, or in great Carts: and illegal trade is much practiced that way, especially in carrying Tobaccoes into Delaware, from whence I suppose severall hundreds of Hogsheads are carried into Scotland and other places, and I believe that when strict examination is made there, it will be found that the Acts of Trade and Navigation &c are oftner broken than kept, especially the late Act. And how I have endeavoured to discharge my duty therein, your Lordships may be informed by Copys of severall proceedings in N<sup>o</sup> 4 The bounds betwixt this his Majesty's Province, and that of Pensilvania, especially in the 3 lower Countys in the Territories of New Castle are very uncertaine. In the late King James his time there was a dispute betwixt My Lord Baltimore and William Penn Esq<sup>r</sup>, and I have seen the Copy of an order of the late King James in Councill for dividing the provinces, but I don't find that the line was ever run, but severall of Pensilvania &c have endeavoured to incroach upon this his Majesty's province, but I shall not (God willing) be wanting according to my duty, to ascertain and maintaine his Majesty's Right. I believe it will be for his Majesty's service and the Interest of the Inhabitants of both provinces that the Bounds were settled. But with humble Submission I propose that they may not be adjusted, before inquiry be made in these parts about the said Bounds; for then the upper part of our Bay might be well seated, and be a check to the Pensilvanians &c. And the Inhabitants and Ships trading to this Province, who are now furnished from Pensilvania with Flower, bread, and beer, might be from them, that being a very proper soile for making those Commodities, provided one man had not above two or three hundred Acres at the most. Some persons taking up great quantities of Land both in Virginia and Maryland, and few or none of them being able to improve it all, is one great reason that the young English Natives and Servants when they are free, leave these Colonies, and goe either Southward, or Northward, for they are naturally ambitious of being Land-P. R. O.  
Maryland, 9.

P. R. O. lords, and not Tenants. If I am not very much mistaken, Maryland, 9. there is very little Land to be taken up either in Virginia or Maryland, except it be severall miles beyond any of the Inhabitants. And those distant and stragling Plantations, wherein there is often not above one or two men, which is sometimes the cause of murders or plunderings by the Indians while they are hunting, or in their going from or returning to their severall Nations.

N<sup>o</sup> 5 is a list of Navigation Bonds &c being 28, for which Iudgments are obtained.

N<sup>o</sup> 6 is a List and an additional one of Navigation bonds for which no certificates are produced, being 115. And in the said N<sup>o</sup> 6 is a List of Navigation Bonds being 19, for which no Certificates produced, and on which Declarations are drawn, and there is also in N<sup>o</sup> 6 a List of Navigation Bonds being 6, principals, noe securities to be found.

N<sup>o</sup> 7 is a List of Bonds being 60 taken in Maryland, for which legal Certificates have been produced.

I humbly transmit these Lists to Your Lordships and hope that your Lordships will be pleased by the next Fleet if not sooner to send orders what shall be done with those Bonds upon which Iudgment is already and may be obtained; for I have ordered his Majesty's Lawyers to prosecute those that can give no good reason for the suspension of their prosecution, but I presumed with the advice of his Majesty's Honourable Council, and at the most earnest request of the House of Burgesses, and severall of the principall Inhabitants of this his Majesty's Province to suspend the execution of the forfeited Bonds until his Majesty's Royall pleasure was known therein. If the Iudgm<sup>ts</sup> had been executed I do not know whether his Majesty would have gotten 500<sup>li</sup> by them. And the officers must have been forced to have executed them with Rigour. And I did not know what evill effect it might have had. If his Majesty be graciously pleased to grant the humble petition of the Burgesses (and what they suggest therein I must needs own to be true) yet I most humbly propose that some of them may be made examples, especially some of those who have been illegal Traders within these 2 or 3 years. Presently after my arrival I gave publick notice of my designe to prosecute illegal Traders, and had it recorded in the first Provinciaall Court; so that they cannot pretend not to have been cautioned to leave their old Custome of illegal Trade, and becoming Suretyes in Navigation Bonds.

But I have observed that in these parts the People begin to pretend Custome, and claime it as their Common Law, which if not timely prevented I humbly conceive may be a disservice, and prejudicial to his Majesty's Interest. For if they be

allowed the benefit of their old Customs, t'will be in vain for me to prosecute illegal Traders, and forfeited Bonds &c as also to endeavour to new modell the Countrey, whether in Church or State. P. R. O.  
Maryland, 9.

With most humble submission to your Lordships great Judgements, I humbly propose that his Majesty would be graciously pleased to grant an Act of pardon to his Subjects of this his Province. For it having but lately been under his Majesty's immediate Government (the former having been very loose) severall, have been guilty of Crimes and misdemeanors which they generally pretend is not out of disobedience to his Majesty's Laws and Government, but that they were not used to them before: And therefore they are in hopes that his Majesty (according to his wonted goodness and Clemency) will forgive their Crimes and misdemeanours.

Here are two women under the Sentence of death, and N<sup>o</sup> 9 are the Abstracts of their condemnations; and they are thought to be objects of his Majesty's mercy.

I now send to Your Lordships the Collectors, and Naval Officers Lists of Ships. N<sup>o</sup> 10 is the particular Acco<sup>t</sup> of them. The Assembly's not sitting this month, and having so lately received your Lordships Commands and the passage over the Bay being very difficult I could not have them sworne before my self and Councill And George Layfield Esq<sup>r</sup> his Majesty's Collector of Pokomoke sent me word that a great fitt of Sickness had hindred him from sending his, And by these Lists Your Lordships may please to see the increase and decrease of the Trade of this his Majesty's province mostly depending upon the plenty or scarcity of Tobacco, which by the coldness of later years, visibly decreaseth: For a great many very good planters do not make two thousand pounds of Tobacco a year for a Man; whereas formerly four thousand a man was looked on an ordinary Crop.

It hath pleased God that this winter hath been the longest that hath been known in the memory of man, for it began about the middle of November, and little Signe of any spring yet. It was very uncertain weather; severall frosts and snows, one of which was the greatest that hath been knowne.

These extraordinary accidents make the Planter conclude that he shall at last be forced to leave off planting Tobacco, or at least employ more of his time in providing for the necessaries of his Family by reason that his Stocks &c must be a great deal better looked after in providing of them Fodder &c for they formerly took little care of them.

This very long and unseasonable winter is supposed to have spoiled or very much damnified a great deal of the

P. R. O. Tobacco's and is a great hindrance to the ensuing Crop. It also very much retarded the Fleet's loading, and N<sup>o</sup> 11 are Copies of severall proceedings thereon, in one of which it is most humbly represented to Your Lordships to intercede with his Majesty that a particular Convoy may be appointed for this province.

I herewith humbly transmit to Your Lordships the Duplicate of a letter from his Majesty's Council and the House of Burgesses to the Right Honourable the Lords of the late Committee for Trade, together with a Duplicate of the Adresse and Association of my self, his Majesty's Councill and Burgesses in a Generall Assembly, which we did our selves the honour to signe. The same adresse and Association is signed by the Provincial Iustices, and Grand Jury, as also by the Iustices and Grand Jurys of each County, and the Field officers. Commission and Non Commission officers have signed it too. With these are the Duplicates of two other Addresses to the King's Most Excellent Majesty from myself, the Councill and Burgesses in a Generall Assembly, all which I humbly presume to send Your Lordships in N<sup>o</sup> 12.

And I am an humble Supplicant to Your Lordships that you would be pleased to give directions about their being humbly presented to the King's Most Excellent Majesty; for I have an Account that the Originalls very unfortunately miscarried, the ship in which they were being taken.

I now also send Your Lordships the Duplicate of my Letter to the Right Honourable the late Committee for Trade &c so most humbly begging your Lordships pardon for this prolix Letter, in which I have endeavoured according to your Lordships Commands, to give you an Account of this his Majesty's province. But thô I have presumed to trouble your Lordships with a very long one, I am too sensible how far short it comes of giving your Lordships such an idea of the state of this Countrey, as I could have wished my self able to give, and as your Lordships might very justly expect from me.

All that I shall offer to Your Lordships in its defence is only this, that I hope I may be bold to say, what it wants in the stile, is made up in the sincerity and truth of it. And (God willing) by the next safe opportunity, the rest of Your Lordships Commands shall be answered with all possible care and fidelity, by him who most humbly begs leave to have the honour of subscribing himself

Your Lordships most obedient  
and faithfull humble Servant

That the proceedings against the s<sup>d</sup> S<sup>r</sup> Thomas Laurence by his Ex<sup>ncy</sup> the late Gov<sup>r</sup> Copley and Councill was Arbitrary and Illegall, but we doe not find or Apprehend that any of those proceedings were done by his Hon<sup>r</sup> Coll: Nicholas Greenberry in his private Capacity, but as one of his Ma<sup>ts</sup> Councill whose Orders and determinations We humbly Conceive lyes not within our Jurisdiction to question, which was the Ground and ffoundation of the Justices Opinion. I have formerly declared my Opinion to M<sup>r</sup> ffreeman that  
a Supersedeas to the Sheriff of Talbot County will not Barr

mans Case

We have Consider'd of John ffremans Case referred to Us by yo<sup>r</sup> Ex<sup>ncy</sup> whether he be Guilty of Perjury in making Oath that the Writ of Error was issued on the day mention'd thereon. That if the Writ were not gone out of the Office on that day that he Swore it was not issued; he swore truth because he swore only to the issuing the Writt, But we Conceive the Granting the Writt, ought to Avail the party Concerned in it from the date thereof therefore we Report that if the Writ was issued out of the Office before the day Sworne to by the Register and that Can be proved against him it is Perjury and he ought to be put under Baile till he discharge himself by due Course of Law, but if that cannot be proved against him, tho: it was Signed and Seald, he ought not to be Confined thereon because he might Swear truth and if Soe, is not Perjury which is humbly Submitted &<sup>ca</sup>

Mr Sollicito<sup>r</sup> Gen<sup>ll</sup> moves in behalf of his Ma<sup>ty</sup> that he has some Reasons to Offer, why the Writt of Error and Supersedeas obtain'd by W<sup>m</sup> Sharpe upon the Judgm<sup>t</sup> afores<sup>d</sup> given against him at the Suit of his Ma<sup>ty</sup> for 1000<sup>ll</sup> Sterl. ought to be null & void praying that he may have Some Small time to doe it which is granted accordingly and Ordered thereupon that the Lawy<sup>rs</sup> prepare themselves against Night to attend his Ex<sup>ncy</sup> and Councill who then Intend to Sit as a Court to hear all matters in that Court now lying before them.

Kings Lawyers Report vpon Mr Sharps Case.

Vpon Consideracōn of this matter, and the whole State of the Case I humbly Conceive that if M<sup>r</sup> Sharp had Petition'd yo<sup>r</sup> Ex<sup>ncy</sup> that he was taken in Execution for a Judgm<sup>t</sup> obtain'd ag<sup>t</sup> him upon which he had Sued forth a Writt of Error and given Security thereon, but before the Same could issue he was taken in Execution and yet his security and Self lay Engaged and the Writt of Error Sued forth therefore had humbly besought yo<sup>r</sup> Ex<sup>ncy</sup> Either to hear and Determine the matter of Error he had to Assign immediately in favour of liberty or else to take such further security of him to be Answerable to Justice in Case the matter in Law should be adjudged against him thereon, yo<sup>r</sup> Ex<sup>ncy</sup> might with advice of the Councill have granted Either Prayer but as to the Writt of Error I cannot say it is legall though it may be legally Granted because I have seen it and Conceive it Imperfect in fform and therefore I take it to be abateable. June the 8<sup>th</sup> 1697.

May it please yo<sup>r</sup> Ex<sup>ncy</sup>

p. 50x I have Reconsidered the matter Referred by yo<sup>r</sup> Ex<sup>ncy</sup> and Councill whether the Provincia<sup>l</sup> Court may be legally Called Soon<sup>r</sup> than the time to which the Same is adjourn'd by the hon<sup>ble</sup> the Justices of the Same Court &<sup>ca</sup> The Law is Clear that the King may by his Writ of Adjournm<sup>t</sup> directed to his Justices Adjourn the term from one Return to another, and so from term to term but not otherwise; but if the Justices without the Kings Writ do Adjourn the term from one Return to another, the King cannot then Cause the term to begin sooner than the time of adjournm<sup>t</sup>

And in this particular Case a New Commission cannot give Power to the Justices to Trye those Causes that are now depending at any time Sooner than the time to which they and all their Appendages were Adjourn'd; and if a new Commission be granted to Sit Sooner than the time of Adjournm<sup>t</sup> then at the time of the Swearing the s<sup>d</sup> Comm<sup>rs</sup> all the adjourn'd Pleas and process will be discontinued; and there is not any Remedy in as much as a day ffixed cannot be made to Come Sooner than it would do by the Regular Ord<sup>r</sup> of Nature; and the Law doth greatly respect the Ord<sup>r</sup> of Nature; this I do humbly Submit to yo<sup>r</sup> Ex<sup>ncy</sup> upon my Second Consideration of this Case retracting my former Opinion upon better Consideracon

Kings Law-  
yers Report  
upon the above  
Case In obedience to this Command my humble Opin-  
ion is That if the parties herein prescribed doe  
Convey away their Lands &<sup>ca</sup> without any Reall  
Consideracōn and with design on purpose to defeat his Ma<sup>ty</sup>'s  
Judgm<sup>t</sup> against them; that Grant & Conveyance is Void in  
Law, but if the Grant be not attended with them Circum-  
stances of ffraud the Grant may be good if made bonafide and  
upon good Consideracōn for the Kings Judgm<sup>t</sup> does not  
Embargo the Land against Alienation legally made—his ma<sup>ty</sup>  
haveing it in his Royall pleasure to take Execution upon his  
p. 505 Judgm<sup>t</sup> when he thinks fit—therefore the only way to prevent  
such ffraudulent Conveyances with Submission to yo<sup>r</sup> Ex<sup>ncys</sup>  
wisdom is by Proclamation to give notice & Caution to all  
Courts and Private Justices before whom any Land is to pass  
by acknowledgem<sup>t</sup> to Examine well the Parties and if they Se  
Cause to Examine the Witnesses whether such Grant or  
Alienation are bonafide and upon good Consideracōn without  
ffraud before they take the acknowledgm<sup>t</sup> or Caption and if  
they find by such Examination any acknowledgm<sup>t</sup> ffraud-  
ulent and not bonafide and for good Consideration but only  
to defraud his Ma<sup>ty</sup> that they Refuse to take the acknowledgm<sup>t</sup>  
for the Same till the parties have Certificate from yo<sup>r</sup> Ex<sup>ncy</sup> in  
Councill so to doe and for Caution to the Justices what per-  
sons are thus to be question'd a Catalogue or list of all those  
persons against whom Judgm<sup>t</sup> is Obtain'd for the King may be  
sent with the Proclamation the Consideracōn of which is Sub-

I send you here inclosed a Copy of his Ma<sup>ts</sup>

24<sup>th</sup> currant being heartily Sorry that this his Pro-  
vince are at this Juncture so much incapacitated to  
Comply with his Ma<sup>ts</sup> Comānds and Expectations therein.

Yo<sup>r</sup> Ex<sup>ncy</sup> cannot be altogether unsensible of the very sore  
Impressions which the Warr has made on this part of his Ma<sup>ts</sup>  
Dominions, not only in the heavy losses and Taxes Sustained  
by his Subjects here, but especially by the failing of the two  
last Years Crops w<sup>ch</sup> has so impoverished and Streightn'd them  
that very many ffamilies at some seasons within these two  
Years past have not eaten a peice of Bread in a months time  
or more together And all sorts of Provisions by reason of the  
Scarcity thereof and the demands for Carrying on of the Warr  
have been at such excessive Rates th<sup>t</sup> the heads of ffamilies  
can scarcely produce so much by their Labour as to purchase  
what is absolutely Needfull for the Support of their ffamilies.  
Nor is there a Sufficiency of Provisions here for the Necessities  
of the Province.

The Generall Assembly now sitting have under Consider-  
ation the Import of his Ma<sup>ts</sup> Letter. In the mean time I  
esteemed it necessary for his Ma<sup>ts</sup> service, to make yo<sup>r</sup> Self ac-  
quainted with his Comānds in this Respect not doubting of yo<sup>r</sup>

Read a Summons issued this day for Calling a Councill as  
follows, Viz<sup>t</sup>

Port of Annapolis June the 24<sup>th</sup> 1697.

Hon<sup>ble</sup> Sr

Some business presenting, importing his Ma<sup>ty</sup> Service,  
which requires the meeting of his Ma<sup>ty</sup> hon<sup>ble</sup> Councill to Con-  
sult the Same; this Comes by Ord<sup>r</sup> to Signifye that your  
Attendance is Required accordingly here this day to give dis-  
patch to the s<sup>d</sup> Business or that you send an Answer in writ-  
ing of the Reason which may obstruct or hinder your not  
Coming.

Signed p Ord<sup>r</sup> Hen: Denton Cl Concill.

One of the above was sent to the hon<sup>ble</sup> Coll: Henry Jowles  
Keeper, Coll: Nich<sup>o</sup> Greenberry, and Thomas Tench Esq.

Lib. H. D. M<sup>r</sup> Sherriff being call'd to make Return of the s<sup>d</sup> Summons issued produces to the Board a Letter of Excuse from the hon<sup>ble</sup> Coll: Henry Jowles keeper (in answer to the Summons this day sent) setting forth the Reasons of his not Coming to Councill, which was Read.

His Ex<sup>ncy</sup> is pleased to Say that if he Cannot attend his Ma<sup>ts</sup> Business here in Town, he does not think fit that the Broad Seal of the Province shall be kept in a little private Countrey House, where it may be lyable to danger and hazard every  
p. 519 moment in being misapplied besides other inconveniencies; the s<sup>d</sup> Coll: Jowles having oft times had Notice given him to Reside in Town for the Convenience of dispatch of Business, but has hitherto deferr'd it. Ordered therefore that the hon<sup>ble</sup> S<sup>r</sup> Thomas Laurence Baron<sup>t</sup> Secry<sup>r</sup> goe to Morrow Morning and Demand the Broad Seal of the s<sup>d</sup> Colonell Jowles who is hereby directed and Ordered to deliver the Same accordingly, and that it be brought by the s<sup>d</sup> S<sup>r</sup> Thomas and deliver'd up unto his Ex<sup>ncy</sup> the Govern<sup>r</sup> at the Port of Annapolis forthwith.

His Ex<sup>ncy</sup> is pleas'd to say that he will give the keeping of the Broad Seal of the Province to any of the Gentlemen of the Councill from Coll: Jowles that will Come and live in Town not thinking it proper nor Safe to be kept else where, besides other inconveniencies attending.

Afterwards Read a Letter sent from M<sup>r</sup> Charles Greenberry Son of the hon<sup>ble</sup> Coll: Nich<sup>o</sup> Greenberry, which gives an Acco<sup>t</sup> that his ffather is not at home and that he is so very lame where he is that he Cannot possibly travell. His Ex<sup>ncy</sup> is pleas'd to Say that there being a Gentleman come with a Deputacōn from the R<sup>t</sup> hon<sup>ble</sup> the Comm<sup>rs</sup> of his Ma<sup>ts</sup> Customs for being Coll<sup>r</sup> of the District of Pocomake caused him to issue Sumons's for calling a Councill (the rest of the Gent. living so Remote that they could not quickly be sent to and got together) and Considering that it will be Necessary for his Ma<sup>ts</sup> Service to give dispatch to that matter, by now admitting the s<sup>d</sup> person into his Office—Ordered therefore that he be admitted and dispatcht away to looke after his Charge accordingly.

Then produced by his Ex<sup>ncy</sup> to the Board a Letter by him rēcd from the R<sup>t</sup> hon<sup>ble</sup> the Comm<sup>rs</sup> of his Ma<sup>ts</sup> Customs Dated 15<sup>th</sup> of ffeb<sup>ry</sup> last past; thereby Signifying their having issu'd their Deputacōn to M<sup>r</sup> David Kennedy to be Coll<sup>r</sup> of the Rates and Duties imposed by the Act made in the 25<sup>th</sup> year of the Reign of the King Charles the Second at Pocomake in the Province of Maryland &<sup>ca</sup> The s<sup>d</sup> M<sup>r</sup> Kennedy is Call'd in, who Comes accordingly.

He is asked to shew his Deputacōn, which he produced and the Same was by Ord<sup>r</sup> Read—Ordered that the Same be Recorded together with the foremention'd Letter.

He is Asked if he Ever took the Oaths Appointed by the Lib. H. D.  
Act of Parliam<sup>t</sup> to be taken instead of the Oaths of Allegiance  
and Supremacy—who says he has not. Whereupon the s<sup>d</sup>  
Oaths were Administred to him, as also the Oath of Trade and  
Navigacōn by his Ex<sup>ncy</sup> in Councill and afterwards he Sub-  
scribed to the Test.

p. 520

His Ex<sup>ncy</sup> is pleas'd to ask him if he can think of any thing  
whereby his Ma<sup>ts</sup> Service may be promoted in the way of his  
Office, and he will give all Necessary Ord<sup>rs</sup> for his Assistance  
therein; directing him to make what Dispatch he Can to the  
Execution of his Office, Saying that there are Some Ships in  
those parts now and more dayly Expected and does acquaint  
him that th<sup>t</sup> District is a place where illegall Trade is (or at  
least hath been) most Vsed, and therefore will Require his  
more particular Reguard and that there is a place Called the  
Inlet, in that District, where Tob<sup>o</sup> has been some time  
privately Exported, which place ought to be well watch't  
intimating that he has placed an Officer there, whom he would  
doe well to hold Correspondence with, as also with the Nav<sup>l</sup>  
Officer there appointed for that District. And for his better  
Guidance in his Office, his Ex<sup>ncy</sup> is pleas'd to tell him that he  
shall Receive an Ord<sup>r</sup> to M<sup>r</sup> Layfield the former Coll<sup>r</sup> to  
Surrender up to him the Book of Rates Several Copies of  
L<sup>res</sup> from the R<sup>t</sup> hon<sup>ble</sup> the Comm<sup>rs</sup> of his Ma<sup>ts</sup> Customs about  
Illegall Traders, together with Severall Instructions and  
Orders of Councill &<sup>ca</sup> in relation to his Office and printed  
Certificates &<sup>ca</sup> directing him to apply himself to the Clerk of  
the County Court for what Laws of this Province may any  
ways concern Trade, whereby he may every way rightly  
qualifye himself for his Office.

Ordered that George Layfield Esq Coll<sup>r</sup> of his Ma<sup>ts</sup> Customs  
in Pocomoke District within this Province do upon Sight  
hereof Surrender up unto David Kennedy Esq the Bearer  
hereof, the Book of Rates together with all Instructions or  
Letters by him at any time Rec<sup>d</sup> from the R<sup>t</sup> hon<sup>ble</sup> the

of Councill, Proclamations, Bonds, Certificates, Cocquets,  
printed Certificates, and other Papers any ways respecting his  
s<sup>d</sup> Office, the s<sup>d</sup> M<sup>r</sup> Kennedy having this day been admitted  
and sworn his Ma<sup>ts</sup> Coll<sup>r</sup> of that District, hereby directing a  
list to be made of what things are deliver'd; whose Receipt  
thereon will be sufficient discharge to the s<sup>d</sup> M<sup>r</sup> Layfield for  
all the foregoing matters, which s<sup>d</sup> list or an Authentick Copy  
thereof is to be transmitted unto his Ex<sup>ncy</sup> at the Port of Ann-

Produced and Read the Return of the Gentlemen Sent upon  
the Indian Treaty. Ordered that the Same be Enter'd in the  
Journall of this Board; the which followes in these words Viz<sup>t</sup>

Virg<sup>a</sup> June 8<sup>th</sup> being Tuesday 1697.

Journall kept by the Severall persons appointed by his  
Ex<sup>cy</sup> ffancis Nicholson Esq Cap<sup>t</sup> Gen<sup>l</sup> & Govern<sup>r</sup> in Chief in  
and Over his ma<sup>ty</sup> Province of Maryland and the members of  
the House of Delegates in Assembly by them Instructed to  
treat with the Piscattoway Indians at the mountains or else  
where.

About nine a Clock at Night we Arrived at Cap<sup>t</sup> Masons  
where we understood that ab<sup>t</sup> Twenty Indians past by that  
day to M<sup>r</sup> Ousleys; Cap<sup>t</sup> Mason not being at home could not  
be Inform'd what Indians they were, therefore the next  
morning Early, being wednesday we Rid to the place where  
they were Setled and planted Corn some time before. We  
found them to be part Pomunkey, the Mattawoman King, and  
Some Piscattoway Indians; We then Treated with them and  
discovered our business. He imputed the Cause of his Going  
away to the Piscattoways, and assured Us if the Empero<sup>r</sup>  
would not returne to the place of his former abode, they would  
either Joyn with the Choptico Indians or Settle at Pomunkey,  
but would not Conclude upon Either till they understood  
what the Emp<sup>rs</sup> answer and Resolutions were; We then  
Returned to Cap<sup>t</sup> Masons and from thence writ to his Ex<sup>cy</sup>  
S<sup>r</sup> Edmund Andros, as p Copy herewith sent, about nine a  
Clock the Same day, being the ninth, we set out towards the  
Mountains, and with much difficulty forceing through thickets  
and deep Runes of Water that no path appeared, We got  
within Seaven miles of the Indian ffort and lodged that night,  
Early the next morning being Thursday, the 10<sup>th</sup> instant we  
got to the ffoot of the Mountain, from thence toyled in  
walking up and down the s<sup>d</sup> mountain to the ffort, which  
Judged to be at least two miles. The s<sup>d</sup> ffort is built between p. 523

Lib. H. D. two mountains and Corn planted on the West side, The Emp<sup>r</sup> reed us Chearfully. In Some time we Signified to him that we were sent by his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Maryland and Assembly to Treat with him and his Great men and desir'd that he would call together that we might Conferr. He answer'd that Some were abroad when the Sun lower'd, he Expected them in; We patiently waited till about two a Clock, then pressed the Empero<sup>r</sup> again to Call his men together, to which he complied and Came and Sate down with Us. Then by our Interpreter we let them all know that we were sent by his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Maryland and Assembly Sitting when we parted from Annapolis to know the reasons why they deserted their habitacōns in Maryland and to make proposalls to them. Vpon which we Read the Articles of Peace made with them in Govern<sup>r</sup> Copleys time and the Confirmation of the Same in Anno 1696, with Govern<sup>r</sup> Nicholson and Assembly. All which they remember and acknowledged. We Quærid whether there was any breach of any of those Articles made of our parts of which one of the Young men made Complaint against James Bigger that he threatened to shoot him for hunting on his Land Robert Gater he also Complains off that he stole a Deere from him. As to the last Article the Emper<sup>r</sup> Answer'd that he tender'd his Ex<sup>ncy</sup> Gov<sup>r</sup> Nicholson the Bowe and two Arrows who Ordered him to pay the Same to Coll: Darnall for the Lord Baltemore's use, to whom the Empero<sup>r</sup> says he owes no Tribute nor Subjection but to the King of England, to whom he is ready to pay.

Then was read and Interpreted to them the proposalls sent by Us, to which they Answer'd, that the Occasion of their fflight So suddenly and in that manner, was to Secure their Wives and Children; for they Understood that the English fforces were Ordered to Come down upon them in a few days, this they heard by Severall persons which put them in great fflight they did not think themselves Secure till fflorted in that place or to that Effect.

We blamed them for not applying themselves to Some of the Governm<sup>t</sup> for better Satisfaction They Answer'd that they found Coll: Addison Spoke angry to them, therefore  
 p. 254 Concluded all the English were likewise Angry; Upon w<sup>ch</sup> Coll: Addison repeated his discourse with the Empero<sup>r</sup> and as near as he Could the purport of what was sworn against him; which we added was occasion Enough for the Coll: to speak and the whole Countrey to Suspect them to be Guilty of the murder of the Negro. We further told them that the Circumstances were high thō we could not prove it more possitively against them To which the Empero<sup>r</sup> Answer'd that

God knew who murder'd the Negro, he did not, and that he would not tell a lye, & further that he Loved the English so well that he would not injure their persons or Estates or to this purport. Lib. II. D.

As to making Satisfaction for the Negro to the Owner for his loss, desir'd further time to give their Answer, which we Assented to, So proceeded to the other Articles. They Seem'd to be very well pleas'd and chearfully Answer'd that they would Return as soon as possibly they could into the Governm<sup>t</sup> of Maryland and settle either at their old ffort nigh Piscattoway or about Rock Creek, that they might not any more annoy the Inhabitants Stock or Occasion any differences between them and the English; but they could not remove their ffamilies till the next Spring, Corn being planted and wed there, and ffLOURISHING; the women and Children not able to travell. That is the properest place for hunting the next winter likewise.

Then the Emper<sup>r</sup> and his men withdrew, and about Nine a Clock that Evening he return'd with his great men to Us again and Signified that thō they were not Guilty of the murder of the Negro, yet for peace and out of their Affection to the English they would give reasonable Satisfaction, but hoped we would Consider their poverty, then propose what would Satisfye. We demanded only Eighty Buck Skins, what the Committee first proposed, they readily complied with promise of paym<sup>t</sup> which induced us with Consideracōn of their Lowe Estate to abate them Twenty Skins. they paying Sixty in two Years, which they Agreed to.

Then we proposed to them to Send Some Indians with us to take possession of their ffort and what charge they had there; they Answer'd they would, accordingly 'did the next Morning being ffryday the 11<sup>th</sup> day as soon as we got our horses parted with the Empero<sup>r</sup> and his Indians very good p. 525  
ffriends and took their directions to Avoid the dangerous Runes and ways that we passed upwards. about Noon one of our horses tired, we drove him as ffarr as we could, then M<sup>r</sup> Hutchins and M<sup>r</sup> Hawkins's Man Offer'd his Service to tarry with the Horse an hour or two till he was Refreshed then he would drive him to the inhabitants we Judged our Selves about ten miles distant when we parted with the Man, but found our Selves mistaken that we could not get to any plantacōn but lodged in the woods On Saturday the 12<sup>th</sup> we got to a Plantacōn in the Woods and were directed into the main Road. About ten a Clock Came to one Giles Vander Castels house with whom we left a letter directed to Cap<sup>t</sup> George Mason for Covert to our Letter directed to his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros—whilst we tarried at the s<sup>d</sup> House

Lib. H. D. the man left with the Horse Came not in; we Came to the River Side and got over to Maryland; about ffour a Clock in the Afternoon parted.

May it please yo<sup>r</sup> Ex<sup>ncy</sup>

At our Coming over into Virg<sup>a</sup> from Cap<sup>t</sup> George Masons we gave yo<sup>r</sup> Ex<sup>ncy</sup> an Acco<sup>t</sup> of our design, knowing yo<sup>r</sup> Ex<sup>ncy</sup> had our Orders sent by our Maryland Post. We have been up with the Empero<sup>r</sup> of Piscattoway at his ffort beyond the first mountain; who Calling his Great men together readily Complied to our proposalls, being willing to Return into Maryland again making Satisfaction for the Negro, thō still denyes the murder and that they give this Satisfaction rather than have any difference, which we humbly Signifye to yo<sup>r</sup> Ex<sup>ncy</sup> & Remain

Notice was by Ord<sup>r</sup> given to the Sherrieff to Summons what members of his Ma<sup>ty</sup> hon<sup>ble</sup> Councill lived nigh to this place for to meet his Ex<sup>ncy</sup> in Councill here this day, who Came and sayes that pursuant thereto, he had Sumon<sup>d</sup> his Hon<sup>r</sup> Coff: Greenberry as well as the Gent p<sup>r</sup>sent, but that his hon<sup>r</sup> lay at Some Restraint so that he could not possibly attend.

Produced a Return of the Comm<sup>rs</sup> of Somerset County Court in Answ<sup>t</sup> to an Ord<sup>r</sup> from this Board, concerning Maj<sup>r</sup> Whittington high Sherrieff of Somerset County upon a Complaint made against him by M<sup>r</sup> George Layfield and M<sup>r</sup> Thomas Dixon about some misfeasance in his Office &<sup>ca</sup> and for presenting two persons to his Ex<sup>ncy</sup> for his Choice whom to make Sherrieff &<sup>ca</sup> which was Read as followes.

May it please your Ex<sup>ncy</sup>

In Obedience to an Order of yo<sup>r</sup> Ex<sup>ncy</sup> and Councill bearing date the 11<sup>th</sup> day of June Anno: Domini 1697: We the Subscribers have this day to Witt the Second day of July in the year afores<sup>d</sup> According to yo<sup>r</sup> s<sup>d</sup> Order have Mett and Considered the Same, and doe p<sup>r</sup>sent to yo<sup>r</sup> Ex<sup>ncys</sup> Choice M<sup>r</sup> John

Then Read a letter by his Ex<sup>ncy</sup> rēcd from M<sup>r</sup> ffrancis  
Jenckins dated the s<sup>d</sup> of this Instant July wherein is set forth  
that by Virtue of his Ex<sup>ncys</sup> Ord<sup>r</sup> which he Rēcd: not till the  
29th of June at Evening, he immediately writt Sumon's's and  
sent Messingers to give Notice to every Justice of the County  
to meet at the Court House on the Second of this Instant,  
pursuant to that Order, who all accordingly appear'd; only  
two that were absent out of the County, to witt M<sup>r</sup> James  
P. 535 Round gone for England, and Mr. Thomas Jones, for the  
Horekill and two more, Viz<sup>t</sup> Coll: John Winder, and M<sup>r</sup> Roger  
Woolford, impeded by indisposition of Body, Setting forth  
likewise, that the Representation in the Ord<sup>r</sup> mention'd never  
appear'd in Court and that one ffrancis Thoroughgood one of  
the Principal men of that Grand Jury utterly denyes his having  
any knowledge of the last Clause thereof touching the Con-  
tinuation of the s<sup>d</sup> Maj<sup>r</sup> Whittington in the Sherriffs Office.

Then was by Ord<sup>r</sup> Inspected what Justices are in the Com-  
mission of Peace for that County, whereby it appears that M<sup>r</sup>  
Matthew Scarborough, and M<sup>r</sup> Sam<sup>l</sup> Hopkins (two of yo<sup>r</sup> s<sup>d</sup>  
Justices) are taken no Notice off, neither in the foremention'd  
Return nor M<sup>r</sup> Jenkins Letter, and it being observed like-  
wise that two of the Justices Signing that Return are parties  
Complainants, and that the rest of the Subscribers are but  
ffive in Number, w<sup>ch</sup> is not one half of the Commission and  
further that the time assigned for the Justices meeting, being  
adjudged too short, so that it was scarce possible they should  
be all of them got together by that time, all w<sup>ch</sup> inducing this  
Board to believe that the said matter might not be altogether  
so fairly Carryed on and as if the party Accused had not  
Equall Justice done him; Whereupon M<sup>r</sup> Thomas Dixon one  
of the Complainants and Maj<sup>r</sup> Whittington the party Accused  
(attending without) were Called for, who Came accordingly.  
The s<sup>d</sup> M<sup>r</sup> Dixon is acquainted with the foregoing Observa-  
tions made upon the s<sup>d</sup> Return, and Letter, and is asked why  
there was no motion made of M<sup>r</sup> Scarborough nor M<sup>r</sup> Hop-

I could give many more instances of the irregular Trade of that place but for brevity Sake do forbear however I cannot Omitt two remarkable passages about 10: or 12: months agoe, there Came to Philadelphia a Vessell directly from Denmark Loaden with Wine Copper Vessells and Severall other European Goods there she lay till all the Goods were unladen and the Vessell unrigg'd and then the Govern<sup>r</sup> Order'd the Coll<sup>r</sup> to Seize her which accordingly was done and the Vessell Condemned and sould again to the Merch<sup>t</sup> for a very considerable Sum<sup>e</sup> they imediately rigg'd her again and sent her away, this business was so very ill manag'd that it opened peoples mouths & made th<sup>m</sup> talk very hardly of the Govern<sup>r</sup>

Another Instance is of a Briganteen Now in th<sup>t</sup> Harbour p. 97  
She Came from New York to Load Tob<sup>o</sup> and took in almost all her lading without giving any Bond or Security this was a thing soe Notorious that it was Talked of by some who they fear'd would give yo<sup>r</sup> Ex<sup>ncy</sup> an Account of it (which is the only thing that keeps them in some awe) upon which the Govern<sup>r</sup> Sent the Coll<sup>r</sup> to Seize w<sup>ch</sup> was accordingly done and preparation made for the Tryall but in few days the Govern<sup>r</sup> Orders the discharge of the Brigantine without any further prosecution This business made a great Noise Especially since some of the Own<sup>rs</sup> reported th<sup>t</sup> it Cost above a hundred pound to

Lib. H. D. Clear the Briganteen, by this your Ex<sup>ncy</sup> may Guess what Justice his ma<sup>ty</sup> may Expect from that Govern<sup>r</sup> or Governm<sup>t</sup> w<sup>ch</sup> is all &<sup>ca</sup>

The Information of Thomas Robinson Esq.

This informant Saith

Mr Tho: Robinsons information about the Privateers at Philadelphia &c:

That upon the 16<sup>th</sup> of June (as he Remembers) he came to Philadelphia where he th<sup>t</sup> Night waited upon Govern<sup>r</sup> Markham & Shew'd him the Comission & patent he had from the Earl of Romney, in Relation to prizes, and told him that he heard there was one Rob<sup>t</sup> Chinton, Edmund Lassell, and a Dutchman th<sup>t</sup> were in Prison, w<sup>ch</sup> were Suspected to be of Every's Crew, saying the Goal was insufficient to keep them, therefore desired they might be better secur'd; who said they should th<sup>t</sup> night; The next morning M<sup>r</sup> Cole the Landlord of the House where this informant lodged came up into his bed Chamber and told him that Rob<sup>t</sup> Chinton & Edmund Lassell had broke Prison & were gone That ab<sup>t</sup> Ten a Clock th<sup>t</sup> day he waited upon the Govern<sup>r</sup> again and told him it was a very ill managed Business to let the two principal Criminalls about Town Escape after th<sup>t</sup> manner, who for answer said that he was neither Sheriff nor Goaler and that the County ought to be fin'd for letting the Goale be insufficient. That the same day or the next day after he went to the Prison to see the place where they were said to make their Escape and at the bottom of the Dore did see where there had been a board of about 14: inches long and 10: inches broad ript off; but could not possibly believe that men of tha<sup>t</sup> bulk could get through at such a place, especially Chinton, who is said to be a very ffat grosse man That the s<sup>d</sup> morning they broke prison the Gov<sup>r</sup> issued out a hue & Cry to take them with a Promise (by the Bellman) of a Reward of ffive Pounds a peice to any one th<sup>t</sup> should Apprehend them. That in the Afternoon one p. 98 Hannah Witt came to this Informant & ffancis Jones before whom she made Oath she had seen the s<sup>d</sup> Chinton and Lassell three times th<sup>t</sup> day among a parcell of Bushes near a place called the Centure in Philadelphia Chinton having a sword by his side, a pistell in one hand, another stuck in his girdle and a musket upon his Shoulder; one John Clapole Sheriff of Philadelphia County being then by told the Woman th<sup>t</sup> he was sure she was mistaken for that they were not there; whereupon this informant went to the Govern<sup>r</sup> & acquainted him with these matters and desired he might have his speciall warrant to Apprehend them seeing they were so nigh, to w<sup>ch</sup> the Govern<sup>r</sup> made Answer that he knew of noe business this

Informant had with any Warrant nor that he need trouble Lib. II. D.  
himself about them however told him afterwards that if he would write a warrant himself he would sign it, w<sup>ch</sup> accordingly this Informant did by direction of the s<sup>d</sup> Govern<sup>r</sup> Ordering the same to be made directable to the Sherriff with a blanck to be left for other p<sup>r</sup>sons names to be inserted by the s<sup>d</sup> Sherriff, whom he thought fit. That this Informant carryed the s<sup>d</sup> Warrant to the Sherriff and acquainted him with the Govern<sup>rs</sup> Comands, relating thereto, but he utterly Refused to fill up the Warrant and said he would not go unless this Informant went with him, by which means the Warr<sup>t</sup> was left unexecuted, neither would be Rēcd by the Sherriff, and the persons thereby made their further Escape. That there were Warrants out for apprehending Charles Goss, Edmond Duke Castle George Thompson, Adam Birch and James Miller known Privateers and Pyrats, notwithstanding which they were publickly & dayly seen up and Down the Streets of Philadelphia, without any notice taken of them and that one Edward Shippen—a magistrate, and one of the Councill of that Governm<sup>t</sup> (as this informant believes) was at the same time known to be in Company of Adam Birch & others of the s<sup>d</sup> Privateers; at the s<sup>d</sup> Adam Birch his house, w<sup>ch</sup> he also confessed to this Informant being asked the question.

That about the 19<sup>th</sup> of June past, one John Mathias came and Surrendered himself up to this Informant upon their Ex<sup>ncys</sup> the Lords Justices Proclamation as being one of Every's Crew, whom this informant deliver'd up to the Govern<sup>r</sup> & was by him Comitted to prison. That upon the 21<sup>th</sup> of June After, the s<sup>d</sup> Mathias was brought before the Govern<sup>r</sup> & Councill & Examind (this informant being likewise there p<sup>r</sup>sent) where he Confessed & delar'd th' he was a Swede belonging to a Ship that had the King of Denmarks Comission to Trade upon the Guinia Coast a Hamburger, there being another Ship then P. 99 in Company with them that had also a like Commission both which Ships the s<sup>d</sup> Cap<sup>t</sup> Every tooke Riding at an Anchor in the Island of Prince, and plunder'd them and took to the Number of Sixteen men out of both Ships & carried them away with him, whereof he the s<sup>d</sup> Mathias was one.

That from thence they went directly to the Red Sea, where they took two large Persian Ships, richly laden as he Supposed by the great quantity of Gold and other plunder they brought with them after they Came from Rifling the s<sup>d</sup> Ships. That Chinton was Everys Chief Lieuten<sup>t</sup> & Lassell some sort of Officer belonging to the s<sup>d</sup> Ship, but could not tell of any more of them th' were in Pensilvania, Save the Dutchman that was in Prison and belong'd to the other Hamburger Ship; but as

Lib. H. D. to himself he said, he Received no Share, but what they were pleased to give him for mending their cloaths and such like; to the quantity of ab<sup>t</sup> 300: pieces of Gold. That after the Warrants were out for taking up the Privateers, Charles Goss (one of them) came to one Wid<sup>w</sup> Huttons House to take his leave of her, where in a quarrell with a ffrenchman he was kill'd. That two days after (at the s<sup>d</sup> Goss's funerall) there happen'd a Riott, w<sup>ch</sup> one Cap<sup>t</sup> Snead a Magistrate of that place, going to Appease & Com<sup>d</sup>anded the Peace, he was violently assaulted and in defending himself from the Rabble, he casually wounded a man. That there was a Rumour of a Carolina Sloop being there, which was intended to Carry of those privateers, but Notice thereof, being given to the Gov<sup>r</sup> he made the master Enter into 2000<sup>lb</sup> Bond to the Contrary. But the s<sup>d</sup> Master being known to be an old Privateer himself in Suspected notwithstanding to have Carryed the s<sup>d</sup> Chinton & Lassell away with him. The s<sup>d</sup> Masters Name is Meddlecot and is said to have been Chyrurgeons Mate to a Privateer th<sup>t</sup> went to the Persian Sea about ffive years Agoe, whereof it is said th<sup>t</sup> James Miller one of the Privateers aforenamed was Master.

Privateers &c:

M<sup>r</sup> Henry Denton.

About 3/w agoe I happen'd to goe up to Philadelphia, and in my stay there, which was 5 days; Charles Goss, one of the Pirats was stobbed by M<sup>r</sup> James Martin a ffrench Merch<sup>t</sup> the s<sup>d</sup> Martin as it was

Related being much abused Iust before by the s<sup>d</sup> Goss, and at the funerall of the afores<sup>d</sup> Goss, one Cap<sup>t</sup> Sneads one of the Justices of Philadelphia coming amongst them that were drinking tould them that they should behave themselves sivilly or else goe their ways homewards: they being in drink gave him some Oprobrious words, and fell upon him, upon which he drew his Sword and stabb'd one of them, who it was I do not know I hear he is since Recover'd. The Pyrats were much allarm'd at that time, being as I was tould Occasion'd by Cap<sup>t</sup> Thomas Robinson his Coming up there with some Comission to call them to Acco<sup>t</sup> I do not question but his Ex<sup>ncy</sup> hath had a full Acco<sup>t</sup> of the s<sup>d</sup> Robinson before now of what Occur'd in his Stay there, he being gone Down last week to Virg<sup>a</sup>

While I was up at Philadelphia one Cap<sup>t</sup> James Trent came up who had left his Ship mounted with 36: Guns below the Town of New Castle and brought in above 150 Scotts Servants but little Goods, he did search for me understanding I did live in Maryland, and asked me whether I could give him encouragem<sup>t</sup> to Come to Maryland he wanted a Loading Tobacco to w<sup>ch</sup> made Answer that none or little was to be gott before the New Crop, upon w<sup>ch</sup> I do believe he doth intend to make a voyage to Barbadoes, and so in the ffall to Come there, I doe suppose he doth serve in the same imploy with M<sup>r</sup> James Coutts: this being the Substance of what I doe know of the matter, have thought my Duty in Ord<sup>r</sup> to his Ex<sup>ncys</sup> Comands to acquaint you with and Subscribe,

I have yo<sup>rs</sup> of the 13<sup>th</sup> instant by the Bearer John Jordan Master of yo<sup>r</sup> Express Sloop who Arrived here Yesterday ab<sup>t</sup> noone In Answer to which I shall give you the best Acco<sup>t</sup> I can of the State of our Enemies Fleet which is as followeth.

Its now three months since an Express boat arrived at Barbadoes & from thence dispatch't, immediately for Jamaica, who brought a pacquet for me (as he did for the President of that Island) from his Ma<sup>ty</sup> Dated at Whitehall the 23<sup>th</sup> of Novemb<sup>r</sup> last, Giving me Acco<sup>t</sup> of the ffrench their making preparations of Twenty Six men of Warr Including ffire Ships and Tenders, then at Brest, with 3000: Land Souldiers, with design (as was believed) on some part of the West Indies, and w<sup>ch</sup> Acco<sup>t</sup> hath been since confirmed by severall private hands, and who further said that s<sup>d</sup> Squadron had left ffrence in Ord<sup>r</sup> to their intended design; and w<sup>ch</sup> hath Occasioned the Islands of my Governm<sup>t</sup> to have been on strict Guard untill

Lib. H. D. within this month I have Received certain Acco<sup>ts</sup> from Curaco, S<sup>t</sup> Thomas and Providence that s<sup>d</sup> ffrench ffeet are past by us and were Safe Arriv'd at Petit Guavers on Hispaniola its said with design to attack the City of S<sup>t</sup> Domingo on that Island by Sea and Land, and if possible to make themselves intire masters of that Island, they having in Ord<sup>r</sup> thereto kept many hundred Negroes for severall Months past, cutting a path for their fforges to march over Land to the Spanish side of the Island; Others Say, they only design to surprize the Spanish Plate ffeet designed Home from the Indies this year, Their ffeet Consists of 18: men of Warr, 2 Bomb Ketches, some ffire Ships and Tenders, under the Comd of one Mons<sup>r</sup> Pontee. However I'm well assured they have noe design against any the English Colony's they having not touched at Martinico or any of our other Neighbouring ffrench Islands in their passage by Us, which was about two months since, For about that time a New York Brigantine bound to Nevis fell into their ffeet ab<sup>t</sup> 70 Leagues to the Eastward of this Island.

And since yo<sup>r</sup> Sloop Arrived here Yesterday about an hour after from Barbadoes his Ma<sup>ty</sup> Ship Colchester, attending this Governm<sup>t</sup> who gives me Acco<sup>t</sup> That Vice Adm<sup>l</sup> Nevill was arrived there with 14: men of Warr. 4: ffire Ships and Tenders and expected 4 great Dutch men of Warr hourly to Arrive of 60: & 70: Guns each part of his ffeet and to whom the New Castle attending Barbadoes and this Colchester is to Joyn to make his Squadron up 20 Compleat Ships of Warr for the line of Battle and who I expect will be here to morrow with s<sup>d</sup> ffeet a list of whom (all but the Dutch) I inclose you, They are bound as the Adm<sup>l</sup> writes me himself in Search of the s<sup>d</sup> mons<sup>r</sup> Pontee and the ffrench ffeet under his Comand wherever they be to be found in the Indies, and to prevent his Designes, and then Convoy the Spanish Plate ffeet home Their stay will be very short here, knowing how long the Enemy are past by before them. But by this I presume you may depend they have no more design against you, than I am well Satisfyed they have against us. And if they had, you find our gracious master is not unmindful of not only us, but of his Allies in sending a squadron of good Ships qualified to frustrate their designs It's farther said that on the Success

p. 102 of these ffleets, a Peace will ensue, for that the ffrench King was in great hopes of taking the Spanish plate ffeet this Attempt, and which would enable him to hold out the Warr for two or three years longer and of which if he be prevented (as there's not any doubt but he will) the Spaniards in these parts having had timely notice both of his design's and of our Kings assisting him with this ffeet, to prevent him, Then its

believed he will be Necessitated to Conclude a Peace (w<sup>ch</sup> God Lib. H. D.  
grant may be) for the honour of our King and the generall  
Good of Christendome.

You may be Sure your Express should not want my Pro-  
tection coming on such Emergency but her luckey Arrivall  
here for the best and most satisfactory Acco<sup>t</sup> of Affairs I  
possibly could give you as I have here done causeth her dis-  
patch hence this day to you, so that she could need no  
ffriendship of mine, w<sup>ch</sup> I should readily afford her or any  
other Service in my Power for the Safety and preservation of  
any of his Ma<sup>ts</sup> Colony's being S<sup>r</sup>

Came Matthew Clemison of the Province of Pensilvania before his Ex<sup>ncy</sup> the Govern<sup>r</sup> and S<sup>r</sup> Thomas Laurence Baron<sup>r</sup> Secy<sup>r</sup> and preferr'd a Certain Petition wherein he sets forth that having a Sloop and Goods Seiz'd for Trading Contrary to Severall Laws and Orders of this Governm<sup>t</sup> notwithstanding two Gen<sup>l</sup> Permitts of Trade Granted him by Maj<sup>r</sup> Thompson Nav<sup>l</sup> Officer of Cœcill County under his hand and Seal, being here produced and Read, who finding that through the mistake negligence or fforgetfulness of the s<sup>d</sup> Officer he is run into a Primunire humbly prays an Appraisim<sup>t</sup> may be made of the s<sup>d</sup> Sloop (being a hired sloop) and that upon giving Bond for the appraised Value, and to stand Tryall &<sup>ca</sup> the Same may be restored to him, in Ord<sup>r</sup> that he may deliver it up to the Own<sup>r</sup>

Ordered thereupon that the Peticōn<sup>r</sup> giving Bond with good Security to Answer to his Ma<sup>ty</sup> &<sup>ca</sup> the Appraised Vallue as well of the s<sup>d</sup> Sloop as Goods in her Seized and if the same upon Tryall shall be legally Condemn'd that then the Same be deliver'd him accordingly, Provided he pass another Bond for answering the Penalty of the Law for his Wool and old Iron taken on Board; (if upon Tryall) Judgm<sup>t</sup> shall be given against him thereon, hereby appointing & Empowering M<sup>r</sup> Rich<sup>d</sup> Beard, M<sup>r</sup> Orlando Greenslade and Thomas ffreeborn to Appraise the same, they having ffirst taken an Oath for that purpose before Cap<sup>t</sup> Rich<sup>d</sup> Hill one of his Ma<sup>ts</sup> Justices

Ordered that Maj<sup>r</sup> John Thompson Nav<sup>l</sup> Officer of Cœcill County be (upon sight hereof) dismiss from further Acting in that Station, Complaints being made of Severall Irregularities by him committed in the way of his Office by Granting forth illegall permitts, to the great damage and Injury of Severall persons therein Concern'd; and that the hon<sup>ble</sup> James ffrisby Esq recommend some other fit person to be Constituted Navall Officer of that District in his Stead.

Maj<sup>r</sup> Whittingtons information touching severall Encroachmts made by Wm Clarke president of the Horekill within the Bounds of Maryld

Vpon A question put to W<sup>m</sup> Whittington of Somerset County in the Province of Maryland by the R<sup>t</sup> hon<sup>ble</sup> ffancis Nicholson Esq: Cap<sup>t</sup> Gen<sup>l</sup> &<sup>ca</sup> touching some encroachments made within the Bounds of Somerset County afores<sup>d</sup> by some p<sup>r</sup>sons Inhabitants of the Horekill. for Answer he humbly declareth.

That being Survey<sup>r</sup> of Somerset County about nine years since, he laid out or Surveyed Severall Tracts of Land for Sundry persons in the s<sup>d</sup> County and during the time he was there Surveying, one W<sup>m</sup> Clark presid<sup>t</sup> of the horekill Court, Came where I was Executing my Office in a Neck call'd ceadr Neck on the South Side of Rehoboth Bay (the place Ordered by the L<sup>d</sup> Baltimore and Council to be the northern Bounds of our County) about the years 1672: or 73: the s<sup>d</sup> Clark made noe Objection against w<sup>t</sup> I was about but after some discourse departed, But soon after, about the time of the late Revolution of Governm<sup>t</sup> within the Province of Maryland the s<sup>d</sup> Clark with some others made Sale of most of such lands lying within the Bounds of our County; and Surveyed & Cert. Return'd by me in Maryland Right and hath recd: (as can be Evidently made appear) a Considerable quantity of money and such Comodities as the Countrey Affords and particularly sold the s<sup>d</sup> Ceader Neck which he once p<sup>t</sup>tended to be a manner of W<sup>m</sup> Penns and hath procured Pattents, in the Severall and respective p<sup>r</sup>sons Names to whom he has made such Sale, in Pensilvania, many whereof yet are seated in the same Right, and altho: Complaints were made to the late Govern<sup>r</sup> Copley yet by the Short time of his Continuance in the Governm<sup>t</sup> there was no Redress. Since his Ex<sup>ncys</sup> Arrivall, We have Us'd all Modest Endeavours to Regain the Ancient Meets and Bounds of our County altho: mett with severall Strong opposicōn most Chiefly by the Instigation of the s<sup>d</sup> W<sup>m</sup> Clarke and one John Hill Sherrieff, as Severall of the Inhabitants hath inform'd: and not long since my Shrivallry of Somerset being Obligated to Attach the Bodes of Some p<sup>r</sup> Virtue of my Authority have forced to Raise the Inhabitants to take them finding Severall in Arms, who made

Lib. H. D. Violent oppositiōn and not long before I came from home I was credibly Inform'd that the s<sup>d</sup> Hill and Clark had sent or Demanded the Rents and taxes of the Inhabitants on the South side of Rehoboth althō: the two years last past they have been listed as inhabitants within Somerset County threatning to drive away their Cattle or seizing their Goods, whereby most of the Inhabitants are put in great terro<sup>r</sup> to the discouragem<sup>t</sup> & deterring sev<sup>r</sup> all others to seat there where there is large Space for many ffamilies those already there for the most part being desirous to Submit to the Governm<sup>t</sup> here and have and doth desire protection from Us, And that some p<sup>r</sup>son may be Qualified a Justice of Peace to Reform disorders none being nearer then M<sup>r</sup> Round who is at p<sup>r</sup>sent absent and his habitacōn at least 25: or 30: miles distant is what humbly Rep<sup>r</sup>sents itself from yo<sup>r</sup> hon<sup>rs</sup> with all due observation

The Deposition of Cap<sup>t</sup> Ebenezar Blackiston of Cœcill  
County Aged forty Seaven years or thereabouts.

This Depon<sup>t</sup> Saith

Mr Blackis-  
tons Deposi-  
in relacōn  
to Indians.

That being at Coll: ffitzhughs House in Stafford  
County in his Ma<sup>ty</sup> Colony of Virg<sup>a</sup> on or about  
the 8<sup>th</sup> of this Instant Iuly, he heard it Reported  
th<sup>t</sup> there were about Ten Indians at Cap<sup>t</sup> Brents House which  
had got in drink & were troublesome, insomuch th<sup>t</sup> he  
Comanded their Arms to be delivered him up; five whereof  
Surrendered to him accordingly, but 3 more th<sup>t</sup> had also  
Arms, would not part with them but made their escape; That  
the Next Day the s<sup>d</sup> Indians march<sup>t</sup> to a House about two  
miles below the s<sup>d</sup> Cap<sup>t</sup> Brents where they assaulted &  
wounded a mans wife & ffour Small Children in dangerous  
manner.

That this Depon<sup>t</sup> went himself from Coll: ffitzhugh's to the  
s<sup>d</sup> House (being about Ten miles distance) for to know the  
Certainty; where he see the Woman and discoursed her, who  
inform'd him that as she was washing of butter at the Spring,  
there Came two Indians up to her and she Striving to get  
over a f fence to make her Escape, they knockt her down, but  
was not sensible what they did to her afterwards. That when  
she Came to her Self she felt her breast very Sore and her  
Scalp all taken off except a little hair left on her forehead.  
That he discoursed Doctor Tanckardson, who has her under  
Care, who says th<sup>t</sup> her right breast has been ript up by the  
Indians with a knife insomuch th<sup>t</sup> when he Came to dress it,  
the wind puft out like a pair of Bellows.

That the Womans eldest daughter lyes dangerously  
wounded and is thought will not live. That the Neighbours p. 78  
have got three of her other Children, which they Report are  
also wounded, but not mortally.

And this Depon<sup>t</sup> further says th<sup>t</sup> it is Reported the s<sup>d</sup>  
Indians at the Same time carryed away with them from the  
House a large pewter dish and some other Small things.

That the people of Virg<sup>a</sup> doe believe these things will be  
the forerunner of a Warr; but that they begun their business  
to soon. That it is comōly discoursed among the Virg<sup>as</sup>

Lib. H. D. th<sup>t</sup> the people of Maryland need not fear the Indians doing any Mischief among them, by Reason the Govern<sup>r</sup> is so Sharp upon th<sup>m</sup> and therefore they Come over to do Mischief in Virg<sup>a</sup> He does say that Coll: Mason sent up an Interpreter to the Empero<sup>r</sup> and a Messing<sup>r</sup> to his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros Govern<sup>r</sup> of Virg<sup>a</sup> to Advise him of these things but th<sup>t</sup> there was noe Return of either, when he Came away.

At the Port of Annapolis.  
July the 16<sup>th</sup> 1697.

Then came the within named Ebenezar Blackiston the Depon<sup>t</sup> & made Oath before his Ex<sup>ncy</sup> the Gov<sup>r</sup> th<sup>t</sup> the within & above Acco<sup>t</sup> about the Indians is a true Relation to the best of his Remembrance.

Attestacōn  
upon Mr  
Clarks Peticōn  
to the Gov<sup>r</sup>  
of Virg<sup>a</sup>

His Ex<sup>ncy</sup> ffrancis Nicholson Esq his ma<sup>ty</sup> Cap<sup>t</sup> Gen<sup>ll</sup> and Govern<sup>r</sup> of this Province having been pleased to produce a Certain paper before us intituled a Peticōn of M<sup>r</sup> Philip Clarke of St Maries County and by severall Evidences Sworne before us declared by them that it looks very like and they believe it to be the hand writing of the s<sup>d</sup> Philip Clark which Containing in it many false Scandalous and lying Reflections as well on his Ex<sup>ncy</sup> the Govern<sup>r</sup> as on the Court We hold our selves Obliged for the true Information of those whom it Concerns and for Vindication of the Govern<sup>rs</sup> Hon<sup>r</sup> and Integrity in those matters to sett forth and declare as hereby we doe Unanimously and Severally declare that the s<sup>d</sup> Paper let who will be the Author is a false and Scandalous libel.

(1) In saying th<sup>t</sup> the Govern<sup>rs</sup> Prejudice Supposed to be Conceived ag<sup>t</sup> the s<sup>d</sup> M<sup>r</sup> Clark was for his Refusing as Judge of the s<sup>d</sup> Court to grant a Judgm<sup>t</sup> against John Cood Contrary to Law most invectively false and untrue the Said Philip Clark being not Judge of the s<sup>d</sup> Court nor did the Govern<sup>r</sup> Ever move the Court in the matter or press them to give any kind of Judgment nay so Carefull was the Court in that matter that when the Kings Counsell at Law moved for an Attachm<sup>t</sup> against the s<sup>d</sup> Cood for the penalty of an Act of Assembly being Twenty pounds Sterl. Upon two Non est Inventus Return'd and a bill found by the Grand Jury yet the

Court would not grant it because there was Criminell matter Lib. II. D. mencon'd in the bill nor would the Court grant an Attachm<sup>t</sup> ag<sup>t</sup> the s<sup>d</sup> Cood for the Kings D<sup>t</sup> sued for till a Dec. filed Coppy left and two Writts return'd the s<sup>d</sup> Cood not found and every part of the Act of Assembly Answered,

(2) In Saying that the Govern<sup>r</sup> Came Down to the Court four days together and did there Endeavour to prove the Peticōn<sup>r</sup> guilty of Crimes that might deserve Imprisonm<sup>t</sup> but that after all his threats the Evidences not Swearing what he desir'd was disappointed of his Design Wee say its desperately false and Untrue for the Govern<sup>r</sup> did not Come four days to the Court nor more than two and the Cause of his Coming he declar'd to bee to give the Countrey an Acco<sup>t</sup> th<sup>t</sup> he had Rēcd: Severall advices which induced him to believe there was some ill minded p<sup>r</sup>sons in S<sup>t</sup> Maries County Endeavouring to Raise disturbance and disquiet in the Governm<sup>t</sup> and because he said there was some p<sup>r</sup>sons in Court th<sup>t</sup> could prove severall detracting and Villifying discourses and Expressions of the Government which is generally the fore-runners and Instrum<sup>ts</sup> of disturbance he Caused them to be Examined before the Court and Countrey which by their Evidence did most Effect and therefore the Govern<sup>r</sup> did charge the s<sup>d</sup> discourses upon the s<sup>d</sup> Clark but th<sup>t</sup> the Govern<sup>r</sup> did Either threaten or p<sup>r</sup>swade Either the Court or Evidence is most Impudently false and wee do verily believe th<sup>t</sup> the Govern<sup>rs</sup> principall motive to be so Carefull in th<sup>t</sup> matter was to prevent disturbance and to preserve Peace & quiet in the Province for so he Declar'd.

(3) In saying th<sup>t</sup> Proclamacōn was issued out promising a Reward of twenty pounds to any th<sup>t</sup> would Swear the Pet<sup>r</sup> was Endeavouring to raise a Rebellion in S<sup>t</sup> Maries County We can only say th<sup>t</sup> we never heard of any such Proclamation and p<sup>r</sup>sume if any such had been some of us should have seen or heard of it we have all heard and seen a Proclamacōn about that time issued declaring that in Regard there was Suspission of some practices on foot in S<sup>t</sup> Maries County to Raise Rebellion That therefore if any p<sup>r</sup>son knew thereof and would Come and discover the Same they should have twenty pounds Sterl. Reward and if they had been Engaged therein should have their pardon for the Same by which Proclamation We Conceive th<sup>t</sup> the Peticon<sup>r</sup> might reap as much benefit as any other p<sup>r</sup>son the promise being Gen<sup>l</sup> and the Saying th<sup>t</sup> the Proclamacōn was or had Relation to the Pet<sup>r</sup>s particular person is basely false and Scandalous. This we affirm for undoubted truth of our own knowledge & which we thought necessary to declare to the Countrey for detecting the ffalsi- p. 80

The Humble Pet. of Philip Clarke of S<sup>t</sup> Maries County in his ma<sup>ty</sup> Province of Maryland most humbly Sheweth to yo<sup>r</sup> Ex<sup>ncy</sup>

Mr Clarks Pet.  
to S<sup>r</sup> Edmund

That whereas yo<sup>r</sup> Peticon<sup>r</sup> in the late Revolution was admitted & Sworne an Attorney in the Prov<sup>l</sup> Court and in Severall of the County Courts of the s<sup>d</sup> Province and in the Same did Practice till the tenth day of August last at which time yo<sup>r</sup> Petitioner Recieved a Sumōns to appear and serve his Ma<sup>ty</sup> as a Justice of the Prov<sup>l</sup> Court, upon w<sup>ch</sup> Sumōns yo<sup>r</sup> Petition<sup>r</sup> did most humbly Petition his Ex<sup>ncy</sup> the p<sup>r</sup>sent Govern<sup>r</sup> that forasmuch as he had been alway's ready to Serve his most Sacred Ma<sup>ty</sup> in the late revolution and since, & th<sup>t</sup> the Practice of an Attorney was that upon w<sup>ch</sup> the whole maintenance of his ffamily did depend did therefore most humbly pray that he might not be discharged from his s<sup>d</sup> Office of an Attorney by being made one of the s<sup>d</sup> Justices neither of w<sup>ch</sup> Reasons did prevail with his Ex<sup>ncy</sup> Soe th<sup>t</sup> yo<sup>r</sup> Petition<sup>r</sup> in Obedience to the s<sup>d</sup> Comission did accept of the same hoping by this Submission to Continue his Practice in the Severall other Courts of the Province but his Ex<sup>ncy</sup> having in December Court last Conceiv'd a prejudice ag<sup>t</sup> yo<sup>r</sup> Petion<sup>r</sup> for what yo<sup>r</sup> Petion<sup>r</sup> knows not, Except for Refusing as Judge of the s<sup>d</sup> Court to grant a Judgm<sup>t</sup> ag<sup>t</sup> Cōll John Cood Contrary to Law, did for four days together Come down to the prov<sup>l</sup> Court and Sit there in his proper p<sup>r</sup>son where he did Endeavour to prove yo<sup>r</sup> Petion<sup>r</sup> Guilty of Some Crime that might deserve Imprisonm<sup>t</sup> but the Evidence after all his threats not Swearing as he desired was

disappointed of his design ; did afterwards upon the 14<sup>th</sup> day of December by an Ord<sup>r</sup> of Councill dismiss your Peticon<sup>r</sup> from being a Justice of the s<sup>d</sup> Court as likewise from pleading in any of the Courts of the s<sup>d</sup> Province and did issue out a Proclamacōn promissing any person a reward of twenty pounds Sterl. that would Swear yo<sup>r</sup> Pet<sup>r</sup> was Endeavouring to Raise a Rebellion in S<sup>t</sup> Maries County ; from w<sup>ch</sup> grievous oppression and unheard of Proceedings yo<sup>r</sup> pet<sup>r</sup> most humbly prays yo<sup>r</sup> Ex<sup>ncy</sup> th<sup>t</sup> he may be protected in this his ma<sup>ty</sup> Colony of Virg<sup>a</sup> under the quiet and peiceable Governm<sup>t</sup> of yo<sup>r</sup> Ex<sup>ncy</sup> th<sup>t</sup> so y<sup>r</sup> Petition<sup>r</sup> may be Enabled to make his Just Complaint to his most sacred majesty.

And as in Duty bound shall pray for yo<sup>r</sup> Ex<sup>ncys</sup> long and Happy Governm<sup>t</sup> under his most Sacred Ma<sup>ty</sup>

writing the above, Viz<sup>t</sup> This Evening it hath been my Good  
ffortune to make some discovery in that point w<sup>ch</sup> I think my  
self Oblidg'd to p<sup>r</sup>sent yo<sup>r</sup> Ex<sup>ncy</sup> with (as in my poor sense)  
being a Specim: of the Pettie mischifs of last years perpe-  
trated in yo<sup>r</sup> Governm<sup>t</sup> w<sup>ch</sup> perhaps may be streams from the  
same ffountain, the narrative here followes. This Evening I  
call'd at our high Sherriffs where Choptico Robin who  
made the ffirst discovery at liberty he being by the s<sup>d</sup> Officers  
so Indulged and his ffears thereby Abated he told me he  
would now make me fully sensible of the Cause of this  
Villany and thus began; Early in the Spring to witt about 5  
months last past Esq Tom was at or about the ffalls of Poto-  
mock and there were some Piscattoway Indians & some of  
those Seniquos that live in the mountains amongst which last  
was a Susquehanah a great man whose name is monges, this  
Indian had much private Communication then with Esq Tom,  
w<sup>ch</sup> noe other Indians knew or noted, he p<sup>r</sup>sented him with a  
large belt of Peak, and told him that his Nation was Ruin'd  
by the English assisted by Piscattoway's, & th<sup>t</sup> now they were

Lib. H. D. no People, that he had still tears in his Eyes when he thought of it and not being able to doe any thing in Publique he must take his Revenge in private by his money & therefore if this Esq Tom would kill some English where he Could with greatest Safety doe it and most probable to be lay'd upon the Empero<sup>r</sup>s People, he would give him great Rewards it Carry- ing with him a double Revenge for th<sup>t</sup> the English would ffirst bleed & then Revenge it upon his Indian Enemies also this Esq Tom promiseth to do & Communicated to this Robin who as he Sayth diswaded him but promised to keep his Councill. The thing was proposed to be Comitted in Mary- land but he having Denied his Assistance Doth not know if the Negro kill'd were done by Esq Tom however th<sup>t</sup> action Caused both the Empero<sup>r</sup> & Pomunkey Indians to ffly to Virg<sup>a</sup> th<sup>t</sup> the Emper<sup>r</sup> sate down there where now he is but the s<sup>d</sup> Pomunkeys soon Return'd to Maryland th<sup>t</sup> he Coming from Choptico about the time Esq Tom & his Gang Came over to hunt he was perswaded to Come with them to Virg<sup>a</sup> that being so Come & in the Woods a little beyond my house Esq<sup>r</sup> Tom on a Suddain told him he would kill some English and since he had known his design, If he Refused to goe with him he would kill him as believing he design'd to betray him so th<sup>t</sup>

p. 121 this Robin the Relater with Esq Tom & one Indian more Rann back from their Company & Esq Tom & the other Indian did the Mischeif & this Robin kept Sentry, that all the Rest of th<sup>t</sup> Company knew of the thing only the Deafe Indian and him they did not acquaint, S<sup>r</sup> pardon the prolixity that Necessity Drawes Naratives under & Accept the Zeal of

May it please yo<sup>r</sup> Ex<sup>ncy</sup>

When last I had the Hon<sup>r</sup> to Wait upon yo<sup>r</sup> Ex<sup>ncy</sup> at Annapolis you were pleased to Enquire concerning the Indians & of their behaviour in our County which by reason of my Remoteness from their walks and having for some time before bin in the Province of Pensil- vania could give yo<sup>r</sup> Ex<sup>ncy</sup> no acco<sup>t</sup> of them but since my Return passing through the Body of the County have received Severall Complaints of their abuses and Insolent behaviour to the inhabitants which is now become Superlative & not toler- ably to be endured from them & the people in Gen<sup>l</sup> under apprehensions of Some Mischeif intended by them more

Especially the ffrontier Plantations & other Small ffamilies on Lib. II. D.  
whom they Comitt most of their Extravagancies.

I must acknowledge this Information Comes not soe suitable from my Pen as it would from theirs that have the military Power in Charge but understanding they had not as yet given yo<sup>r</sup> Ex<sup>ncy</sup> an Accot of it (the Reason I p<sup>r</sup>sume) as not thinking it worth while to trouble y<sup>r</sup> Ex<sup>ncy</sup> with Complaints of so small a Magnitude esteeming nothing worthy of Information less than some Act of hostility w<sup>ch</sup> not Squaring with my Opinion that an Evill prevented is at any time farr better then after an Evill Comitted to seek for Redress is the Reason I p<sup>r</sup>sume at this time to trouble yo<sup>r</sup> Ex<sup>ncy</sup> herewith and if upon p<sup>r</sup>usall it shall appear there is nothing therein materiall or worthy yo<sup>r</sup> Ex<sup>ncys</sup> Cognizance I hope yo<sup>r</sup> Ex<sup>ncy</sup> will pardon my presumption & attribute it to no other then the Effect of my Zeal for the publick peace & tranquility of the Province.

The ffirst Complaint I Rēcd: was at Patapsco how that upon their passing by the Inhabitants they had destroyed severall of the Inhabitants hoggs & though no positive prooffe can be had as Catching th<sup>m</sup> in the ffact yet the Circumstances are pregnant to prove th<sup>m</sup> tardy for they have been seen with ffresh Pork, & Catch<sup>t</sup> singing seveall hogs feet at their ffiers besides it is remarkable that they never pass but the inhabitants receive some Signall damage in their Stocks more then Vsual.

The second Complaint I rēcd: was at middle River where I was Inform'd that Some Indians passing by a poor mans p. 122  
plantation one enter'd the house where he seeing none but the Woman (the man as happen'd being in an Inward Roome unknown to the Indian, the Indian Sate down & with a stern Countenance bid God dam her for a whore fetch him something to eat repeating such and the like language Severall times which the man of the House hearing thereupon p<sup>r</sup>sently appear'd and the Indian perceiving him forthwith Started up & runaway but left them notwithstanding full of Apprehension of Some farther Intended mischief such insolencies being unusall tho: God be praised noe further Evill has hitherto happened to them and I wish it may so terminate.

The third Complaint I rēcd: was at Gunpowder from whence these Comes to yo<sup>r</sup> Ex<sup>ncy</sup> how that an Indian or two coming to the House of one Robert Love who had some Venison hanging up in the House the Indians took down the meat & told him he would have it for his Dog the man endeavouring to hinder him the Indian grew more Roburst & told him he would have the meat and his Kettle to boyle it in, the man Endeavouring still to hinder him the Indian pull'd him downe by the hair & was Stooping for a Stone to

Lib. H. D. knock him on the head, another English man coming in the Intervall took him off; but the Indian & his mate carried away the meat by force the like Insolencies they have Committed in Severall other places entering peoples Houses & taking their provisions by violence the reason of such their Carriage & behaviour as Can be gather'd from the most antient House keepers and those best acquainted with their dispositions being out of noe other design then to provoke the English to doe them Some injury whereupon they might ground a Quarrell.

The last Complaint I shall trouble yo<sup>r</sup> Ex<sup>ncy</sup> with is that of one Charles Hewit an Elderly man seated upon the head of Gunpowder about ffour miles without any Inhabitants who being not only acquainted with the proceedings of the Indians in our parts but having liv'd in Virg<sup>a</sup> formerly in the troublesome times with the Indians I sent for him in & last night he Came to me whereupon I told him that I understood he had Complained of Some Injuries lately recd: from the Indians & being intended to make yo<sup>r</sup> Ex<sup>ncy</sup> acquainted therewith required his Deposicion and accordingly gave him his Oath, the forme of Deposicions I have left out for the avoiding prolixity having already I fear been too tedious the heads are as followeth Viz<sup>t</sup>

The Indians for these three months last past he has observed to be more Insolent then in all the ffour years time he has been Seated before; whilst he and his wife have been out at work or else where about their Occasions they have Open'd his doors Enter'd his House opened his Chest taken away powder lead Shot and other things; forceably in his  
p. 123 absence before his wives face taken what ready provisions they could ffin'd; Comes on the Back of his Plantation gathers his Green Corn cutts up his Corn stalks & gathers his herbage planted for the use of his ffamily without leave; comes into his house in Companies all Arm'd & unusually painted all over taking down his Arms from the Racks where they are hung & viewing them with other Jestures & postures unacustom'd; About a fortnight since ten of them all Arm'd and painted past by his plantation under pretence of going to Potomock to Trade every one having a Rumlett containing about 3; or 4 Gallons Some full of Rum & others powder with some match coats

Inferences upon further Examination of the Deponent of Some Roguish design in hand.

ffirst the Depon<sup>t</sup> Saith th<sup>t</sup> for ffour years last past he has been Seated in their walks they usually take when they move to their hunting Quarters; the Indians usually passing that way to hunt being not above a dozen or ffourteen men besides women & Children.

2<sup>dly</sup> Their Company's in moving Seldom above two or three with their ffamilies. Lib. H. D.

3<sup>dly</sup> Their passing was peaceable modestly asking and paying for such Necessarys as they had Occasion of.

4<sup>thly</sup> Their time of moving to their hunting Quarters was in June from whence they Return'd not till September & then in companys as they went laden with their pelt.

on the Contrary

ffirst there has past within this three months last past between ffifty & sixty men all well Arm'd noe women nor children.

2<sup>dly</sup> Their Companies ten or a dozen more or less.

3<sup>dly</sup> They are all Arm'd painted & by Violence take what ever they have Occasion for without making any Satisfaction.

4<sup>thly</sup> They are now Continually passing by & frequently returning but seldom above one or two and they without any pelt their pretensions being that they Cannot kill any Deer.

By w<sup>ch</sup> it seems all their Actions run Retrograde to their fformer accustom'd practices & though at p'sent the worst of our Evill consists in a Panick ffear it is much to be doubted the sequell will terminate in blood the Inhabitants being already so Exasperated as that sev'all of the more resolute are Resolved noe longer to Endure the Abuse but upon the ffirst Occasion given are Resolved to Revenge the Injuries sustain'd upon their p'sons the Redress of w<sup>ch</sup> growing Mischiefs I shall humbly Referr to yo<sup>r</sup> Ex<sup>ncy</sup> & Subscribe my self as I am and ever shall be.

Quare if not reasonable th't the Rangers on some other p'sons by Ord<sup>r</sup> from the Military Officers should once or twice a Week vissit the ffrontier Plantations. . .

Coppy Extract of a Letter from Coll Nicholson Gov<sup>r</sup> of  
Maryland to the Councill of Trade & Plantations Dated the  
13<sup>th</sup> Iuly 1697.

I had from the R<sup>t</sup> Hon<sup>ble</sup> the Lords of the Admiralty a  
Comission for Vice Admirall of this his Matys Province &  
theire L<sup>d</sup>shps were pleased to Impower me to appoint a Judge  
Register and Marshall of the Vice Admiralty here w<sup>ch</sup> bears  
date the 2<sup>d</sup> of October 1695 And which I Received by our last  
Fleet from the Hon<sup>ble</sup> William Bridgeman Esq<sup>r</sup> Their Lord-  
shps Secretary And with humble Submission to your Lord-  
shps I do not find th<sup>t</sup> any Ship or Vessell can be tryed by the  
Court of Admiralty for breach of any of the Acts of Trade  
and Navigation except a Ship or vessell that shall cary any of  
the enumerated Comodities to any place but as directed by  
Acts of Parliam<sup>t</sup> particularly by one of the 22<sup>d</sup> & 23<sup>d</sup> of King  
Charles the Second Entituled an Act to p<sup>r</sup>vent the planting of  
Tobb: in England & for Regulateing the Plantation Trade by  
Virture of w<sup>ch</sup> Act the Ship or Vessell So offending is to be  
Tryed for the same in any of the Plantations in the Court of  
high Admirall &c. of England or any of his Vice Admiralls as  
in page 237 of the Book of Rates &c. Comonly so called. p. 191  
And by the late Act of the 7<sup>th</sup> & 8<sup>th</sup> of his most Sacred  
Majestys Reigne for p<sup>r</sup>venting frauds &c. I don't see th<sup>t</sup> any  
power is given to try Ships or Vessells in the Court of  
Admiralty for the breach of That or other Acts of Trade &  
Navigation Except they are Impowered to do by a Clause in  
the s<sup>d</sup> Act page 497 Viz<sup>t</sup> In any of his Matys Courts of  
Records at Westminister or in any Court in his Matys Planta-

Lib. H. D. tions where such offence shall be Comitted. I humbly beg that your Lordships would be pleased to send me some directions about this affair for I shall find very much difficulty in getting a Ship or Vessell Condemned for breach of Any of the Acts of Trade & Navigacōn in any of his Maties Courts here w<sup>ch</sup> Consists of Severall Iudges and where they are Tryed by Iurys and where there are the least p'tences for not giving Iudgem<sup>t</sup> upon any of the Navigation Bonds they are sure to admitt of them

We are of Opinion that upon that Clause fol 1497 And another Clause in the Same Act fol. 502 The Severall Offences ag<sup>t</sup> the s<sup>d</sup> Act may be prosecuted in the Courts of Admiralty for the Plantations ;

We have late received the Duplicate of a Lre from the Councill and Assembly of Maryland to the Lords of the late Committee for Trade and Plantations Dated the 6<sup>th</sup> of July 1696 as also the Duplicate of your own Lre of the 14<sup>th</sup> of the Same month to their Lordships And further Your Lres of the 13<sup>th</sup> and 27<sup>th</sup> March Last to our Selves together with all the papers therein mentioned to be Sent.

By the Last of your Said Lres Acknowledgeing the receipt onely of ours of the 25<sup>th</sup> Sep<sup>r</sup> 1696 we observe that our Lre of the 1<sup>st</sup> Feb<sup>r</sup>y Last was not then Come to your hands, But however it haveing been sent (originall and Duplicate) by

p. 228

Lib. H. D. two of his Matys Ships the Harwich and the South Sea Castle we make no doubt of its haveing been Safely delivered to you Since that time. And therefore we shall not repeat any thing of the Contents thereof further then we have now New Occasion.

It has not yett been possible for us to go through all the particular Matters that lye before us relating to that Province but nevertheless being willing to write what we Can by this first Opportunity we shall not forgett but onely Deferr the rest till we have provided further

This Lre we Intend by his Matys Advice Boat the Swift Captaine Bostock Commander who being directed to Attend att Maryland we Suppose will Answer Your End in what you desire about a Vessell to Cruize upon th<sup>t</sup> Coast, and together herewithall we now send you a Lre from his Maty Dated the 22<sup>th</sup> of Aprill Last requireing your punctuall Care in all things relating to the Execution of the Act for the Plantation Trade Unto which we therefore referr you as being of greater weight then anything we are able to Say upon the Subject.

Upon Consideration of the Assemblies Address mentioned in the Close of your Last Letter Desireing that Coll Copleys Estate in Maryland may Answer to his Maty the fourth part of the Twelve pence p hogshead on Tobb: which ought to have been employed in Stores of Warr but was by him Converted to his private use. We Cannot Conceive why prosecution has not allready been made thereupon in the Country that whatsoever was found due to the King might have been recovered by ordinary Course of Law.

Upon the head of Stores we must also add that we find not amongst the papers now received any Acc<sup>t</sup> or Inventory of the Arms Amunition and Stores remaining in any of his Matys Magazeens in that Province w<sup>ch</sup> being a thing that his Maty has required you Annually to Observe, we Expect that it be Accordingly performed. There is another thing also that we find omitted by you, tho we Acquainted you particularly that it was his Matys Express Command, and Accordingly required you to Observe it, We mean An Exact Acc<sup>t</sup> of all money Given for publicque uses And how the same is and has been from time to time Expended or layd out. This therefore (to Explaine our Selves more particularly) we Expect to be punctually observed at least from the beginning of the year 1696.

Upon persuall of the Assemblies Address relating to the Quota of Men or money to be furnished by Maryland for the defence of New York we should not have been able to have understood there meaning therein if we had not found it more  
p. 229 plainly Expressed in Some other of your publicque papers But

finding by their Answer to your proposall Dated the 8<sup>th</sup> of July 1696 that they did not think themselves obliged to Lib. H. D.  
Contribute any More thereunto till his Matys pleasure therein should be further declared We have onely thereupon to repeat and more fully Explaine what we writt you in our last Letter upon that Subject Viz<sup>t</sup> That his Maty by his Order in Councill Dated the 19<sup>th</sup> of November last did require us to Signify his pleasure to the Gov<sup>rs</sup> of all his Collonyes Concerned in that regulation that they should each of them make good their respective proportions which Order You are Therefore Accordingly to Observe.

We observe That you write about Settling the Boundaries between Maryland and Pensilvania and having thereupon looked out the Order of Councill which you mention to have been made in the time of the late King James upon that Subject Dated the 13<sup>th</sup> of Nov<sup>ber</sup> 1685 and Esteeming the Execution thereof Very Necessary for the prevention of Disputes between those two Provinces. We have required M<sup>r</sup> Pen to give directions on his part for a Concurrence in the Governm<sup>t</sup> of Pensilvania. And he has to that purpose delivered to us the inclosed Lre to Col<sup>l</sup> Markham which we doubt not but will Accordingly be Observed; wherefore we also send you hereinclosed a Copy of the said Order that you may accordingly take Care it be observed with respect to his Matys Interest in Maryland.

The Laws of the Province of Maryland we find to be in great disorder. Before the receipt of the last we had already sent the former (which we found amongst the papers belonging to this Office) to M<sup>r</sup> Attorney and M<sup>r</sup> Solicitor gen<sup>l</sup> for their opinion upon the Legall part thereof And have but very lately received them back. The last are yet in their hands; And till we have rec<sup>d</sup> the whole we do not think fitt to make any of them particularly the Subject of our Consideration For we are Sencible that they need a thorow Revisal, and are Doubtfull least a Determination upon any part of them without a View of the whole, will but breed yet greater Confusion, And by reason of such Confusion we pceive it was, that in order to the better understanding which of the Laws are in force in the Province of Maryland you were required by your Instructions with the Assistance of the Councill there to send over a Compleat body of the Laws that are now in force there together with your Opinion there p. 230  
upon And what alteracōns you Judge requisite to be made therein, for by what we have observed in looking (tho but Slightly) upon some of them, and by the list it Self of their Titles Containing so many Revivals of Temporary Laws we are Assured that the Obscurity whensoever we shall Come to

Lib. H. D. examine them will be very great. This makes it highly necessary for us to mind you of that Instruction which imposes on you no impossible nor very difficult work & ought to have been allready more punctually observed And besides this also we Cannot but take notice of another of your Instructions relating to Laws, which is that they be all made indefinite and without Limitation of time unless they be onely for a Temporary end Whereupon you are required not onely [not] to reenact any Law which shall have been once enacted before except upon very urgent occasions but in no Case more then once without his Matys Express Consent, the neglect of this rule has been evidently a fault in the whole Course of Enacting Laws in Maryland: and the very list of those past in your time shewes that you your Selfe have not much better Observed it.

We Commend your Care and diligence in the Severall papers that you mentioned in your Lre to have sent us, But Some of them (of which Sorte are the Acc<sup>t</sup> of parishes &c. The list of the names of the Councill &c. The proceedings relateing to the Privateer Day &c. The Severall lists of Navigation Bonds &c. The Coll<sup>rs</sup> and Navall Officers list &c.) need not att present any particular Answer from us more then to desire you to Continue the like upon all Occasions, and to tell you (amongst the rest) That in the Act<sup>t</sup> of Taxables the Distinction of Freeman, Servants and Negros which you Say you Intend hereafter to Observe will be very Acceptable.

Upon Occasion of what you write ab<sup>t</sup> the Privateer Day we wish you had told us what Laws you have in force in Maryland for the punishm<sup>t</sup> of Pyrates for thō perhaps we may find Something on th<sup>t</sup> Subject when we Come to Examine all those Laws Yet your information would have made it more ready and easy to us, However now we desire you to write us what ever further expedient your observation Suggests to you not onely for the Seizing of any such persons but also ab<sup>t</sup> the means of bringing them to Condigne punishm<sup>t</sup> when taken.

In the end of those papers that you have fastened together and Marked N<sup>o</sup> 4 are the returns of Severall Sheriffs to the Order that been sent to them relating to persons imployed in places of Trust Contrary to the Intent of the Act for p<sup>r</sup>venting frauds and regulating abuses &c in which we Observe that Severall of those returns are very Imperfect and Answer not the end of your Enquiry.

p. 231 The Assemblies Address to his Maty for the Remission of forfeitures upon Navigation Bonds whereof you Send us a Copy and what you write in your Lre upon the Same Subject is att p<sup>r</sup>sent under the Consideration of the Com<sup>rs</sup> of his Matys Customs and we shall be Sure to take all due Care of it when it Comes before us.

We are very Sencible of the prejudice that you Say arises Lib. H. D.  
both to Maryland and Virginia by the Takeing up too large  
Tracts of Land more then the Grantees are able to Cultivate.  
And as we thereupon exhorte you to exert all the power you  
have in the redressing of that Evill So we desire you to ppose  
unto us very plainly and fully whatever further you think Ex-  
pedient to be done both for the remedying of what is allready  
past and for preventing the like for the future.

The Act of Gen<sup>n</sup> pardon that you propose to be granted to  
all his Matys Subjects in that province tho possibly it may be  
Expedient And tho the grant of it must of Course Spring  
originally from his Maty yet the draught of such a grant must  
of necessity be first prepared in the Country where you are  
most Sencible and Can best Judge what is wanted Upon the  
Sight of which and of the reasons that you may send along  
with it (and not before) it will be fitt to deliberate upon it here.

The proposition which you make about a particular pardon  
for two Women guilty of Murder ought (in our opinion) to be  
laid before the King by way of Petition from thence in the  
Name of the persons that Concerne themselves for them  
together with a State of their Case and the Reasons why  
they are thought to be fitt objects of Mercy.

As for the Petition of M<sup>r</sup> William Dent which you have sent  
us with your Opinion upon it, that it may be Expedient he  
should be Constituted his Matys Gov<sup>r</sup> Gen<sup>n</sup> in that Province  
however fit he may be for that Office Yet Considering that his  
Maty has thought fitt to Constitute onely Attorneys Gen<sup>n</sup> and  
not Gov<sup>rs</sup> gen<sup>n</sup> uniformly through all his Colonyes in America  
We do not think it fitt for us to propose to his Maty the Estab-  
lishm<sup>t</sup> of any such New Officer in any particular place.

The Addresses and Associations that we rec<sup>d</sup> from you we p. 232  
have Transmitted to one of his Matys Princepall Secrys of  
State

These being the things of Chiefe Moment that we Can  
write att p<sup>s</sup>ent upon Occassion of the Lres or papers that we  
have red<sup>d</sup> from you we will onely Add one word of direction  
which we desire should be Observed in all papers that we may  
receive from you for the future. It is that all writeings what-  
soever have faire Margents Capable to receive the Notes  
which there may Occasion to make upon them. That in the  
Journalls and other publicque Transactions, The Heads of  
each Matter be Minuted and Sett downe in the Margent by  
the Officers who Transcribe them. And th<sup>t</sup> all papers what-  
soever even petitions Addresses or any thing of the like  
Nature be Constantly Dated These things we mention to you  
as Rules which we Esteem usefull, That you may require the

Lib. H. D. Observation thereof from all persons respectively. So we bid you heartily farewell

This Coast was lately infested by a small ffrench Privateer from Canada one Outlaw an English Renegade Command<sup>r</sup>

I do not hear of any mischief done by the same except the taking of five open Sloops, three of which he burnt & carryed the other two away. Prisoners th<sup>t</sup> were Landed on Shore by him (which he had some time before taken in fishing Vessells at Cape Sables) inform that there is another small Privateer Ketch from Placentia, with no Guns and Twenty odd Men come upon this Coast of which I have not yet had any further intelligence, hope one of our frigats may meet with them, if they continue upon this Coast. Lre to S<sup>r</sup> Tho:

the Garrison  
ffence being  
pul'd down . .

This day came the Lievtent<sup>t</sup> of the Garrison and informs that on Tuesday last the pasture ffence at the Garrison was pulled down & all the horses th<sup>t</sup> were in the pasture drove out and cannot yet be found. The Captain & all his Men are of Opinion that the Indians have done it to draw them from the Garrison that they may have their opportunity of them—the whole people from the Branch is Resolved to draw off being all fully perswaded that the Indians lye not farr from them, waiting their opportunity. Here is not Men in these parts to strengthen the Garrison nor to Assist the Out plantations; being both here & there most of them single Men (or at most) two in a house what to do in this case I desire yo<sup>r</sup> Hono<sup>rs</sup> Ord<sup>r</sup> herein whether to draw the Men at the Garrison to the Out plantations or to give Ord<sup>r</sup> to Lievtent<sup>t</sup> Coll Thomas Holyday to send some Men out of the stronger & lower parts of the County to strengthen both, which must be speedily done before the inhabitants draw off, to stay them there till his Ex<sup>cys</sup> Return. If yo<sup>r</sup> Hono<sup>r</sup> will please to give yo<sup>r</sup> Ord<sup>r</sup> to Coll. Holyday or any other th<sup>t</sup> you think fit with what speed possible I will in the interim get what few Men in these parts in a readiness to defend themselves as well as they can; which will be but slenderly. I cannot Express the fears th<sup>t</sup> people is in, and I wish there may not be a Cause for it, and if they should once begin to draw off, it would

Ordered that a certain returne made from the Justices of Calvert County Court here produced & read (in relation to a late Ord<sup>r</sup> of his Ex<sup>ncy</sup> passed for suspending & debarring M<sup>r</sup> Iam<sup>s</sup> Cranford from practicing as an Attorney in any of the Courts within this Province or undertaking any new causes within the same) be referred to the Kings Lawyers for them to make report whether the s<sup>d</sup> Return be not contempt to his Ex<sup>ncys</sup> said Ord<sup>r</sup> in refusing to yield obedience thereto; and whether it be not the Kings prerogative to dismiss or suspend any persons from practicing the Law as he thinks fitt. And lastly that they make report what course is best to be taken ag<sup>t</sup> the Justices for such their returne.

Severall Letters, depositions & papers concerning the Indians &<sup>ca</sup> were produced to the Board & read; as also what late Orders were given from his Ex<sup>ncy</sup> & some of his Maj<sup>ty</sup>s hono<sup>rible</sup> Council upon the late Murther committed at the Garrison. His Ex<sup>ncy</sup> acquainting the Board how farr he has proceeded & what further directions he left with Coll Addison for strengthening the frontiers & Garrison. He is pleased to demand of the Board what Course is most fitt & proper to be taken therein; Whereupon the matter being maturely debated & considered; it is the opinion of this Board, that the calling of an Assembly this Winter time, upon this occasion, will be very chargeable and inconvenient; w<sup>ch</sup> charge is supposed might go a great way in maintaining a Sufficient number of men for strengthening the ffrontiers and preserving them in safety this Winter, but that they hold it advisable to take the Opinion of the Iustices & Grand Iury of the Provinciaall Court (now mett together) what their sense is, and to thoroughly consult the best methods of securing this his Maj<sup>ty</sup>s Province & Government in peace and safety from all attempts & assaults of the Indians; and especially to settle the matter about the Piscattaway Indians, who are suspected to have been guilty of all these disturbances & villanies; which his Ex<sup>ncy</sup> is pleased to say cannot well be done till Coll Addison comes to Town who is hourly expected.

The Gentlemen that were sent to the said Piscattaway Indians upon the treaty Ordered last June, were comanded (according to a late summons for their appearance at this Board) to be called in; and accordingly appeared Major <sup>p. 557</sup> Smallwood Major Barton M<sup>r</sup> Hutchison M<sup>r</sup> Wight & M<sup>r</sup> Hawkins the Hono<sup>ble</sup> Thom<sup>s</sup> Tench & Thomas Brooke Esq<sup>ts</sup> Two of the Gentlemen that also went upon that Treaty being present.

His Ex<sup>ncy</sup> is pleased to demand of them what their sentiments were as to the said Indians, and whether they did believe they were sincere & hearty in expressing their resolutions of returning for Maryland, when they discoursed them upon the treaty. Who do severally make answer that they

Lib. H. D. seem'd very hearty & sincere in such their intentions, and that they never heard any thing else to the contrary since.

Mr Richard Cloud, one of the persons by Act of Assembly appointed for deciding differences with the Choptico Indians &<sup>ca</sup> came also according to summons who is asked if any of that Nation of Indians are now at Choptico, and in what manner they live: Who say's that there are severall Indians at Choptico who have built severall Cabins up & down thereabouts, but that the Neighbourhood is very suspicious they design not to stay long in those parts by reason they are a making severall Canoes more than usuall.

The said Gentlemen being Ordered to withdraw; Major Smallwood was by Order called in to whom his Ex<sup>ncy</sup> sayes, that he being a person that has frequently dealt and traded with the Indians; therefore asks him his own thoughts about the Piscattaway Indians; and how much powder he did generally deale w<sup>th</sup> them for in a year. Who makes answer th<sup>t</sup> he believes these late disturbances may have putt them at p<sup>r</sup>sent into some dread & fear, which might obstruct their returne; but th<sup>t</sup> if they were sent to & satisfyed & all misunderstandings removed, he is of opinion they would return again. And that as to powder selling to them, he believes he might sell them 150, or 200 weight in a year. Major Barton another Indian Trader, being sent for & asked the same questions, is much of the same Opinion w<sup>th</sup> Major Smallwood. And as to powder selling he does believe he generally sold them upwards of 300 weight in a year and does think they may use at least six or seaven hundred weight of powder in a year.

Mr Hutchison being called in is told by his Ex<sup>ncy</sup> that he having lived neer the Piscattaway ffort for some years & had communication w<sup>th</sup> them, asks him his sentiments of the said Indians, whether he believes th<sup>t</sup> they will return back or no; Who say's that it is his beliefe they will scarce come back, by reason the Virginians (as he is inform'd) infuses strange notions into their heads, by telling them th<sup>t</sup> if they go back to Maryland they will be all destroyed, and th<sup>t</sup> as long as they keep in Virginia they will be safe and protected, saying that it is two or three of the Indian Traders there th<sup>t</sup> supports them in those fancies & supply's them w<sup>th</sup> what they want and therefore thinks it will be a hard matter to gett them back, notw<sup>th</sup>standing they seem'd so fair upon the Treaty.

Mr John Hawkins is called for and asked whether or no he has not lived neer the Piscattaway ffort for severall years & had converse with severall of them, who sayes he has.

He is asked what he thinks concerning the Piscattaway Indians whether he thought they were inclinable to returne

or no; who makes answer that he believes that some of them are inclinable & some not, but thinks th' the Emperor is not inclinable to come back. Yet does believe King Peter & some others of them would be glad to return if they durst venture for the other Indians. Lib. 11. D.  
p. 558

He is asked (if he used to trade w<sup>th</sup> them) how much powder he might sell them in a year. Who say's that he has had some small trade w<sup>th</sup> them, and that he believes he may have sold them 150 weight a year, and does think they may use at least seaven or eight hundred weight a year, but do keep a constant Magazine by them besides.

Produced & read two severall acco<sup>ts</sup> sent from Virginia concerning the late assassination comitted by Indians on the boddy of one William Wiggentons wife and three Children in Stafford County, in his Maj<sup>ty</sup>s Colony of Virginia aforesaid.

One being an Examination taken before some of the Magistrates of th' County; and the other from Cap<sup>t</sup> George Brent of the said County setting forth (among other things) how th' a certain Indian called Esq<sup>r</sup> Tom, one of the chief actors of the aforementioned Villany, had made his escape from thence into these parts,

Then read the deposition of one Moore of Charles County and a Proclamation of his Ex<sup>ncys</sup> relating to the said Esq<sup>r</sup> Tom directed to the Sherriff of Charles County afores<sup>d</sup> for the seizing & apprehending the said Indian with a reward of five pounds ascertain'd to the person th' should apprehend him &<sup>ca</sup> And it being signified by another paper read th' the said Indian Esq<sup>r</sup> Tom has since been seen & spoke with by some English Inhabitants of Charles County & suffer'd to escape, notwithstanding his Excell<sup>ncys</sup> said Proclamation.

Ordered therefore that a Generall Proclamation issue to the severall Counties of the Province for the seizing & apprehending the said Esq<sup>r</sup> Tom; and that a reward of Tenn pounds Sterll be therein ascertain'd to the party or parties that shall take & deliver him up in Virginia aforesaid. And th<sup>t</sup> all persons harbouring or conversing w<sup>th</sup> the s<sup>d</sup> Indian be dealt withall according to the utmost severity of the Law.

Octob<sup>r</sup> the 18<sup>th</sup> 1697.

A Proclamation, being accordingly prepared, was produced read and signed by his Ex<sup>ncy</sup> and passed the Broad Seale of the Province, the Teno<sup>r</sup> whereof follows in these words. Viz<sup>t</sup>

Whereas I lately issued a Proclamation, under my hand & Seale, bearing date the 28<sup>th</sup> day of Iuly last past therein promising a reward of five pounds sterll for the seizing & apprehending a certain Indian Man, known & called by the name of Esq<sup>r</sup> Tom, who by confession of the Indians and many other pregnant proofes is said to have been a Principall actor in the late horrid & barbarous assassination, comitted in Stafford County, on one William Wiggentons wife & three Children in his Maj<sup>tys</sup> Colony in Virginia, and who hath absconded & fledd from Iustices there. And forasmuch as I am since informed that notwithstanding such my Proclamation he hath been publickly seen & discoursed by some persons in Charles County, who omitted their duty in the prœmises, I do hereby in his Maj<sup>tys</sup> name (by & with the advice & consent of his Maj<sup>tys</sup> Hono<sup>ble</sup> Councill) will & require as also strictly charge & Comand all officers Civill & Millitary and all other his Maj<sup>tys</sup> loving Subjects within this Province to make diligent pursuit and inquiry after the said Indian; strictly prohibiting all persons whatsoever from any waies  
 p. 559 aiding sheltering or assisting him the said Esq<sup>r</sup> Tom (under the severest penalties) but that on the contrary they seize apprehend & take into custody the s<sup>d</sup> Indian Esq<sup>r</sup> Tom, either alive or dead, if any resistance, and him putt under safe and secure Guard till he be convey'd & deliver'd to Cap<sup>t</sup> George Mason his Maj<sup>tys</sup> Comand<sup>r</sup> in Chiefe of Stafford County aforesaid of whom they are required to take receipt for the same Indian; Of w<sup>ch</sup> all persons are to take due notice & give all diligent assistance, at their utmost perill. And for a reward thereof & expedition therein I do assure the party or parties, who shall seize & take the said Esq<sup>r</sup> Tom and deliver him as aforesaid Tenn pounds Sterll. Given at the Town & Port of Annapolis under the Broad Seale of the Province this 18<sup>th</sup> day of October in the 9<sup>th</sup> year of the Reign of our Sovereign Lord King William the third &<sup>ca</sup> Anoq Domini 1697.

The same came Reported as follows Viz<sup>t</sup>

May it please yo<sup>r</sup> Ex<sup>ncy</sup>

We have considered the case of M<sup>r</sup> Jones and are of opinion as follows.

1<sup>st</sup> That the intent of th<sup>t</sup> Act for Imposition of Tenn p Cent (as by the preamble appears) was only to lay hold of Goods that were transported in & out of this Province for Sale & Traffick, but not such as were for domestick and Personall use &<sup>ca</sup>

2<sup>d</sup> That it appears by Major Thompsons Information that the greatest part of those goods he has seen & that they are only the necessary & usefull goods of his personall & Domestick use & the implements of his trade.

Therefore upon the whole matter we are of opinion th<sup>t</sup> the said Goods are not lyable to the Tenn p Cent, either by the Letter or reasonable intent or construction of the said Act w<sup>ch</sup> is humbly submitted by

Read a Petition of one Kympton Mabbot for remittance of a forfeited Cognizance of his being cast into Prison by John Edmondson, whereby he is brought into a very low condition, and unable to right himselfe, being much injured and wrong'd by the s<sup>d</sup> Edmondson; therefore humbly prayes Councill may be assign'd him, and that he may be admitted in formâ pauperis

Ordered that the said Petition be referred to Geo: Plater Esq<sup>r</sup> as the Kings Receiver as to the ffine and to the Kings Lawyers for their advice, as to the other matter in Law.

Pursuant to sumons yesterday the severall Gentlemen appointed Mett his Ex<sup>ncy</sup> & Councill this day at the State house to consult about Indian Affairs. George Plater Esq<sup>r</sup> Maj<sup>r</sup> Will<sup>m</sup> Dent, and M<sup>r</sup> Rob<sup>t</sup> Goulesborough his Maj<sup>ties</sup> Counsell at Law came likewise.

His Ex<sup>ncy</sup> is pleased to tell them to the effect following Viz<sup>t</sup>

That the occation of Calling them together at this time was about the late murther committed (by Indians) at the Garrison upon Potomock; but whether it might be advisable to break out into a Warr with them or not, he could not yett determine.

That he considered the calling of an Assembly upon this occasion could not so well be done now, by reason of the Winter Season, coming on & that an Assembly could not possibly be gott together under forty dayes time, besides the great charge which thereon would necessarily accrue; having no other business at present inductive to call them. But is in hopes that such methods may be found out (upon the mature consultation of the Gentlemen now present) as may secure this his Majes<sup>tes</sup> Province from the assaults & attempts of any

Lib. H. D. Indian Enemies, till such time as an Assembly for other matters may be conveniently called together, being not willing to putt the Countrey to more charge then needs must; Therefore took this method of having the concurrent advice of the Iustices of the Provinciaall Court, the Grand Inquest for the boddy of this Province, the Gentlemen that went upon the Indian treaty, and those appointed by the Gen<sup>l</sup> Assembly of this Province for laying the Publick Leavy; whereby as neer as possible (without an Assembly were called) the sense of the whole Countrey will be had.

Whereupon his Ex<sup>ncy</sup> is pleased to propose that for security of the ffrontiers of this Province against Invasion of Indians or the like there be chosen out of the Six Counties of the Western Shore, two hundred men such as can be best spared, in Ord<sup>r</sup> to be allwaies in a readiness upon any warning to Rendezvous at such place or places as shall be directed, where all necessary Arms &<sup>ca</sup> are to be lodged ready to fitt & Equipp them out for service, and that each person appointed find himsef a good horse; And that the Publick Armes be well fitted for that purpose & lodged accordingly; And th<sup>t</sup> the frontiers of Potomock be assisted by 100: of the said Men to be raised out of S<sup>t</sup> Maries, Charles, and Prince Georges Counties, upon any occasion or commotion of Indians And that the Garrison & ffrontiers of Baltimore County be assisted by 100 men to be appointed & raised out of Ann Arrundell, Calvert, and Baltimore, County afores<sup>d</sup>, but that none of the aforementioned Men be kept in service; unless upon Invasion or Commotion of Indians &<sup>ca</sup>

p. 562 That they Recommend some fitt persons for Officers to Comānd those men, who shall receive Comissions accordingly: but that none of the said men be taken out of the ffrontier Plantations.

That two hundred men be appointed in likemanner out of the five Counties on the Eastern Shore to be fitted & fixt with the Countrey arms &<sup>ca</sup> which are to be lodged in particular places whither they may know to repair and make their Rendezvouz. Officers to be recommended and Com-missionated as aforesaid.

That the men have all Horses and be accoutred accordingly.

That five men more be added to the Garrison, upon Potomock, and eight men & two Officers besides for defence of the ffrontiers in those parts.

That Smiths be Imprest & Overseers appointed to see that the Publick Armes are well fitted & fixt.

That there be two or three Boats provided & got ready to be kept in the most convenient places upon Potomock, for sending expresses or the like (upon any occasion) by water.

That there be boats provided in such other places as shall be thought necessary that may be ready to be had upon all occasions. Lib. H. D.

Proposed that one of his Maj<sup>ties</sup> Hono<sup>ble</sup> Councill & some other Intelligible person be sent to his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Virginia to acquaint him w<sup>th</sup> the disorders here happen'd upon Potomock and the fears the people thereabouts are in, by means of the Indians, and that his said Ex<sup>ncy</sup> be desired to send for the Emperor and some of his great men to know their intent, and that the said two Gentlemen have a Latitude given them to discourse them in presence of his said Ex<sup>ncy</sup> or other Gentlemen to be appointed for that purpose.

Read the first Articles of peace by the Emperor of Piscattoway entred into; as also the last before the whole Assembly by w<sup>ch</sup> it appears they have committed breach, of the same by deserting this Government &<sup>ca</sup> thought fitt that Copyes of the same be drawn forth & given, to the two Gentlemen th<sup>t</sup> are to go; Proposing the Hono<sup>ble</sup> Thom<sup>s</sup> Tench Esq<sup>r</sup> and Major Will<sup>m</sup> Dent for the persons to go upon this affair, who are well approved off.

The said Esq<sup>r</sup> Tench humbly moves to be excus'd from negotiating that affair, using severall arguments and giving divers reasons for the same, but would not be admitted.

Proposed that his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros be desired to appoint some Gentlemen of that Government who may go with the said Esq<sup>r</sup> Tench and Major Dent to some convenient place whither they may send for the Emperor & some of his great men to discourse and acquaint them that if any of the Indians belonging to the said Emperor should do any mischiefe in Maryland, they should be surrendered up to Iustice and not protected & sheltered there.

That Cap<sup>t</sup> Phillip Hoskins and M<sup>r</sup> Will<sup>m</sup> Hatton be joyned with them therein, if in case his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros do agree to send some Gentlemen &<sup>ca</sup> and that Henry Moor be Interpreter to go with them.

That it be signified to his said Ex<sup>ncy</sup> how that we are informed the Piscattoway Indians have strange notions in their heads that the Marylanders wanted to draw them back only to destroy and kill them, and that if they did any mischief in Maryland, they should be protected In Virginia as long as they lived there.

That it is reported the Virginia Rangers make frequent Alarms in the night by hollowing & firing of Gunns, without any occasion; Therefore proposed that his said Ex<sup>ncy</sup> be desired that the Rangers may agree upon the Alarm & not keep hollowing and firing of Gunns in the night. p. 563

That his said Ex<sup>ncy</sup> be addressed to appoint the said Rangers

Lib. H. D. to keep Garrison at M<sup>r</sup> Ousleys Plantation in Stafford County or some where thereabouts convenient, whereby the Rangers on this side Potomock may easily have communication with them.

This his said Ex<sup>ncy</sup> be desired to give Instructions to the Comand<sup>r</sup> in Chief of Stafford County and to the aforesaid Rangers to hold a frequent correspondence with the Hono<sup>ble</sup> Coll John: Addison and the Rangers on this side; they having already Instructions to do the like from hence thither.

That a number of Men out of each Province be by consent appointed to go out in the Spring of the year to find out the mountain Indians that are said to be beyond the Piscattowayes, where they are now seated.

That the Gentlemen and Cap<sup>t</sup> Hanstilman appointed to go to the Indians at the head of the Bay by an Ord<sup>r</sup> of the last Assembly be put in mind thereof to see the said Ord<sup>r</sup> executed and complied with, understanding nothing has been done therein as yett; And that they acquaint the Shevanor Indians his Ex<sup>ncy</sup> never rec<sup>d</sup> those presents said to be sent by Coll Herman.

That a former Ord<sup>r</sup> about laying out the Land for the Choptanck Indians be renewed and complied with, understanding that Major Smithson the Surveyor appointed had (through sickness) been the occasion of its not being yet done.

His Ex<sup>ncy</sup> is pleased to say that the Nanticoke Indians are likewise desirous to have their land runn out, but that Coll Hutchins who is best knowing in that affair is not yet come.

Ordered that a Com<sup>it</sup>tee be appointed to consult & consider of the foregoing severall proposalls and matters and to draw from thence such conclusions, by them to be putt in such method and forme as they shall think fitt to be laid before his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros his Maj<sup>ty</sup>s Govern<sup>r</sup> of Virginia and the Piscattoway Indians; the approbation of all the Gentlemen now mett being therein first had and obtain'd.

Whereupon the following Gentlemen were nominated and appointed of the said Com<sup>it</sup>tee Viz<sup>t</sup> The Hono<sup>ble</sup> S<sup>r</sup> Thomas Laurence Baron<sup>tt</sup> Sec<sup>ry</sup> Coll Geo: Robotham, Thom<sup>s</sup> Tench Esq<sup>r</sup> and Coll John: Addison Members of his Maj<sup>ties</sup> Hono<sup>ble</sup> Councill, Cap<sup>t</sup> Phillip Hoskins, M<sup>r</sup> John Polland M<sup>r</sup> ffrancis: Jenkin and M<sup>r</sup> Will<sup>m</sup> Hatton Iustices of the Provinciaall Court M<sup>r</sup> Thom<sup>s</sup> Sprigg Iun<sup>r</sup> M<sup>r</sup> In<sup>o</sup> Watkins Cap<sup>t</sup> Henry Hardy, M<sup>r</sup> Thomas Brown, M<sup>r</sup> Thom<sup>o</sup> Jones M<sup>r</sup> Mich<sup>l</sup> Holland, M<sup>r</sup> Thomas Taylor, M<sup>r</sup> John Hazlewood Gentl of the Grand Jury. They proceed to choose a President over the said Committee p. 567  
and do choose the Hono<sup>ble</sup> S<sup>r</sup> Thomas Laurence Barron<sup>th</sup>  
Sec<sup>ry</sup> for their President.

Then they begin to debate upon & enquire into the  
severall matters and proposalls (this day offer'd) concerning  
the Indians, and after a deliberate consultation therein had,  
do Ord<sup>r</sup> the following Entry Viz<sup>t</sup>

This Committee having taken into serious consideration the  
severall Letters, depositions and proceedings this day pro-  
duced and read, in relation to some murthers and other  
Insolencies and Violencyes lately committed by Indians  
within this his Maj<sup>ties</sup> Province of Maryland, and in particular  
reflecting upon his Ex<sup>ncys</sup> Letter last Iune sent to his Ex<sup>ncy</sup> the  
Govern<sup>r</sup> of Virginia with the Acco<sup>t</sup> of what the Assembly had  
then done and transacted in Ord<sup>r</sup> to makeing a treaty with  
the Piscattoway Indians who for no cause or Reason had  
deserted this Province contrary to the Articles of Peace; this  
day Read, together w<sup>th</sup> the return of the proceedings of the  
Gentlemen that went upon that treaty. All w<sup>ch</sup> being ma-  
turely debated & the proceedings of his Ex<sup>ncy</sup> & Assembly in  
th<sup>t</sup> affair well approved off by this Committee; they, upon  
these fresh & further disturbances and Commotions since  
happening & suspected to be done by Indians; and consider-  
ing how unfitt the present militia of the Countrey (as now  
constituted) is for the defence thereof, w<sup>ch</sup> th<sup>t</sup> it may be taken  
care off at the least charge to the people and without the  
necessity of calling an Assembly w<sup>ch</sup> cannot suddenly be gott  
together without great charge. (besides the inconvenience of  
meeting this Winter time) do agree and conclude in the first  
place to consult of the best means & way of securing and  
strengthen<sup>g</sup> the Garrison at Potomock & the ffrontiers thereof  
(they being so weak and Generally seated only with single  
hands) by a suitable & fitting supply of Men; and they are  
of Opinion th<sup>t</sup> an addition of five men to the Rangers of  
the s<sup>d</sup> Garrison, and eight men & two officers (to be  
Ordered as his Ex<sup>ncy</sup> thinks fitt for defence of the ffrontier  
Plantations there) may be sufficient for them, in those parts;  
as has been proposed; And do further agree that it will be  
highly necessary for the further strengthening of the ffrontiers  
on the Westernne shore to choose 200 men out of the six  
Counties on the Westernne shore aforesaid; such as can be  
best spared (allwaies provided that none of the said men be  
taken out of the ffrontier Plantations) who may be ready

Lib. H. D. upon any warning to be putt in a Warlike posture of defence, in manner following, Viz<sup>t</sup>

That the Counties of S<sup>t</sup> Maries, Charles and Prince Georges furnish out and raise 100 men; who may be ready upon all occasions to assist and strengthen the ffrontiers of Potomock. And that the Counties of Ann Arrundell, Calvert and Baltimore do in like manner furnish and raise 100 men more, who may be ready upon all occasions to assist and strengthen the ffrontiers of Baltimore County aforesaid:

That the said Men & horses be chosen, and approved off by the field officers of the said respective Counties.

That a particular place be assigned in each County, whereof the said men may have notice to repair thither to Rendevouz, and th<sup>t</sup> care be taken to have lodged in those places such a quantity of Publick Armes & ammunition (to be well fixt & fitted) as will well accoutre the said Men in all  
 p. 568 points. And to the end the s<sup>d</sup> 200 men may be proportionably chosen according to the number of Taxables in each of the said Counties they do think that Ann Arrundell County may raise forty five of the said men, Calvert County forty Baltimore County fifteen, S<sup>t</sup> Maryes County forty Charles County forty and Prince Georges County twenty. They do further agree that it will be likewise necessary that a like number of men be in like manner raised & chosen by the field Officers on the five Counties on the Eastern Shoare who may be ready upon any occasion or warning to strengthen the ffrontiers on that side the Bay. And th<sup>t</sup> places be assigned also for their Rendevouz and the publick arms well fitted & fixt for that purpose and lodged together with a Suitable quantity of amunition in manner afore expressed. That Cæcill County raise thirty of the said men, Kent County Thirty, Talbott County fifty seaven, Dorchester County thirty and Somersett County fifty three. That the rest of the Militia put themselves in what posture of defence they can; and th<sup>t</sup> Smiths be imprest & Overseers appointed in each County to see that all the Publick armes be well fitted & ffixt up. It being late in the night, this Co<sup>m</sup>ittee leaves all other matters & proposalls to be considered off to morrow morning Eight a Clock unto the House of the Hono<sup>ble</sup> S<sup>r</sup> Thom<sup>s</sup> Laurence Sec<sup>ry</sup>.

Octob<sup>r</sup> 16<sup>th</sup> 1697.

The Co<sup>m</sup>ittee according to adjournment again mett and were called Over, and were absent, M<sup>r</sup> Watkins, M<sup>r</sup> Holland, and M<sup>r</sup> Taylor.

Then was read over what was done yesterday.

This Committee do think it necessary that there be one good Lib. H. D.  
and Substantial boat provided, to be kept towards the head of  
Potomock by some carefull person, as his Ex<sup>ncy</sup> shall think fitt,  
such a one as will carry a couple of horses over the River &  
may be Rowed & Sayled, and do desire that his Ex<sup>ncy</sup> will  
please to give Orders for the same.

That they think it to be necessary for his Maj<sup>ties</sup> service &  
safety of this Countrey that his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros his  
Maj<sup>ties</sup> Govern<sup>r</sup> of Virginia be sent to and acquainted with the  
circumstances of the late Murther and other matters relating  
to the said Indian affairs; And forasmuch as the said late  
Murther hath been committed by Indians unknown to Vs.  
That his said Ex<sup>ncy</sup> be desired to cause inquiry to be made  
after the said Murtherers as it hath lately been done in this  
Government for the seizing & apprehending an Indian called  
Esq<sup>r</sup> Tom that fledd to this Province from the hands of Iustice  
in Virginia.

And likewise that his said Ex<sup>ncy</sup> the Govern<sup>r</sup> of Virginia be  
desired to give Orders to the Rangers upon the frontiers, for  
to settle themselves somewheare near the falls for the better  
intercourse to be had betwixt them & the Maryland Rangers  
for the mutuall defence of each Government.

And whereas it is reported the Indians are possessed with  
ill notions, that for any misdemeanors committed here they  
are not to be punisht for the same in Virgin<sup>a</sup>, therefore do  
desire that his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Virginia will be pleased to  
make them sensible to the Contrary.

That his Ex<sup>ncy</sup> be likewise desired to prohibit the Inhabi-  
tants under under his Government from selling to the said  
Indians any more powder or Ball, and th<sup>t</sup> the like shall be  
done here; they having carryed away w<sup>th</sup> them out of this  
Government & purchased since, a considerable quantity of  
both by their own saying. That by Information the s<sup>d</sup> Indians  
formerly have not made use off and purchased a thousand  
weight of powder a year.

That his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Virginia be likewise desired p. 569  
to appoint and send some Gentlemen to meet in Stafford  
County or elsewhere and call the Piscattoway Indians before  
them in Ord<sup>r</sup> to discourse them in presence of some persons  
to be sent out of Maryland as well to informe the Indians the  
Resolution of that Government not to protect them, as also  
for the Gentlemen of Maryland to make proposalls to them.

This Committee do desire that his Ex<sup>ncy</sup> would be pleased  
to cause to be putt in Execution a former Order passed last  
assembly appointing severall persons to treat w<sup>th</sup> the Indians  
at the head of the head of the Bay and that some person may  
be appointed in the Roome of M<sup>r</sup> Boothby who is sick; and

Lib. H. D. that the Gentlemen that go out of Cæcill County acquaint the Shevanor Indians how that his Ex<sup>ncy</sup> never rec<sup>d</sup> those presents said to be sent by Coll Herman.

They do also think it convenient that two former Ord<sup>rs</sup> about laying out the Land for the Choptanck Indians may be renewed & comply'd with, w<sup>ch</sup> (through sickness of Major Smithson the Surveyor) is represented not yet to be done. About laying out land for the Nanticoke Indians, this Committee do humbly leave it to further consideration.

This Com<sup>it</sup>tee taking into consideration the great care and trouble th<sup>t</sup> his Ex<sup>ncy</sup> our Govern<sup>r</sup> has taken for promoting the Kings Hono<sup>r</sup> and preservation of his Maj<sup>ties</sup> Province of Maryland, do humbly return their heartiest Thanks and acknowledgments and do further request him to represent to the Right Hono<sup>ble</sup> the Lords of the Councill for Trade and fforreign Plantations the present condition of this Province so dangerous and chargeable to the Inhabitants thereof upon these bloody attempts and further apprehended designs of the Indians, and that upon these considerations his Ex<sup>ncy</sup> & Councill will be pleased to request of their Lordships to move his Sacred Majesty to discharge them from further contributing towards the assistance of New Yorke; The charge & burthen of their own defence (upon these alarmes) lying so heavy upon them.

Lastly all this is humbly submitted to his Ex<sup>ncys</sup> better Iudgment and that of the next Gen<sup>l</sup> meeting of the Hono<sup>ble</sup> his May<sup>ties</sup> Councill & Iustices of the Provincia<sup>l</sup> Court &<sup>ca</sup>

Signed p Ord<sup>r</sup>

Hen<sup>r</sup> Denton Clk of the Com<sup>it</sup>tee

The said returne is approved off; only it is observed that some of the proposalls are not fully answer'd; Viz<sup>t</sup> That of desiring his Ex<sup>ncy</sup> to Order the Rangers to keep frequent correspondence w<sup>th</sup> the Maryland Rangers &<sup>ca</sup> to agree upon the alarm; and th<sup>t</sup> of giving a Latitude to the Gentlemen th<sup>t</sup> go, for to discourse any other matters as they shall think fit for his Maj<sup>ties</sup> Service &<sup>ca</sup> All w<sup>ch</sup> with some other matters being agreed upon; the severall particulars relating to that affair (concluded to be sent w<sup>th</sup> the Gentlemen appointed to go to Virginia) were by Ord<sup>r</sup> drawn up in manner following. Viz<sup>t</sup>

At a meeting & consultation held about Indian Affairs at the new State house, at the town and Port of Annapolis In his Maj<sup>ties</sup> Province of Maryland the 15<sup>th</sup> day of Octob<sup>r</sup> Anno<sup>o</sup> 1697. By his Ex<sup>ncy</sup> Fran<sup>s</sup>: Nicholson Esq<sup>r</sup> Cap<sup>t</sup> Gen<sup>l</sup> and Govern<sup>r</sup> in Chief of his Maj<sup>ties</sup> s<sup>d</sup> Province and the Gentlemen of his Maj<sup>ties</sup> Hono<sup>ble</sup> Councill, together w<sup>th</sup> the Hono<sup>rd</sup> the

Iustices and Grand Iury of the Provinciaall Court, the Com- Lib. H. D.  
mittee for laying the Publick leavy and the Gentlemen that p. 570  
went upon the Indian treaty, being called to their assistance;  
where after having deliberately & maturely weighed and  
considered the severall matters relating to that concern; they  
(among other things) agree and resolve upon the following  
heads of discourse to be offer'd and laid before his Ex<sup>ncy</sup> S<sup>r</sup>  
Edmund Andros His Maj<sup>ties</sup> Gover<sup>r</sup> of Virginia Viz<sup>t</sup>

1<sup>st</sup> That they think it to be necessary for his Maj<sup>ties</sup> service  
and safety of his Countrey that his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros  
his Maj<sup>ties</sup> Govern<sup>r</sup> of Virginia be sent to and acquainted with  
the Circumstances of the last Murther and other mattres  
relating to the Indian affairs; And forasmuch as the said late  
murther hath been committed by Indians (unknown to us)  
That his said Ex<sup>ncy</sup> be desired to cause inquiry to be made  
after the s<sup>d</sup> Murtherers as it hath lately been done in this  
Government for the seizing and apprehending an Indian  
called Esq<sup>r</sup> Tom, that fledd to this Province from the hands  
of Iustice in Virginia.

2<sup>ndly</sup> That whereas it is reported the Indians are possessed  
w<sup>th</sup> ill notions th<sup>t</sup> for any misdemeanors com<sup>mitted</sup> here they are  
not to be punisht for the same in Virginia Therefore do  
desire that his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Virgin<sup>a</sup> will be pleased  
to make them sensible to the contrary.

3<sup>dly</sup> That his said Ex<sup>ncy</sup> be likewise desired to prohibit the  
Inhabitants under his Government from selling to the said  
Indians any more powder or ball, and the like shall be done  
here; they having carryed away with th<sup>m</sup> out of this Govern-  
ment, & purchased since, a considerable quantity of both, by  
their own saying.

That by information the said Indians formerly have not  
made use off & purchased a thousand weight of powder a  
year.

4<sup>thly</sup> That his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Virginia be likewise  
desired to appoint and send some Gentlemen to meet in  
Stafford County or elsewhere and call the Piscattoway Indians  
before them, in Ord<sup>r</sup> to discourse them in presence of some  
persons to be sent out of Maryland as well to inform the  
Indians the resolution of that Government not to protect  
them, as also for the Gentlemen of Maryland to make prop-  
osalls to th<sup>m</sup>

5<sup>thly</sup> That the Govern<sup>r</sup> of Virginia be desired to send some  
persons up to the Piscattoway ffort in Virginia to see whether  
they have any strange Indians among them, and what num-  
ber there may be off them, & whether they have dispersed  
themselves about a hunting, according to their usuall cus-  
tome; being apprehensive th<sup>t</sup> the said Indians living so remote

Lib. H. D. from the Inhabitants may have French Jesuits or Priests or other French men among them.

6<sup>thly</sup> That if his s<sup>d</sup> Ex<sup>ncy</sup> the Govern<sup>r</sup> does consent to send some Gentlemen to meet in Stafford County or elsewhere to discourse the Piscattoway Indians, that then the Hono<sup>ble</sup> Coll John Courts, Cap<sup>t</sup> Phillip Hoskins and M<sup>r</sup> Will<sup>m</sup> Hatton or the Major part of them go thither & be joynd to the Hono<sup>ble</sup> Thom<sup>s</sup> Tench Esq<sup>r</sup> and Major Will<sup>m</sup> Dent, w<sup>ch</sup> two last mention'd Gentlemen are the persons appointed to go with those Instructions to his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Virginia.

7<sup>thly</sup> It is agreed that the Gentlemen that go to Virginia acquaint the Indians at their meeting with them, that there being a Murther committed in Maryland, and taking them to be our friends, they may be desired (if possible) to find out the murtherers, for w<sup>ch</sup> they shall have a reward of fifty Match coats, if they detect & bring in the said Murtherers.

That they also be acquainted to make haste to returne for Maryland and that if they should be wanting of Corne, this Province will furnish them for their pay, and that they may resettle Piscattoway or Rock Creek w<sup>ch</sup> they think fitt.

p. 57<sup>1</sup> That the best way to convince this Government th<sup>t</sup> they are not the persons th<sup>t</sup> did the said Murther, will be by their speedy returne, and that they be told they may fully depend to have every thing was promised them comply'd with.

8<sup>thly</sup> That if his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros do not consent to send some Gentlemen as is requested that then the Messengers returne without any further proceeding.

9<sup>thly</sup> That his said Ex<sup>ncy</sup> be desired to settle the Rangers somewhere convenient towards the head of Potomock, and that he would be pleased to give instructions to the Com<sup>mander</sup> in Chief of Stafford County and to his Rangers to hold a frequent correspondence w<sup>th</sup> the Hono<sup>ble</sup> Coll In<sup>o</sup> Addison and the Rangers on this side, They having already Instructions to do the like from hence thither.

10<sup>th</sup> That his s<sup>d</sup> Ex<sup>ncy</sup> be desired that the Rangers may agree upon the Alarm, and that they may not keep hollowing & firing of Gunns in the night.

Lastly it is thought convenient that the Gentlemen appointed to go to his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros in Virginia be generally left at liberty to discourse any other matters to his s<sup>d</sup> Ex<sup>ncy</sup> or Indians as they shall Iudge requisite for his Maj<sup>ties</sup> service and good of this Countrey.

Then was the fowing Letter writt in Order to be delivered to his s<sup>d</sup> Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros his Maj<sup>ties</sup> Govern<sup>r</sup> of Virginia, Viz<sup>t</sup>

Maryland Port of Annapolis Octob<sup>r</sup> 16<sup>th</sup> 1697. Lib. H. D.

S<sup>r</sup>

I write to y<sup>or</sup> Ex<sup>ncy</sup> of the 24<sup>th</sup> of June and inclosed is a Copy thereof. This is by the Hono<sup>ble</sup> Thomas Tench Esq<sup>r</sup> one of his Maj<sup>ties</sup> Councill & Major Will<sup>m</sup> Dent who are to wait upon your Ex<sup>ncy</sup> from his Maj<sup>ties</sup> Hono<sup>ble</sup> Councill here and Govern<sup>r</sup> of Virgin<sup>a</sup>

Your humble Servant  
ffra: Nicholson.

Produced and read an Act appointing Rangers for the defence of this Province wherein is a clause empowering his Ex<sup>ncy</sup> the Govern<sup>r</sup> to leavy the Sum of Sixty thousand pounds of Tobacco upon occasion during the intervalls of Assembly &<sup>ca</sup> His Ex<sup>ncy</sup> proposes to the Gentlemen present whether or no they think it advisable that the said Sum should be leavyed this year, upon the ffoot the act directs; th<sup>t</sup> if in case there should be occasion thereof before an Assembly it may lay ready for the said uses, and if no such occasion, that then it may lay in the Sherriffs hands for the assembly to dispose thereof at their meeting as they think fitt; especially considering this is likely to be a good & plentiful year for tobb<sup>as</sup> and the leavy but small, being not above 43<sup>ls</sup> of tobb<sup>o</sup> p poll.

Whereupon after some consultation therein had it is unanimously agreed & thought convenient that the said Sume should be now leavyed by the Com<sup>mittee</sup> for laying the Publick leavy for The end & purpose afores<sup>d</sup> and is Ordered p. 572 accordingly.

Then produced an Act for raising a supply towards the defraying the publick charge of the Province.

His Ex<sup>ncy</sup> is pleased to Say that he is very desirous & willing all Publick dues should be discharged this year; and that if the Com<sup>mittee</sup> of acco<sup>ts</sup> shall find it of absolute necessity that there be Tobb<sup>o</sup> wanting for payment of any arrears, he will (upon their representation of the same to him) give his consent & Ord<sup>r</sup> to the Treasurers (who are directed to receive the severall sumes of tobb<sup>o</sup> from the Publick Officers) to lend so much Tobb<sup>o</sup> as shall be recd towards defraying such arrears, signifying that he has already given Ord<sup>rs</sup> to the Sherriffs for collecting the s<sup>d</sup> Publick tobacco where it will lay ready &<sup>ca</sup> which his Ex<sup>ncy</sup> hopes will discharge all matters and that if the same should not be wanting, that then it will lay ready against an Assembly for their disposall. Whereupon it is generally believed that it will be very necessary and convenient th<sup>t</sup> the said Tobacco be raised in Order to the paying of Arrears and defraying such publick charges as the s<sup>d</sup> Com<sup>mittee</sup> shall find of absolute necessity to be now com-

Lib. H. D. plyed with; who are Order'd to make inspection therinto & represent the same to his Ex<sup>ncy</sup> and Councill accordingly.

About the Nanticoke Indians. His Ex<sup>ncy</sup> is pleased to aske his Hono<sup>r</sup> Coll Hutchins, whether or no he can inform anything concerning the s<sup>d</sup> Indian being troublesome or anywaies disorderly, who says he is afraid they have some ill Intentions for that there are severall strange Indians amongst them more then used to be, and that their behaviour seems to be more sturdy than formerly & do forbear comeing among the inhabitants.

Ordered that according to a proposall this day agreed to, the severall persons appointed by Act of Assembly for deciding difference betwixt the English & Indians go once or twice a week & visit the said Indians & Inquire what strange Indians are among them, and in what posture they are, who are to be paid out of the Publick for their trouble therein; it being thought for his Majesties Service. And if anything extraordinary happens; that they immediately send his Ex<sup>ncy</sup> notice and give the Militia Officers an account thereof that they may prepare themselves in a readiness.

Vpon Representation, Ordered that the Co<sup>m</sup>miss<sup>rs</sup> of the respective County Courts and the Persons appointed for deciding differences betwixt the English & Indians take special care (during these disturbances & Commotions) to see the severall acts of Assembly of this Province, concerning selling Syder to the Indians and divulging false news be putt in strict execution & duly observed.

His Ex<sup>ncy</sup> is pleased to putt the question & know the opinion of the severall Gentlemen present, how & out of what Counties the fifteen men shall be raised that are to strengthen the Garrison and ffrontiers at Potomock. The Hono<sup>ble</sup> S<sup>r</sup> Thom<sup>s</sup> Laurence Baron<sup>tt</sup> Sec<sup>ry</sup> being sick sends and desires to be excused.

The Justices & Lawyers of the Provincia<sup>l</sup>l Court being summoned to appear at this Board, came accordingly.

His Excellency is pleased to tell them that he has observed in the Courts of this Province that they commonly proceed to Judge upon matters, according to conscience & equity and not according to the Rules of Law; and that as the King has a Court of Equity here, the Courts of Law ought not to take upon them matters properly tryable in Chancery.

He is also please to tell the Chife Iustice that in giving his charge to the Iuries, he should direct them to find the matter of fact according to evidence and not (as usually they do) to consider the poverty of the Person, by thinking the party will be ruin'd if he looses the cause; and th<sup>t</sup> such a direction be given th<sup>t</sup> where there is matter of Law, they should then bring in a special verdict, and leave it to the Court.

Produced again & read the Report of the Kings Lawyers, in the case of James Cranford Attorney at Law, about dismissing him from his practice &<sup>ca</sup>

Lib. H. D. Whereupon his Ex<sup>ncy</sup> is pleased to tell them that (as according to the s<sup>d</sup> report) he does take and hold it to be the Kings Prerogative to approve what persons shall practice the Law. And that as the Law is an Hono<sup>ble</sup> profession, he would accordingly endeavour to make it so in this Province, and not suffer every Ignorant Person (upon a motion) to be presently a Practitioner, who are perhaps not capable to draw a Declaration; therefore does recommend that they would take care to admitt of none to plead in th<sup>t</sup> Court but what were by some Examination, found capable and approved off; and that he would see to give some such Orders to the severall County Courts to the same effect.

His Ex<sup>ncy</sup> is also pleased to Recommend th<sup>t</sup> a Gown be provided for the Chief Iustice to wear and that the severall Lawyers belonging to the said Court do provide themselves Gowns to plead in.

He is lastly pleased to observe to them, that he finds the severall Sherriffs of the Province do frequently come to the Provincial Courts, whereby they neglect the Duty of their Office and charge wherewith, they are intrusted: does therefore require them to consult & consider whether they can legally depart their County, during their Shrivaltry or invest any other person w<sup>th</sup> power sufficient to Act in their absence; and th<sup>t</sup> they returne their opinion, thereon to this Board accordingly with all convenient speed.

The said Gentlemen withdraw & repair to the Court house. Peter Jenings Esq<sup>r</sup> his Maj<sup>ties</sup> Collect<sup>r</sup> of Patuxent district & George Muschamp Esq<sup>r</sup> his Maj<sup>ties</sup> Collect<sup>r</sup> of Potomock district being sent for, came.

His Ex<sup>ncy</sup> is pleased to acquaint them how that he had considered of severall instructions, whereby the Collect<sup>rs</sup> & Navall Officers of this his May<sup>ties</sup> Province might guide and regulate themselves, as to entering and clearing of Shippes &<sup>ca</sup> w<sup>ch</sup> were accordingly dictated & writt forth in their presence, and are as follows Viz<sup>t</sup>

p. 579 Instructions for the Collectors and Navall Officers.

The Cocquetts are to be lodged w<sup>th</sup> his Maj<sup>tes</sup> Coll<sup>r</sup> because his Ex<sup>ncy</sup> supposes th<sup>t</sup> by the Instructions of the R<sup>tt</sup> Hono<sup>ble</sup> the Com<sup>miss</sup>rs of his Maj<sup>tes</sup> Customes they are to go on board every Shipp and Vessell after their arrivall, and likewise while they stay in the Countrey and after they have clear'd, because the Com<sup>miss</sup>rs have allowed th<sup>t</sup> Sallaryes to find them Boat & hands and in lieu of the halfe penny p<sup>l</sup>

That the Navall Officer be sure to certyfy to the Collec<sup>r</sup> that the Shipp or Vessells he first enters have done their duty; and that they are not to admit any Master to enter or clear w<sup>th</sup> them till they have Certificate from his Maj<sup>tes</sup> Collect<sup>r</sup>

Ordered that a new Comission of the Peace issue for that County w<sup>th</sup> a blank to be left for two names to be filled up as the said Esq<sup>r</sup> ffrisbey shall think fitt.

Ordered that the Sh<sup>ff</sup> of Baltimore County do (upon sight hereof) inquire after one Bartlet, who is represented to be a person Lunatick and of no settled perswasion; but hath been signified by one of his Maj<sup>tes</sup> Hono<sup>ble</sup> Councill, that he hath taken upon him preaching, and is accordingly admitted publickly to preach in one of the Parish Churches of the said

And that when the s<sup>d</sup> Sherriff has found out his place of residence he go to the next Iustice of the peace where the said Bartlett lives and inform himself about the truth of the premises, and take unto his Custody as well the Chief Vestryman of the Parish where he is admitted, as the P. 583 said Bartlett & accordingly send them to the Port of Annapolis to answer the premises before his Ex<sup>ncy</sup> the Govern<sup>r</sup> in Order to be dealt withall according to Law.

October the 19<sup>th</sup> 1697.

Came M<sup>r</sup> Charles Carroll and presented the following Letter by him rec<sup>d</sup> from M<sup>r</sup> Rob<sup>t</sup> Mason high Sherriff of S<sup>t</sup> Maryes County humbly desiring the result of this Board, as to the contents thereof; The s<sup>d</sup> Let<sup>r</sup> was by Order read as follows Viz<sup>t</sup>

M<sup>r</sup> Charles Carroll

S<sup>r</sup> I understand you have heard of the accident at Mattapanny of the Mans being kill'd there. The horse I seiz'd for the King but broake loose from my Plantation, and hear th<sup>t</sup> by yo<sup>r</sup> Order he is seiz'd since for my Lord; where the property lyes I know not; but I request you to be so kind as to go along w<sup>th</sup> M<sup>r</sup> Muschamp to his Ex<sup>ncy</sup> and discourse it with him, so that I may be clear from blame: pray S<sup>r</sup> think of this Business, for if any fault at my doore, you are sensible what a noise it will make.

My most humble Service to yo<sup>r</sup> selfe and Lady, I am S<sup>r</sup>  
Your very humble Servant.

October 9<sup>th</sup> 1697.

Rob<sup>t</sup> Mason.

Ordered that the above mentioned horse be kept where he is untill his Maj<sup>ties</sup> pleasure be further known, as to such matters.

Came Cap<sup>t</sup> Iohn Oldton, and Cap<sup>t</sup> Richard Brightwell Comand<sup>rs</sup> of the Rangers upon Potomock and Baltimore and presented the two following accounts of their Ranging Viz<sup>t</sup>

Whereas it has pleased the Govern<sup>r</sup> & Councill to demand of us Rangers in Baltimore County to give an account how our Road lyes from our Garrison to Deer Creek & Patapsco, w<sup>ch</sup> according to our best knowledge is thus, ffrom our Garrison to the North side of Deer Creek 40 Miles thus to Gunpowder main falls 12 miles, thence to the Litle falls eight miles thence to a branch of winters Runn eight miles thence to the North side of Deer Creek 12 miles, thence to the nearest Inhabitants sixteen miles.

ffrom our Garrison to Potapsco 20 miles, thus to Guins Lib. H. D. falls four miles, thence to a branch of the same falls four miles, thence to Potapsco main falls twelve miles, thence to the Inhabitants fourteen miles.

This is a description of our Road, w<sup>ch</sup> we were ordered to make and marke, which we have done.

We have Ranged & made discovery of all the Good Lands back of our Road and found a great many Indian Cabins & Tents where we marked Trees and sett up our names. We have observed to see the outside Plantations since so Ordered.

Pursuant to yo<sup>r</sup> Ex<sup>ncys</sup> Command for Returning an account of our Ranging; I do humbly certifie that according to your Ex<sup>ncys</sup> late Order for Ranging to the ffrontiers I have kept my men Ranging ever since to the ffrontier Plantations, and up and down the Eastern Branch towards the head of Patuxent to the ffrontiers there, and so back again, but have not mett with any Indians in all our Range; nor any thing worth noticing. And as to our out Ranger before the s<sup>d</sup> Order we kept constantly Ranging from our Garrison to the Sugar Lands w<sup>ch</sup> we compute to be about forty miles, being generally Stony Rocky land, near the River, all the way thither, and barrens backwards; but the Sugar Lands extraordinary rich p. 584 and continue so for severall miles backwards ffrom the Sugar Lands we range away towards the Eastward to Potapsco, w<sup>ch</sup> we compute to be about 50 Miles, and so from thence make strait away to the Garrison, w<sup>ch</sup> we compute to be betwixt Sixty and Seaventy miles, in w<sup>ch</sup> Range is generally good Land; but we have not met nor seen any Indians these twelve months except two back Indians that came to the ffoort; hard before M<sup>r</sup> Stodarts Negro boye was Murthered, who came Civilly into the ffort & were suffer'd to depart without any disturbance as for making any other discoveries, I know of none to give an acco<sup>t</sup> off; All w<sup>ch</sup> is humbly certified this 12<sup>th</sup> day of Octobr An<sup>o</sup> 1697.

by your Ex<sup>ncys</sup> obedient & faithfull  
humble Servant  
Richard Brightwell

The Hono<sup>ble</sup> Coll Nicholas Greenberry upon his motion that his Lady is sick was permitted to go home.

October the 20<sup>th</sup> 1697.

The Councill again sate and were present as before; The Honoble S<sup>r</sup> Thom<sup>s</sup> Laurence Baron<sup>tt</sup> Sec<sup>ry</sup> and Coll Nicholas Greenberry, being only absent.

His Ex<sup>ncy</sup> is pleased to propose to the Gentlem<sup>n</sup> of his

Lib. H. D. Maj<sup>ty</sup>s Hono<sup>ble</sup> Councill, that if in case his Ex<sup>ncy</sup> the Govern<sup>r</sup> of New Yorke or my Lord Bellamont should come in & send about assistance for men or money from this Government what answer should be given thereto; being willing to prevent calling a Councill together in the winter time; It being so difficult travelling and passing over the Bay. To w<sup>ch</sup> they returne for answer; that considering the great difficulty some of them have found in getting to this place at this time, the which will be much more hazardous and dangerous to them in the depth of Winter, do therefore wholly leave it to his Ex<sup>ncys</sup> Prudence to return such answer upon any such Message from New Yorke, as in his wisdom & Prudence he shall think fitt; being assured he will do nothing but what is for his Maj<sup>ties</sup> Service & good of the Countrey; and that withall do declare themselves to be of opinion, that this Province (through means of the severall disturbances and commotions by Indians and more dayly threaten'd) is altogether incapable of Affording any assistance to that Government seeing that for strengthening the ffrontiers thereof they have been forced to raise an Additional number of Rangers now in pay besides two hundred men on each side the Bay, to be in a readiness, which tis not known how soon they may be made use off.

Ordered that his Maj<sup>ties</sup> Lawyers prepare a warrant for the seizing & apprehending Amos Nicholls of Cœcill County, being informed against for severall notorious crimes and misdemeanors and that they leave a blanck for some person to be employed about the taking of him to be inserted by the Hono<sup>ble</sup> James ffrisbey Esq<sup>r</sup> and if taken, that he be carryed before the s<sup>d</sup> James ffrisbey Esq<sup>r</sup> In order that he may give Bond to appear before his Ex<sup>ncy</sup> in Councill the next time they shall be appointed to meet together to answer the premises.

A Warrant being accordingly prepared was read & approved off and signed by his Ex<sup>ncy</sup> and Ordered to pass the Broad Seale of the Province, w<sup>ch</sup> follows in these words Viz'

These are therefore in his Maj<sup>ties</sup> name to Authorize you

and also require you forthwith upon receipt hereof to take Lib. H. D.

such matters as on his Maj<sup>ties</sup> behalfe shall be objected against  
him; hereof faile not at your perill, & this shall be your

under the Broad Seale of the Province; the 2<sup>nd</sup> day of October  
in the ninth year of the Reign of our Sovereign Lord King  
William the third &<sup>ca</sup> Anno Domini 1697.

Came M<sup>r</sup> John LLewellyn formerly Clerk of the Comis-  
saries Office in the time of the late Coll Ne<sup>a</sup> Blackiston  
Comiss<sup>ry</sup> Gen<sup>tl</sup> dec<sup>d</sup> & delivered up unto Kenelm Chiseldyn  
Esq<sup>r</sup> present Comiss<sup>ry</sup> a certain Record Book & other papers  
belonging to that office before his Ex<sup>ncy</sup> in Council and made  
Oath upon the Holy Evangelist that he has formerly and now  
deliver'd up all Record Bookes, papers and writings, w<sup>ch</sup> at  
any time he had in his Custody belonging to the s<sup>d</sup> Office,  
according to the best of his remembrance and knowledge.

Ordered that Mada<sup>m</sup> Elizab<sup>th</sup> Rymer Adm<sup>x</sup> of Coll Ne<sup>a</sup>  
Blakiston cause diligent search to be made among her papers  
to see, whether any papers belonging to the Comissaries  
Office can be found among them, w<sup>ch</sup> are to be delivered up  
uppon Oath, unto Ken<sup>lm</sup> Cheseldyn Esq<sup>r</sup> present Comiss<sup>ry</sup>,  
before M<sup>r</sup> Rich<sup>d</sup> Cloud one of his Maj<sup>ties</sup> Iustices of S<sup>t</sup> Maries  
County Court; who is hereby accordingly empower'd to  
Admin<sup>r</sup> such oath Viz<sup>t</sup> That those are all the papers relating  
to th<sup>t</sup> affair that can be found at present; and th<sup>t</sup> if any other  
papers of th<sup>t</sup> nature do afterwards come to hand, she will  
deliver the same up accordingly.

M<sup>r</sup> James Cranford, together w<sup>th</sup> M<sup>r</sup> Comiss<sup>ry</sup> & his Clerk  
being summoned to answer to a certain complaint of M<sup>r</sup>  
George Linghan, in relation to his Administration upon M<sup>r</sup>  
Abington's Estate; came accordingly.

The said Cranford is asked to give some reason why he has  
not yet deliver'd up the Bookes, papers & debts belonging to  
the s<sup>d</sup> Estate unto the said Linghan the present Adm<sup>r</sup> who for  
answer says that he finds a mistake of an Article of Sixty  
thousand pounds of tobb<sup>o</sup> and that he endeavours to find out  
the mistake first.

His Ex<sup>ncy</sup> ord<sup>rs</sup> the Comiss<sup>ry</sup> not to deliver up M<sup>r</sup> Cranfords p. 586  
Security; and further demands of the said Cranford, why he

Lib. H. D. did not (during his having the Administration) make it his business to get the debts in. Who says that he never had anything of the said Estate to sue for, but the Mortgages; and that he is ready to deliver up what Books & papers he has relating to that Estate unto M<sup>r</sup> Commiss<sup>y</sup> or the present Adm<sup>r</sup> whensoever they shall require the same.

His Ex<sup>ncy</sup> is pleased to acquaint the Commiss<sup>y</sup> that the Office he now has in the New State house where his Records lye is appointed & Settled by Act of Assembly. Therefore does in his Majes<sup>tes</sup> name direct & Order him to accept of no Bookes, Records or papers whatsoever belonging to his Office, but what are actually deliver'd up in his Office aforementioned.

His Ex<sup>ncy</sup> is likewise pleased to observe to the s<sup>d</sup> M<sup>r</sup> Cranford, what devastation & waste he has brought upon the s<sup>d</sup> Estate, first by intangling of it in Law and Secondly by keeping the Bookes, Debts & papers all this while in his hands that the same could not be gott in, whereby severall of the Debtors by this time (its probable) are either dead or become insolvent, and the Plantations all ruin'd by his Sinister & selfe interested practises, who at first was only intended as Adm<sup>r</sup> in trust for another, w<sup>ch</sup> to his eternall Shame he had basely converted to his own ends, insomuch that the same is become a publick talke among the Merchants upon the Exchange of London to the Scandall of the whole Countrey and Government; but withall signified to him that he must not think to Scape clear of the matter so, but must expect to be called to a strict and severe account about all these matters, and that his Ex<sup>ncy</sup> was but just now a beginning with him.

October the 21<sup>st</sup> 1697.

It being thought convenient that the Hono<sup>ble</sup> Coll John Addison should repair to his County in Order to putting in Execution the severall Orders passed for strengthening the Garrison & ffrontiers in those parts. Copy of the s<sup>d</sup> Orders were delivered to him at the Board, who thereupon tooke leave and went.

It being represented that there were three Causes depending before his Ex<sup>ncy</sup> and Councill (constituted as a Court for hearing appeals and Writts of Error &<sup>ca</sup>) wherein the Hono<sup>ble</sup>

tryed this night, and th<sup>t</sup> the Attorneys on both sides concern'd have notice thereof accordingly.

S<sup>r</sup> Thomas Laurence came and is added.

Produced & read an Oath drawn up by his Maj<sup>ties</sup> Lawyers to be taken by his Ex<sup>ncy</sup> the Govern<sup>r</sup> and his Maj<sup>ties</sup> Hono<sup>ble</sup> Councill as Iudges of his Maj<sup>ties</sup> most Hono<sup>ble</sup> Court of Appeals and writts of Error. So help you God.

Ordered that notice be given to the respective Counties that it was his Ex<sup>ncys</sup> intent to have seen the severall Troops & Companies this fall; but the Court comeing on & this disturbance of Indians happening, he could not gett time, but intends (God willing) this Winter or in the Spring at farthest

Lib. H. D. to view the severall Troops & Companies, Visit the Churches & inspect & see all the publick Roads; if no impediment happens. This coming as a caution, that all the Laws respecting those matters may be duly complied with.

His Ex<sup>ncy</sup> is pleased to say that this proving a very plentiful year both for Corn & Tobb<sup>o</sup> he design'd to have sett a part a day of publick thanksgiving for the same; but not hearing any thing out of England to know how things are there, he can't tell whether it may be so proper. But if please God it should so fall out th<sup>t</sup> there is good news from thence, he does designe (God willing) to sett a day apart.

p. 588 His Ex<sup>ncy</sup> representing to the Board how th<sup>t</sup> he understands M<sup>r</sup> Rob<sup>t</sup> Mason High Sherriff of S<sup>t</sup> Maries County holds private correspondence with M<sup>r</sup> John Cood in Virginia, notw<sup>th</sup>standing his Excellencies Proclamation to the contrary; is pleased to demand of the Kings Lawers (being present) what course is fitt to be taken, and whether by law he may not be taken into custody and his papers seiz'd, who do say th<sup>t</sup> it may be done by an Act of State, but not by any Law in matters of such a nature; whereupon the following Order issued Viz<sup>t</sup>

By his Ex<sup>ncy</sup> the Govern<sup>r</sup> & Councill Octob<sup>r</sup> 21<sup>st</sup> 1697.

Vpon Information Recd that M<sup>r</sup> Rob<sup>t</sup> Mason high Sherriff of S<sup>t</sup> Maries County holds private & Secret correspondence with M<sup>r</sup> John Cood & hath in his custody severall papers and debts of his to Receive; notwithstanding he is conscious of the severall proceedings issued against the s<sup>d</sup> Cood at the Suite of his Majesty both for Criminall & other matters, for the avoiding whereof the s<sup>d</sup> Cood removed himselfe from this his Majesties Province into his Majesties Colony of Virginia. Ordered thereupon that Geo: Muschamp Esq<sup>r</sup> Collect<sup>r</sup> & Receiver of his Maj<sup>ties</sup> Customes within the district of Potomock &<sup>ca</sup> do upon sight hereof immediately go to the said M<sup>r</sup> Masons house and there search & examine into all the Bookes, Writings, Letter & other papers remaining in the Custody of the s<sup>d</sup> M<sup>r</sup> Mason; and that such thereof as he finds belonging to or sent & writt from the said Cood to him, he the said Esq<sup>r</sup> Muschamp take the same into his custody and close seale them up in a bagg and secure them; and that he send an account of his proceedings herein, unto his Ex<sup>ncy</sup> at the Port of Annapolis, with all convenient speed; but keep the papers by him until further Order.

Produced and read a certain representation from the Iustices & Grand Iury of the Provincial Court as follows, Viz<sup>t</sup>

We of the Iury, having advice from all parts of this Province of his Ex<sup>ncy</sup>'s late Proclamation prohibiting any Provisions being exported to any place from this Province without calling at New England or Newfound Land &<sup>ca</sup> do humbly represent that altho we believe his Ex<sup>ncy</sup> sett forth the same upon just Grounds and for his Maj<sup>ties</sup> service, yet that the same if continued in force will redound to the great prejudice of his Maj<sup>ties</sup> good Subjects of this Province & to the aparent decay of Trade thereof in these particulars. p. 589

1<sup>st</sup> It will discourage and prevent those that are inclin'd to prosecute a Trade to Barbados or the Islands because Provisions is the only Comodity they can carry from hence, and unless they can carry them to the place design'd it will be in vain to attempt the Trade.

2 It will discourage those Traders that would come here to purchase Provisions for necessary & usefull manufactures who generally carry them from hence to the Islands for Sale,

Lib. II. D. being the most proper place ; for it will be in vain for them to come here to purchase for an Island Trade if they may not carry it there where they have it ; but they will rather take up in Virginia where we understand there is no such prohibition or Injunction, and so this Province by his Ex<sup>ncys</sup> Zeale for his Majesties service loose the Trade thereof to his Maj<sup>ties</sup> as well as his Subjects damage.

Lastly we are inform'd that Newfound Land is reduced to his Maj<sup>ties</sup> obedience, and thereby the occasion of that Proclamation, extinct, ffor w<sup>ch</sup> reason we present it to yo<sup>r</sup> Hono<sup>rs</sup> desiring you to joine with us in presenting the same to his Ex<sup>ncy</sup> the Govern<sup>r</sup> desiring that the s<sup>d</sup> Proclamation may be disannulled & sett aside.

Ordered thereon (considering advice is lately rec<sup>d</sup> by severall L<sup>rs</sup> from New England how that th<sup>t</sup> Province (God be thanked) has had a plentiful harvest this year and that Newfound Land has rece<sup>d</sup> supplies of Provision from New Yorke and parts) that Proclamation issue according to the request in the s<sup>d</sup> Representation set forth, But that it be exprest therein how that (for his Maj<sup>ties</sup> service) his Ex<sup>ncy</sup> is pleased still to continue that part w<sup>ch</sup> gives Encouragement to persons that shall load & carry provisions to Newfoundland, provided they give Bond for performance thereof.

October the 23<sup>d</sup> 1697.

A Proclamation being accordingly prepared, was produced Read and approved off, and was signed and Sealed by his Ex<sup>ncy</sup> at the Board & passed the Broad Seale of the Provin ce the Teno<sup>r</sup> whereof follows in these words Viz<sup>t</sup>

By his Ex<sup>ncy</sup> the Cap<sup>t</sup> Gen<sup>l</sup>l &<sup>ca</sup> A Proclamation.  
Maryland ss.

Whereas by an Ord<sup>r</sup> of my selfe & Councill bearing date the 2<sup>nd</sup> day of Iuly last past, it was thought fitt for his Majesties service and the severall reasons therein assign<sup>d</sup> strictly  
p. 590 to Command that no Shipps or other Vessells trading within this his Maj<sup>ties</sup> Province of Maryland for any Provisions of wheat, Corn, Beefe, Porke or other Provisions whatsoever,

should be cleared to go, without giving Sufficient security to go with the same to Newfoundland (for Supply of his Maj<sup>ties</sup> Land and Sea forces there under the Com<sup>and</sup> of the R<sup>tt</sup> Hono<sup>ble</sup> Coll John Gibson) or to the R<sup>tt</sup> Hono<sup>ble</sup> Will<sup>m</sup> Stoughton Esq<sup>r</sup> Lieuten<sup>t</sup> Govern<sup>r</sup> and Com<sup>and</sup><sup>r</sup> in Chiefe of his Maj<sup>ties</sup> Province of the Massachusetts Bay in New England in Order to be sent thither &<sup>ca</sup> And forasmuch as it hath been represented unto me in Councill from the Hono<sup>rd</sup> his Maj<sup>ties</sup> Justices and the Grand Inquest for the body of this Province, how th<sup>t</sup> the s<sup>d</sup> Ord<sup>r</sup> proves very detrimentall to the Island Trade managed here, and for that (in the Neighbouring Colony of Virginia) there is no such prohibition, have for the same & other reasons requested that the s<sup>d</sup> Ord<sup>r</sup> may be disannulled and sett aside. I do, by advice of his Maj<sup>ties</sup> hono<sup>ble</sup> Council and upon the representation & request afores<sup>d</sup> made as also upon the Satisfaction of severall advices lately rec<sup>d</sup> from New England how that that Province has (God be thanked) had a Plentifull harvest this year, and th<sup>t</sup> Newfoundland has rec<sup>d</sup> supplies of Provision from New Yorke & those parts) think fitt to disannull & sett a side the s<sup>d</sup> Order so farr as the same restraines the clearing such Shippes and Vessells, and the same is hereby disannulled and sett a side accordingly. But for the Encouragement of all Masters and Owners of such Shippes & Vessells belonging to this Province or any other of his Majesties Governments as will undertake to purchase & load with Provisions here, giving security to go with the same to the end & purpose afores<sup>d</sup> I do (for his Maj<sup>ties</sup> service) hereby promise to pay all duties and Impositions payable upon Exportation of Beefe & Porke and give them my own dues and will also pay what fees are due to the Collectors & Navall Officers for entiring & clearing thereof who are hereby Ordered not to take any of those Impositions or fees but send the accounts of the same unto me, as by the s<sup>d</sup> former Order was directed. Lastly I do hereby Command the severall Sherriffs of the Province to publish this in all Churches Chapells & other publick places of meeting within their respective Counties and to give the Collectors and Navall Officers (where resident in their Balywick) immediate & speedy notice of the same; Given at the Town & Port of Annapolis under the Broad Seal of the Province this 22<sup>nd</sup> day of October in the ninth year of the Reign of our Sovereign Lord William the third &<sup>ca</sup> Annoq Dom 1697

To his Ex<sup>ncy</sup> ffrancis Nicholson Esq<sup>r</sup> Cap<sup>t</sup> Gen<sup>l</sup> & Govern<sup>r</sup> in Chief of his Maj<sup>ties</sup> Province of Maryland, and to his Maj<sup>ties</sup> hono<sup>ble</sup> Councill now sitting.

The Humble Petition of Henry Denton Clk.

Sheweth

p. 591 That he severall times addressed himselfe to the last Assembly for bettering his Sallary as Clerk to his Maj<sup>ties</sup> Hono<sup>ble</sup> Councill, being allowed only by the House the sum of 12000<sup>lbs</sup> of Tob<sup>o</sup> (the usual Sallary settled on the former Clerks in that Station) w<sup>ch</sup> they totally Rejected notwithstanding yo<sup>r</sup> Petitioner made them sensible of the vast differences betwixt the business of that time & now; besides the great charge of constantly supplying the Office w<sup>th</sup> Pen, Inke, wax & paper &<sup>ca</sup> and hiring Clerks.

That since Iune last it hath cost yo<sup>r</sup> Petitioner near nine pounds Sterll ready money in hireing Clerkes to expedite & his Maj<sup>ties</sup> & the Countreys business besides finding them accommodations whilst they writt, as p receipts hereunto annext may appear.

Geo: Plater Esq<sup>r</sup> his Maj<sup>ties</sup> Receiver of Patuxent district being present, is asked whether he has any pretension to that district & how the same has hitherto been managed; Who makes answer that no p<sup>r</sup>son being actually Commissionated to be Recei<sup>vr</sup> for th<sup>t</sup> district he took care to look after the same; but th<sup>t</sup> his Comission extends only to Patuxent district, therefore does think it proper for M<sup>r</sup> Muschamps care for the future, the same being formerly joyned to Potomock Ordered thereupon that the s<sup>d</sup> Esq<sup>r</sup> Muschamp doe for the future take care to receive his Maj<sup>ties</sup> dues accruing in th<sup>t</sup> district; and th<sup>t</sup> all persons concern'd render their accounts to him & yield all due obedience accordingly; he giving good Bond & security for his due discharge of th<sup>t</sup> trust

Produced & read a Return of Som<sup>r</sup>sett County Justices dated 15<sup>th</sup> of Septemb<sup>r</sup> last past in relation to a new Co<sup>m</sup>mission of the Peace sent to th<sup>t</sup> County, setting forth th<sup>t</sup> the same having been read in Court, and it falling so out that two of the Persons to whom the dedimus was directed; Viz<sup>t</sup> Leiu<sup>t</sup> Coll Jn<sup>o</sup> Winder & M<sup>r</sup> John Woolford lay in such weak condition that they could not attend the Court and th<sup>t</sup> M<sup>r</sup> Thom<sup>s</sup> Dixon a third person mentioned in the Dedimus was pressed upon & desired by the Court to attend the s<sup>d</sup> Coll Winder at his house, the Court before the s<sup>d</sup> Co<sup>m</sup>mission was read in Ord<sup>r</sup> to get sworn, pursuant to the s<sup>d</sup> Dedimus, but failing therein, the County seems at present to be without any Justices.

Octob<sup>r</sup> 13<sup>th</sup> 1697.

May it please y<sup>or</sup> Ex<sup>ncy</sup>

Ive considered the case of the Iustices of Som<sup>r</sup>sett County; My Opinion thereon is that by the Publick reading of the new Commission, the old one was determined, and they not swearing upon the s<sup>d</sup> Co<sup>m</sup>mission had not any power to make any adjournment & therefore all writts Process & Actions then depending were & are discontinued and cannot be restored by any other way than by an Act of Assembly.

That as to the Co<sup>m</sup>mission the best method will be to send it back with such alterations as to the names in the Dedimus as y<sup>or</sup> Ex<sup>ncy</sup> shall think meet to be executed in Novem<sup>r</sup> next being the time appointed by Act of Assembly to hold Courts.

That it may be proper for the future to let the Dedimus

Runn generally to the next Iustice (in case of Sickness or Lib. H. D. absence) throughout the whole Commission.

This is humbly submitted to y<sup>or</sup> Ex<sup>ncy</sup> by

P. 553

Your humble Serv<sup>t</sup>  
R Gouldesborough.

I am humbly of this opinion Viz<sup>t</sup>

1<sup>st</sup> That the Publication of the new Comission by reading it was not ipso facto a discharge of the old.

2<sup>d</sup> That the old Comission is in force till the Justices in the new have capacitated themselves by swearing to execute the same for the Comission by the Tenor thereof does not Empower them till that is done.

3<sup>d</sup> That therefore the old Comission is yet in full force & the Writts, Precepts & process continued in force.

4. But that it may be convenient & no wayes disagreeable to law to let the Dedimus run generally as is proposed.

which is humbly Submitted by

A Journall of a Journey from Nanjemý in Charles County Maryland to Iames Town in Virginia by Thom<sup>s</sup> Tench Esq<sup>r</sup> and William Dent being sent by his Ex<sup>ncy</sup> the Govern<sup>r</sup> & Councill of Maryland to his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros Govern<sup>r</sup> of Virginia on express about the Indians &<sup>ca</sup> 1697.

Tuesday 2<sup>nd</sup> of Novem<sup>r</sup> 1697.

About eight in the Morning we sett out from Will<sup>m</sup> Dents at Nanjemý and got our horses over Potomock & travelled to Whitings fferry on Rappahannock in Virginia & there lodged that night.

Wednesday 3<sup>d</sup> Novem<sup>r</sup> We passed Rappahannock fferry at Whitings and so to Yarboroughs fferry on the ffreshes Pomunkey River & there lodged that night.

Thursday 4<sup>th</sup> We passed Pomunkey fferry and that Evening came to Iames Towne, calling at Coll<sup>o</sup> Ludwells as we went, and because we understood that the Assembly was ended we sent Perry to his Ex<sup>ncy</sup> S<sup>r</sup> Edmunds house to give our service and an acco<sup>t</sup> of our arrival desiring to know when we might wait on his Ex<sup>ncy</sup> And Perry meeting us again & acquainting us that his Ex<sup>ncy</sup> was at home & ready to receive us, we immediately took horses and went to his house, delivered his Letter from his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Maryland w<sup>ch</sup> when read his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros desired to know what we had to Offer whereupon we perused our Instructions & gave his Ex<sup>ncy</sup> a Verball account of what we had given us in charge to w<sup>ch</sup> his Ex<sup>ncy</sup> reply'd that in regard it consisted of divers heads to which divers answers might be requisite; he desired if we thought fit that what we had to Say might be laid before him in Writing to prevent all mistakes, of w<sup>ch</sup> we desired time to consider, w<sup>ch</sup> was granted and after some time we took leave & returned to one Rawlins in Iames Towne our Lodgings, and we heard that that night his Ex<sup>ncy</sup> Sent to Coll Iennings to some of the Councill that were there, who the same day went from thence to Stopp them there till further Orders.

Fryday 5<sup>th</sup> of Novem<sup>r</sup> We went again to his Ex<sup>ncys</sup> house,

Lib. H. D. having first drawn the heads of our Instructions into Writing, as proposalls to lay before his Ex<sup>ncy</sup> w<sup>ch</sup> we presented to his Ex<sup>ncy</sup> who rec<sup>d</sup> & read the same & return'd for answer, that since the Matter had been so maturely considered on as was  
 p. 59<sup>8</sup> expressed he thought convenient to take some time to consider of suitable answers; We desired to know what time or methods his Ex<sup>ncy</sup> would take to consider and returne answer; to w<sup>ch</sup> his Ex<sup>ncy</sup> replied th<sup>t</sup> if we desired it he would instantly return such a verball answer as he could; but if we would stay longer he would endeavour to return an answer suitable to the concern in Writing, wherein he would endeavour not to be wanting in anything; to w<sup>ch</sup> we replied it was not our intent or desire to straiten his Ex<sup>ncy</sup> in point of time, but that it was our business & we would waite on his Ex<sup>ncy</sup> till he should please to say he had no other answer to give us; Not but that if his Ex<sup>ncy</sup> would give us a verball answer & Sah that he had no further answer to give, we would returne wity that & returne it as well as we could. His Ex<sup>ncy</sup> replied, he would advise & return a suitable answer, for w<sup>ch</sup> we thanked his Ex<sup>ncy</sup> stayed there, dined and at night return'd to Iames Town. Coll<sup>o</sup> Bird was present during the above Communication, and the Copy of the proposalls is hereunto annexed.

Saturday 6<sup>th</sup> Novem<sup>r</sup> We stay'd in Iames Town and understood that his Ex<sup>ncy</sup> had appointed a Councill to meet at Iames Towne on Tuesday following.

Sunday 7<sup>th</sup> His Ex<sup>ncy</sup> Invited us to dinner. After Sermon we went, and his Ex<sup>ncy</sup> after dinner came back with us to Evening Sermon.

Munday 8<sup>th</sup> Novem<sup>r</sup> His Ex<sup>ncy</sup> lent us two horses & men, and we went to see the Colledge and return'd at night.

Tuesday 9<sup>th</sup> Novem<sup>r</sup> We dined in the Hall at Iames Towne, with the Govern<sup>r</sup> and Councill, to wit, Coll Lee, Coll<sup>o</sup> Bird Coll<sup>o</sup> Ienings, Coll<sup>o</sup> Hill, M<sup>r</sup> Tench being taken very ill at Table was constrained to depart to his Lodgings and to bedd. After Dinner, his Ex<sup>ncy</sup> sent M<sup>r</sup> Sherlock the Clerk of the Councill to us, that the Govern<sup>r</sup> and Councill were ready to see us, but by reason of the indisposition afores<sup>d</sup>. We were not both able to attend and therefore sent word, we desired till next day, and it was granted.

Wednesday 10<sup>th</sup> Novem<sup>r</sup> We again dined w<sup>th</sup> the Govern<sup>r</sup> & Councill in the Hall; and after dinner the Govern<sup>r</sup> & Councill sate and sent the Clerk again to us, and we attended where Chaires being sett for us after we were sett downe, His Ex<sup>ncy</sup> was pleased to say that he had laid our proposalls before the Gentlemen of the Council, w<sup>ch</sup> he had caused to come there to consult thereon; was sorry that the other Gentlemen of the Councill were not there, to whome he had also sent;

but most of Them had sent the reason of their not coming, Lib. H. D.  
and desired to know if we had anything further to Offer; to  
which we return'd answer, that we were to give his Ex<sup>ncy</sup> and  
that Hono<sup>ble</sup> Board an Acco<sup>t</sup> of a late Murther committed in  
Maryland by Indians w<sup>ch</sup> we did by reading the Letters of  
Coff<sup>r</sup> Addison & some others giving an acco<sup>t</sup> of the Circum-  
stances thereof, and then we read our severall proposalls laid  
in Writing before his Ex<sup>ncy</sup> and upon reading every article  
explained the same by words and enlarged thereon by laying  
before his Ex<sup>ncy</sup> and that Hono<sup>ble</sup> Board the Inductive reasons  
of the Government of Maryland; desiring the same and the  
reasonableness & Justness thereof; and particularly that article  
desiring the Indians to be sent for & hear proposalls from  
some Gentlemen appointed of Maryland.

We gave a particular account of what proposalls we had to  
make to them; and so having passed through every Article of  
ours in Writing; We concluded th<sup>t</sup> the same was thought  
necessary for his Maj<sup>ties</sup> service and the peace & safety of  
Maryland and therefore concluded w<sup>th</sup> an humble prayer to  
grant them and give Ord<sup>rs</sup> accordingly. To w<sup>ch</sup> his Ex<sup>ncy</sup> re- p. 599  
turned answer that as they had so they would have all due  
reguard not only to our Message but our persons and being  
asked if we had any further to say, we replyed we had not;  
but to desire that as our proposalls had been laid down in  
Writing so the answers to them might be that we might not  
Err in returning them, and so we Retired. About 3 or four  
hours after we were called in and his Ex<sup>ncy</sup> then acquainted us  
that the Gentlemen had weighed & duly considered the severall  
matters laid before them, and that it was their desires as well  
as his Ex<sup>ncys</sup> not to be wanting in anything of a suitable  
returne; and thereupon his Ex<sup>ncy</sup> was pleased to give us a  
verball answer to every Article; saying first that it was con-  
ceived that the Relation we had given of the Murther was in  
Ord<sup>r</sup> to usher in the other proposalls To w<sup>ch</sup> we made  
answer that we came not to argue with his Ex<sup>ncy</sup> and that  
Hono<sup>ble</sup> Board, but to propose & desire as we had done in  
Writing and declared our selves at large thereon and humbly  
prayed that we might have his Ex<sup>ncy</sup> & Councill result or  
answer in Writing; it was returned us that we should have it  
in Writing as soon as it could be transcribed. We then  
returned our thanks to his Ex<sup>ncy</sup> for his Courtesies and favours  
to us, and in giving us so ready a dispatch; and to the  
Hono<sup>ble</sup> the Gentlemen of the Councill for their trouble  
occasioned thereby, assuring them we used our utmost  
endeavor to have reacht Iames Town before the Assembly  
ended but could not; and so we retired to our Lodgings and  
some Gentlemen of the Councill went w<sup>th</sup> us & treated us  
with a glass of Liquors &<sup>ca</sup>

Lib. H. D. Thursday 11<sup>th</sup> of Novem<sup>r</sup> We sent for our horses, went to wait on the Councill but mett them coming to us The Deputy Sec<sup>ry</sup> Coll<sup>o</sup> Ienings delivered us two papers as the Councills result upon our matters.

We asked if we were to have any further answer; It was return'd there was no further answer. Afterwards in the Hall we asked his Ex<sup>ncy</sup> & Councill present if we were to expect any further answer. His Ex<sup>ncy</sup> answered that the matter required no further answer then what was given; but there was a Letter from his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Maryland which would be answered hereafter. So we took leave and went that night to Coll<sup>o</sup> Ludwells and lodged there. The Govern<sup>r</sup> & Councills Result is annexed.

ffryday 12<sup>th</sup> Novem<sup>r</sup> Went from Coll<sup>o</sup> Ludwells passed Spencers fferry at the ffreshes of Pomunkey River and lodged Seaven miles beyond at the house of one Carr.

Saturday 13<sup>th</sup> Novem<sup>r</sup> We passed Mattapany River fferry at Tarborough and so down to Southins fferry kept by one Catlet, went over there & so to Cap<sup>t</sup> Arthur Spicers two Miles off and lodged there that night.

Sunday 14<sup>th</sup> Novem<sup>r</sup> We came from Cap<sup>t</sup> Arthur Spicers and so to Cap<sup>t</sup> John Withers on Potomock River and lodged there that night.

Munday 15<sup>th</sup> Novem<sup>r</sup> We came over Potomock in Cap<sup>t</sup> Thomas Bakers small boat to his Shipp Riding at Nanjemy Road, and from thence he set us up in his boat to Lewis Neck, and so we came over Nanjemy Creek to William Dents; and Cap<sup>t</sup> Withers with his flatt set our horses over Potomock to  
 p. 600 Cædar point, and the Men ridd them round the same day So that night we all arrived safe at Will<sup>m</sup> Dents Nanjemy Charles County Maryland. And so ended this Iourney on Munday night the 15<sup>th</sup> day of Novem<sup>br</sup> 1697.

Tuesday 16<sup>th</sup> day of Novem<sup>r</sup> We transcribed our Iournall & writt to his Ex<sup>ncy</sup> the Govern<sup>r</sup> of Maryland an Acco<sup>t</sup> of what we had more to say or had observed concerning the præmises  
 &<sup>ca</sup> Thomas Tench  
 Will<sup>m</sup> Dent

Afterwards was read a Copy of what the s<sup>d</sup> Esq<sup>r</sup> Tench & Major Dent lay'd before his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros and his Maj<sup>tes</sup> hono<sup>ble</sup> Council of Virginia in writing Viz<sup>t</sup>

James Citty Novem<sup>r</sup> 4<sup>th</sup> 1697

To his Ex<sup>ncy</sup> S<sup>r</sup> Edmund Andros Kn<sup>tt</sup> his Maj<sup>tes</sup> Leivten<sup>t</sup> & Governour Gen<sup>rl</sup> of Virginia &<sup>ca</sup>

It being thought necessary by his Ex<sup>ncy</sup> the Govern<sup>r</sup> & Lib. H. D.  
Councill &<sup>ca</sup> of his Maj<sup>ties</sup> Province of Maryland, for his Maj<sup>ties</sup>  
service & the Peace & safety of that Province to Command  
us the Subscribers to attend upon your Ex<sup>ncy</sup> and lay before  
you some things relating to the Indians and a late Murther  
committed by Indians unknown &<sup>ca</sup> In obedience whereunto  
we attend yo<sup>r</sup> Ex<sup>ncy</sup> & humbly Offer.

1<sup>st</sup> That we are ready to acquaint yo<sup>r</sup> Ex<sup>ncy</sup> the Circum-  
stances of the s<sup>d</sup> late Murther.

2<sup>ndly</sup> That forasmuch as the s<sup>d</sup> late Murther has been com-  
mitted by Indians unknown to the Governm<sup>t</sup> of Maryland  
therefore his Ex<sup>ncy</sup> the Govern<sup>r</sup> and Councill &<sup>ca</sup> of Maryland  
desire your Ex<sup>ncy</sup> to cause inquiry to be made after the s<sup>d</sup>  
Murtherers within your Government as hath been lately done  
in Maryland by his Ex<sup>ncy</sup> the Govern<sup>r</sup> for the seizing and  
apprehending an Indian called Esq<sup>r</sup> Tom that fled to that  
Province from the hands of Iustice in Virginia.

3 That whereas it is reported in Maryland that the Indians  
are possessed with ill notions that for any misdemeanors  
committed there they are not to be punished for the same  
in Virginia; therefore it is also desired that your Ex<sup>ncy</sup> will  
be pleased to make them sensible of the contrary.

4<sup>thly</sup> Your Ex<sup>ncy</sup> is also desired to prohibit the Inhabitants  
under your Government from selling to those Indians lately  
come out of Maryland, any Powder or Ball, and the like will  
be done in Maryland by his Ex<sup>ncy</sup> the Govern<sup>r</sup> &<sup>ca</sup> The said  
Indians having carried away with them out of that Govern-  
ment & purchased since a considerable quantity of both by  
their own saying That by Information the said Indians have  
not purchased or used a thousand weight of Powder a year.

5<sup>th</sup> Your Ex<sup>ncy</sup> is likewise desired to appoint & send some  
Gentlemen to meet in Stafford County or else where and  
call the s<sup>d</sup> Indians before them in Order to discourse them in  
presence of some persons to be sent out of Maryland, as well  
to inform the Indians the resolutions of this Government not  
to protect them; as also for the Gentlemen of Maryland to  
make proposalls to them.

6 Your Ex<sup>ncy</sup> is likewise desired to send persons up to  
the ffort of the said Indians in this Government to see if  
they have any strange Indians among them and what number  
there may be of them; and whether they have dispersed them-  
selves about a hunting according to their usual custome; it  
being apprehended that the said Indians, living so remote p. 601  
from the inhabitants, may have f French Iesuits or Priests and  
other French men among them.

7<sup>thly</sup> Your Ex<sup>ncy</sup> is likewise desired to cause yo<sup>r</sup> Rangers  
appointed for the ffrontiers of Potomock to settle somewhere

Lib. H. D. convenient towards the head of Potomock, and that your Ex<sup>ncy</sup> will be pleased to give Instructions to the Comander in chief of Stafford County & the Rangers to hold frequent correspondence w<sup>th</sup> the Hon<sup>ble</sup> Coll<sup>o</sup> J<sup>n</sup><sup>o</sup> Addison and the Rangers in Maryland, who have already Instructions to do the like with these in Virginia.

8<sup>th</sup> Your Ex<sup>ncy</sup> is likewise desired to give orders to y<sup>r</sup> Rangers to agree with the Maryland Rangers what shall be an Alarm, and th<sup>t</sup> you will be pleased to give them charge to forbear hollowing or firing Gunns in the night unless upon occasion.

These matters have been consulted and Resolved on by his Ex<sup>ncy</sup> the Govern<sup>r</sup> & Councill of Maryland w<sup>th</sup> the advice of the Hon<sup>ble</sup> the Justices of the Provincial Court, the Gentlemen of a Grand Comitte for laying the Public Leavy, the Gentlemen of the Grand Jury for the body of that Province, and severall Gentlemen lately imployed to go to the said Indians and given us in charge to your Ex<sup>ncy</sup> In obedience whereunto for his Majest<sup>es</sup> service & the Peace and safety of his Maj<sup>tes</sup> said Province of Maryland the same is hereby represented, laid before and desired of yo<sup>r</sup> Ex<sup>ncy</sup> as afores<sup>d</sup> which is signified by

Your Ex<sup>ncyes</sup> most humble Servants

Then produced a Copy of some proceedings taken before his s<sup>d</sup> Ex<sup>ncy</sup> the Govern<sup>r</sup> and his Maj<sup>tes</sup> Hon<sup>ble</sup> Councill of Virginia of the 11<sup>th</sup> of August last past in Answer to a former message about the said about the s<sup>d</sup> Indians; as also another of the 10<sup>th</sup> of November instant in answer to what the s<sup>d</sup> Esq<sup>r</sup> Tench & Major Dent now laid before them, w<sup>ch</sup> were read as follows Viz<sup>t</sup>

At a Council held at M<sup>r</sup> Secretary Wormleys  
the 11<sup>th</sup> August 1697.

Present

His Ex<sup>ncy</sup> and Councill

His Ex<sup>ncy</sup> laid before the Councill severall Letters & papers relating to the Indians w<sup>ch</sup> occasioned the again reading & further considering the proceedings of a Committee in Maryland confirmed by the Govern<sup>r</sup> Councill and Burgesses there relating to Indians now in this Government and Agents or Gentlemen to be sent to treat with the s<sup>d</sup> Indians of whom

by their Letters it appears his Ex<sup>ncy</sup> had not nor could Lib. H. D.  
possibly have notice of their passing through this Government  
till they were returned; w<sup>ch</sup> Letters Papers and proceedings  
the Councill have maturely considered and do not yet apprehend  
the intent & meaning of the Government of Maryland transmitting  
such papers; The Agents or Gentlemen from Maryland having  
passed through treated w<sup>th</sup> & returned from the Indians in this  
Government without the knowledge of his Ex<sup>ncy</sup> w<sup>ch</sup> proceedings  
the Councill are of Opinion amuses the p. 602  
Inhabitants and tends to the disturbance of the Government  
and therefore the Council pray his Ex<sup>ncy</sup> to acquaint the  
Govern<sup>r</sup> of Maryland th<sup>t</sup> before any treaty with any Indians  
in this Government be permitted his Ex<sup>ncy</sup> be made timely  
acquainted therewith and that his Ex<sup>ncy</sup> please to give Com-  
mands to the Comāder of the Militia and Rangers in Stafford  
County that none be suffered to treat with the Indians in this  
Government till his Ex<sup>ncy</sup> allow thereof and Ordered accordingly.

James Sherlock Cl Concil

At a Council held at James City the 10<sup>th</sup> Novem<sup>r</sup> 1697.

Present

His Ex<sup>ncy</sup> and Councill

His Ex<sup>ncy</sup> yesterday was pleased to lay before the Board a  
Letter from the Govern<sup>r</sup> of Maryland of the 10<sup>th</sup> of Octob<sup>r</sup>  
past & a Copy inclosed of the 24<sup>th</sup> of June sent by Thom<sup>s</sup>  
Tench Esq<sup>r</sup> one of his Maj<sup>ties</sup> Hono<sup>ble</sup> Councill and Major Will<sup>m</sup>  
Dent to wait upon his Ex<sup>ncy</sup> of Whome due regard being  
had, and being fully heard what they had to offer from the  
Govern<sup>r</sup> and Councill of Maryland on mature consideration  
thereof and the said Letter of the 24<sup>th</sup> of June being formerly  
answered, This Board are of opinion th<sup>t</sup> it is not advisable  
to make inquiry after or Proclamation against unknown or  
undiscribed persons.

That the Report in Maryland of the Indians notions that  
they shall not be punished here for any misdemeanor com-  
mitted in Maryland is groundless That the prohibition of  
selling ammunitiō to particular Indians is neither advisable  
nor available neither see any cause to send for or to the  
said Indians. The Rangers are appointed on the frontiers of  
Potomock River and the Commander of the Rangers & Militia  
long since Ordered to Acquaint Coll<sup>o</sup> Addison with any thing  
materiall. The Generall Alarum of this Countrey is firing of  
Guns at convenient distance and any disorder in the Night pun-  
ishable & 'tis also the opinion of the Council that the present

Lib. H. D. & a Copy of the former Order be transmitted to the Govern<sup>r</sup> of Maryland by the Gentlemen sent by himself and Councill and Ordered accordingly.

James Sherlock Cl Con<sup>ll</sup>

His Ex<sup>ncy</sup> is pleased to demand of the Board what they think is best to be done in this case. Who after some consultation therein had, do think it to be a matter of such consequence as will require the advice of as many of his Maj<sup>tes</sup> Hono<sup>ble</sup> Councill as can conveniently be got together. Ordered therefore that summons issue to give notice to the Hono<sup>ble</sup> Coll<sup>o</sup> Geo: Robotham, Coll<sup>o</sup> Nicholas Greenberry Coll<sup>o</sup> John Courts, Thomas Brooks Esq<sup>r</sup> and James ffrisby Esq<sup>r</sup> to meet his Ex<sup>ncy</sup> in Council at the Port of Annapolis; on Thursday next come sennight to consult the said affair. It being not thought convenient that Coll Addison should be sent for by reason of the Service he performes upon the ffrontiers of Potomock, nor Coll<sup>o</sup> Hutchins being at too great distance.

p. 603 His Ex<sup>ncy</sup> is pleased to aske Esq<sup>r</sup> Tench what thoughts the people of Stafford County have concerning the Piscattaway Indians; who says that they seem to be uneasy and fearfull that the said Indians have no good designes, but do wish they were rid of them.

Ordered that Copy of Esq<sup>r</sup> Tench & Major Dents Letter to his Ex<sup>ncy</sup> of the 16<sup>th</sup> instant produced and read in Councill this day in relation to the Indian Esq<sup>r</sup> Tom and five Susquehannos be sent to Major John Thompson of Cæcill County for him to make inquiry if any such Indians are in those parts, and that he returne answer to this Board accordingly with all convenient speed.

1<sup>st</sup> Such a Mate enjoyn'd to be shipt not being to be had; he knows not any way or means whereby to purchase a proper loading to go to the Barbados with having neither credit nor effects sufficient wherewithall to do it, besides the Ship is indebted above 240<sup>lb</sup> for Seamens wages w<sup>ch</sup> if your Petitioner should carry the Ship to Barbados, must necessarily be paid there, and for want of effects and creditt to discharge

having a family in England. All w<sup>ch</sup> y<sup>or</sup> Petitioner humbly lays before your Ex<sup>ncy</sup> in behalfe of the owners & th<sup>t</sup> you would favourably pleased to give such Order to the Officers for his dispatch as to your Ex<sup>ncys</sup> wisdom and prudence shall seem meet; he being ready and willing to satisfy all manner of duties fees & other charges by way of goods he having no ready money, and his own bills being refused for discharge thereof; w<sup>ch</sup> being granted.

Your Petitioner shall ever pay &<sup>ca</sup>  
George Lewis.

And if you find the said Petition to be true, you are to take the said George Lewis own bond (in behalf of the owners of the said Ship ffly) for performance of the laws of the Countrey & duties &<sup>ca</sup> He not designing to load any tobacco w<sup>ch</sup> you are to take care that he comply w<sup>th</sup>, so there will be no occasion for his giving a navigation Bond; And if it appear to you that it will be for the owners advantage th<sup>t</sup> he draw Bills upon them to pay the Countrey duties fees &<sup>ca</sup> you take the said Bills; And for doing these things this shall be your sufficient warrant & authority;

By the Grand Iury represented as followeth.

We the Jurors for the body of Prince Georges County hav-  
ing had it in charge from the Worshipfull Court to inquire and  
make report to this Court what measures would most conduce  
to his Majesties Honour & service and the Interest & safety  
of this Province to be now taken in relation to the forte at  
New Scotland and the defence and security of this Province  
and the good people there of upon the frontier Plantations  
against any Incursions of Indians. We do represent and desire  
that it may be humbly recomended to his Ex<sup>ncy</sup> our Govern<sup>r</sup>  
that we the Iurors aforesaid do conceive it to be for his Maj<sup>ties</sup>  
the Kings hono<sup>r</sup> the Intrest and safety of this Countie and even  
the whole Province that the Garrison at the falls of Potomeck  
be maintained & supported as at present the same is enforced  
and that the same number of Rangers be kept out & main-  
tained both at the Garrison, or fort and also at the frontier  
Plantations as are now quartered and posted there. We also  
are of Opinion it may be convenient and necessary that a Fort  
or Garrison, be placed on the hill above the New Forte, humbly

Whereupon this Board being sensible th<sup>t</sup> the said Briganteen was built here, and the said Hockin being Sworn thereto before his Ex<sup>ncy</sup> in Councill this day; It is Ordered that a Certificate be granted him pursuant to the directions of the said Act of Parliament. Upon the Reading a return of the Justices of Talbott County in answer to an Order of this Board, concerning the Records of that County Court; wherein they certify the reasons why the Records w<sup>ch</sup> ought to have been up by M<sup>r</sup> Jn<sup>o</sup> Valliant & M<sup>r</sup> Richard Macklin, was absolutely the neglect of such Mercenary Clerks. Produced at the Board the following return of George Muschamp Esq<sup>r</sup> Viz<sup>t</sup>

Pursuant to an Ord<sup>r</sup> of his Ex<sup>ncy</sup> and Councill bearing date the 21<sup>th</sup> of October 1697. I immediately upon the Receipt thereof repared to the House of M<sup>r</sup> Robert Mason and there took a full view of all his Bookes and papers and could find none relating to M<sup>r</sup> John Cood excepting his acco<sup>t</sup> w<sup>ch</sup> I have copied out of the said Masons Booke of acco<sup>ts</sup> and eight small Bookes being lists of Debts due to the said Cood out of the following hundreds Viz<sup>t</sup> S<sup>t</sup> Maries Hundred, S<sup>t</sup> Georges Hundred, Poplar Hill hundred. S<sup>t</sup> George's hundred S<sup>t</sup> Clement hundred, Newtown hundred Choptico hundred.

On the back of the aforementioned Acco<sup>t</sup> Copied out and likewise produced at the Board was thus written Viz<sup>t</sup>

Memorandum that M<sup>r</sup> Mason, told me that Rob<sup>t</sup> Carse attached of Coh<sup>o</sup> Jn<sup>o</sup> Coods debts 17000<sup>lb</sup>: of Tobacco w<sup>ch</sup> he standeth indebted unto him; and that severall others

have attachments against the s<sup>d</sup> Coods debts, and that severall of his Debts have been rec<sup>d</sup> by Cap<sup>t</sup> Slye and his Sone, and th<sup>t</sup> the said Cood sent Choptico hundred Booke and what is due in Clements hundred to the Vestry of King and Queen Parish to pay what he owed th<sup>t</sup> Vestry w<sup>ch</sup> is about 13000 pounds of tobacco and that severall of the Debts are denyed and some insolvent.

S<sup>r</sup>

The last Letter we writt to you dated the 27<sup>th</sup> of the last  
month, being only upon the Subject of the peace, and a Dupli-  
cate thereof having been sent at the same time by a different  
conveyance, We doubt not but one or both of them will in due  
time reach your hands, and therefore now referr you thereunto.  
But our former Letter dated 2<sup>nd</sup> Septem<sup>r</sup> being upon several

Lib. H. D. Subjects, & sent in a time of greater uncertainty by reason of the War, we herewithal send you a duplicate of it.

The Letters we have lately rec<sup>d</sup> from you are dated the 13<sup>th</sup> of July & 31<sup>st</sup> of August last together with one to the Lords of his Majesties Privy Council, dated the 30<sup>th</sup> of June, w<sup>ch</sup> by their Lordships Order has been transmitted to us.

The last of your forementioned Letters to us, about the sending the Fleets & Convoys, and all you write on the same Subject, in the former of them, is fully answered by the happy conclusion of the Peace; which setting the Trade open, and the Merchants (as we are informed) having had very good Marketts for their Tobacco, there is no doubt now but your Crop will be fetched away in due season. We hope also the Merchants will now supply you w<sup>th</sup> such plenty of Manufactured Goods and so cheap from hence th<sup>t</sup> yo<sup>r</sup> people will have no incouragement to go on in making them there (as you say they were too much inclined) but instead thereof apply themselves more industriously to planting. However your observations and advices to us upon that Subject; and yo<sup>r</sup> endeavours to promote what is apparently the true interest of England therein will be always very acceptable.

We have perused all the Journals & other publick papers that you have sent us, and shall make use thereof, either in Directions to your selfe, or in anything here for the service of th<sup>t</sup> Province as occasion offers. But the Laws of that Province are yet all of them in the hands of his Majesties Attorney Genneral. For tho we writ in our last that we had received back some of them yet we have been obliged to return them again to him, for a full report upon the whole. And this suspence doubt & perplexity, th<sup>t</sup> remains still in those Laws, obliges us again to remind you of all we have already writt upon that Subject and desire that it be observed.

There is one of those laws imposing a duty of Ten p Cent. upon European Commodities exported out of Maryland, concerning w<sup>ch</sup> we have had many complaints made to us by M<sup>r</sup> Penn & other concerned in Pensilvania not only as injurious to them, but in consequence as a burden & obstruction put upon the exportation of Goods from hence; unto w<sup>ch</sup> complaints we have still deferred answering in expectation to have the Law it selfe under our consideration. But this unavoidable suspence in the General Examination of those Laws making it fit that you be informed in the mean while of those objections against this in particular we herewithall send you a Copy of a paper that has lately been delivered to us upon th<sup>t</sup> Subject w<sup>ch</sup> seems by the Style of it to have been something sent from Pensilvania to your selfe. But whether that be so or no we must add; That the Reasons contained in it

(some of them at least) as also the forementioned suggestion Lib. H. D. of obstructing the exportation of Goods from hence, appear to have weight in them; and that however, the partiality therein complained of in the execution of that Law, if there have been any ought more especially to have been avoided. We are obliged also particularly to take notice of one Article entered the 28<sup>th</sup> of May 1697. In your Journal of Council in Assembly, wherein it is said that a Letter of M<sup>r</sup> Poveys to you dated the 20<sup>th</sup> of Octob<sup>r</sup> 1696 was read, in w<sup>ch</sup> he writes that he has not been wanting to Solicit us about the Maryland Coynes: Whereupon we must inform you that no such application was ever made to us about th<sup>t</sup> matter. And tho two or three loose papers were delivered to us upon that Subject amongst others when we first entered upon this Comission as things depending before the Lords of the late Committee, we did not think fitt for us to move any thing in that matter till the Laws themselves of that Province came Regularly under our consideration. There are several things in your letter of the 13<sup>th</sup> of Iuly & papers accompanying it, Relating to the Acts for Trade, and methods for the more effectual observation thereof, all w<sup>ch</sup> are very usefull for our Information; and we desire you upon any New occasion to continue your advices to us upon the same Subject; But as those matters lye more particularly, under the Conduct of the Comiss<sup>rs</sup> of his Majestys Customes here, we desire that for the future whatever you write us upon that Subject be in a distinct paper separte from your Letters about other business; and that at the same time you give us notice whether you send the same things (or how much of them) to the Comissioners of the Customes themselves; That so we may avoid the needless trouble of sending them the Copys of your papers.

Your Diligence in issuing Proclamations & giving directions through your Government for the apprehending of Every and other Pirates, and the Zeale w<sup>ch</sup> you express upon all occasions for the extirpation of that pernicious Race of Vermin, is very commendable. But we must observe to you upon that Subject that the information of Thomas Robinson & Francis Iones which you have sent us relating to Pirates in Pensilvania, and to the conduct of that Governm<sup>t</sup> towards them, is the less weight because not upon Oath: And that we suspend our Iudgment upon that matter till we have more thoroughly Examined their defences than we have yet had leizure to do. It has happened now upon occasion of the Peace th<sup>t</sup> we have been obliged to inquire into encouragements that can be proposed in any of his Maj<sup>ties</sup> Plantacōns for such of the Soldiers now to be disbanded may as be willing to transplant themselves thither: upon w<sup>ch</sup> occasion we have had recourse to the per-

Lib. H. D. sons most here concerned in any of them: And thereupon they think fit to let you know th<sup>t</sup> it has been some inconvenience to us not to find any Agents here for Maryland, as there are  
 p. 182 for Barbados, Iamaica & other places, appointed by Acts of their General Assemblys; And th<sup>t</sup> we are apprehensive lest the want thereof may happen in some occasions to prove prejudicial to that Province, by delays in their Publick affairs and loss of opportunities for their advantage.

What you mention occasionally in the 9<sup>th</sup> page of your Letter about the want of Negroes and Servants in that Province, and the decay of trade as occasioned in part by that want makes us wish to be a litle particularly informed what ordinarily becomes of white Servants sent thither when the time of their service is expired: Unto which we therefore desire your answer.

Your Doubt and difficulty about Tryalls for Breaches of the Acts for Trade being matter of Law, we have sent to his Majesties Attorney and Solliciter Genneral for their Opinion thereupon, And shall not faile to advise you thereof in our next. In the mean while we bid you heartily farewell.

A Reply to Coll Nicholson's answer to the Pensilvania Merchants Petition.

The first branch of the answer denyes the premises for if we have free passage of allowed Comodities paying only such dues or Custom's as were or shall be imposed by the Laws of England to the Province of Pensilvania; then no Laws of any Province under the Crown of England ought to obstruct the free passage of such goods as have already paid in England, in their passage to the Province they are consigned to, and already have paid to goe to; nor is it the practice of any Nation to require but there where the goods are consigned and sold. So th<sup>t</sup> the Law of Maryland do's not make it the more Lawfull, because that it is not the Law of England, but injurious to its Trade as well as to the people of Pensilvania.

His Second and third Branches need no other answer than that we claime freedom by a use that is all over America and that Maryland cannot of right break; for 'tis expressly ag<sup>t</sup> a clause of Priviledge in the Lord Baltimores Pattent to all the Kings Subjects that shall make that Province their way to others where they inhabit; And if the Pensilvanians carry away

any of the growth of that Province without payment of what the laws of th<sup>t</sup> Province require, it is the duty of the Officers of th<sup>t</sup> Government to prevent it, which may be done without involving & bringing the growth of England under the same Custome with the growth of the Province. Lib. H. D.

To the fourth branch we cannot understand how we pre- p. 183  
judice the Trade of Maryland by bringing English Goods to Pensilvania, in Shipp<sup>s</sup> bound to Maryland, for Tobaccos; if they are aggrieved by our importing our own growth amongst them, they may forbid it as they have done our Beer, thō they often want it to furnish the home bound ffleets, having litle or none of their own make; but that can be no argument why we must not bring English goods through Maryland to another of the Kings Provinces; Nor does Govern<sup>r</sup> Nicholson treat New Yorke at the same rate, thō as much under the lash of that Law as we are; which is a partiality added to illegality. To the 5<sup>th</sup> branch of the answer we reply, that Lord Baltimores Pattent gives no power to lay impositions upon English goods not bound for that Province, but through it to another Province under the Crowne of England.

To the last Branch we need only say, that Govern<sup>r</sup> Nicholsons Commission cannot invalidate prior Grants, as is observed by Coll<sup>l</sup> Nicholson in his 5<sup>th</sup> Branch, nor authorize him to make Laws ag<sup>t</sup> the Trade & good of England, nor the common Priviledges of another Province; So that the power of Law making urged by that Paragraph, in excuse of this Law, cannot excuse an abuse of such a Commission and Authority; for which reason we pray we may be releived as from an intolerable Grievance

It being consider'd th<sup>t</sup> the Provincial Court stands adjourn'd to the last Tuesday in febr<sup>y</sup> So th<sup>t</sup> by consequence the Assembly will come to interfere therewith, w<sup>ch</sup> is thought inconvenient th<sup>t</sup> they should sitt both at one time; therefore Ordered th<sup>t</sup> the s<sup>d</sup> Court be farther adjourn'd untill the sixth day of Aprill next and th<sup>t</sup> Proclamation issue accordingly, which difference of time, is thought will be no waies prejudicall to any Law Suites now there depending.

Lib. H. D.

Whereas upon the late joyfull & happy news signified unto me from the R<sup>tt</sup> Hono<sup>ble</sup> the Lords of the Councill for Trade & fforreign Plantations, of a Peace concluded between his Sacred Majesty and the ffrench King, it hath been maturely considered by his Maj<sup>ties</sup> Hono<sup>ble</sup> Councill of this Province th<sup>t</sup> the speedy calling of an Assembly will be highly necessary and expedient; ffirst for the better solemnizing a day of Public Thanksgiving to be appointed & sett a part for such an inestimable blessing under the Divine Providence procured by his Maj<sup>ties</sup> most puissant Armes and unparralleled conduct & valour; Secondly for settling the matter about the Indians & the new additional Rangers w<sup>ch</sup> 'tis hoped may not be necessary now longer to be continued; and for severall other weighty affairs importing his Maj<sup>ties</sup> and the Countreys Service; Expecting likewise some further Commands from his Maj<sup>ty</sup> and their said Lo<sup>pps</sup> by other Shippes dayly expected, w<sup>ch</sup> may be necessary to be laid before an Assembly, for w<sup>ch</sup> reasons it hath been this day concluded in Councill th<sup>t</sup> an Assembly meet at the Town & Port of Annapolis the 23<sup>d</sup> day of ffeby<sup>ry</sup> next ensuing the date hereof To which end Writts of Election are Ordered to be issued as usual in such case But forasmuch as the Provincial Court of this Province stands adjourned to the last tuesday in ffeby<sup>ry</sup> by w<sup>ch</sup> means the said Assembly will consequently interfere therewith, w<sup>ch</sup> is judged inconvenient that they be held both at one time; And forasmuch as I am inform'd the present business of that Court may without prejudice or damage be put off until some further time. I do by and w<sup>th</sup> the advice of his Maj<sup>ties</sup> Hono<sup>ble</sup> Councill think fitt to to further adjourn the said Court until the sixth day of April next ensuing the date hereof; and the same is hereby adjourned accordingly. Comanding that <sup>p. 622</sup> all writts, precepts & process returneable to the s<sup>d</sup> Court be continued & in full force untill the s<sup>d</sup> sixth day of Aprill. The severall Sherriffs of the Province being hereby strictly charged & required forthwith to give notice and make Proclamation thereof in all Churches, Chappells & other publick places of meeting within their respective Counties, whereunto all persons concern'd are to yield all due and ready obedience at their utmost perill; Given at Battell Town in Calvert County under the Broad Seale of the Province this 11<sup>th</sup> day of Jan<sup>ry</sup> 1697/8 in the ninth year of his Maj<sup>ties</sup> Reign.

It being considered that his Maj<sup>tes</sup> Royal Comānds is not yet come to hand, and that it hath pleased Almighty God th<sup>t</sup> the weather continues still so sharp and severe that it is imagined severall of his Maj<sup>tes</sup> writts of Election for the Assembly meeting at this place 23<sup>d</sup> of febr<sup>y</sup> instant are scarce got over to the Eastern Shore and for that reason will occasion but a small appearance of Members, whereby to proceed business; therefore thought necessary that the said Assembly be deferred, putt off and prorogued untill the eighth day of March next. Upon consultation had concerning the legall way & manner of prorogueing an Assembly before their being met, and a case being cited out of my Lord Cooke touching the manner of holding Parliaments which was produced and read by M<sup>r</sup> Rob<sup>t</sup> Goulesborough one of his Maj<sup>tes</sup> Counsell at Law, being called for his Opinion & Advice therein, whereby there appears an absolute necessity for the meeting some of the House of Delegates, at the day & place by his Maj<sup>tes</sup> Writt of Elections appointed Ordered therefore that the Sheriffs of Ann Arrundell, Calvert & Prince Georges Countyes forthwith upon sight hereof give notice to the Delegates and Representatives chosen to serve for the said three Counties that they in no wise omit nor faile being here by the 23<sup>th</sup> of febr<sup>y</sup> instant, the time appointed by his Maj<sup>ty</sup> said Writt of Election in Order to a prorogation of the said Assembly intended (God willing) to be deferred & putt off until the eighth day of March next; but that writts in the interim issue under the Broad Seale to the severall Sheriffs of the Province to give notice and the reason of such intended prorogation to prevent the rest of the Delegates meeting and save a further charge to the Countrey. p. 630

But forasmuch as it hath pleased Almighty God that the weather continues still so sharp and extreme hard as to keep fast lockt up most of the Rivers Bayes & Creeks within this our said Province (Scarce ever known the like) insomuch that it is imagined severall of our said writts issued and sent to our Sheriffs residing on the Eastern shore, are not yet come to hand, and therefore cannot with any probability expect a full meeting nor sufficient number of Members to make a full Assembly (by the day and time prefixed) to do and to consent to those things which by the favour of God might happen to be Enacted & Ordained by the advice and consent of the Great Council of our said Province. We do for the reasons aforesaid intend (God willing) to deferr, putt off & prorogue the the meeting of the said Assembly to the eighth day of March next; Comanding you forthwith to give speedy notice thereof, as well to the Members of our Privy Council as House of Delegates residing within yo<sup>r</sup> Balywick, who are in no wise to faile then to meet, at our Town and Port of Annapolis afores<sup>d</sup> according to Adjournment. Vpon information of Hugh Ryly of Prince Georges County concerning a Piscattoway Indian (that was brought up at M<sup>r</sup> Sam<sup>ll</sup> Chews) being lately in that County & frighten'd away by some threatening discourses and had severall things taken from him; Ordered that M<sup>r</sup> Rob<sup>t</sup> Tylor one of the Magistrates of that County who is said to have some cognizance of the matter, be and appear before his Ex<sup>ncy</sup> in Councill at the Port of Annapolis the 10<sup>th</sup> day of March next and bring w<sup>th</sup> him the Person th<sup>t</sup> took away those things from the said Indian, in order that this Board may receive a right information about the same, and th<sup>t</sup> the Sherriff of the said County give notice to the said M<sup>r</sup> Tylor accordingly.

Iv'e rec<sup>d</sup> and consider'd the Comīssion to swear the Delegates and the writt of Prorogation; as to the former I am of opinion th<sup>t</sup> it is well enough; as to the latter it seemeth to me th<sup>t</sup> the Causes and reasons set forth in the s<sup>d</sup> Writt Viz<sup>t</sup> The Sharpness of the weather & the writts to the Eastern Shore supposed not to be come to the Sherriffs hands and th<sup>t</sup> a Sufficient number will not meet; need not be inserted in the said Writt; but instead of all this, the words for certain causes and considerations us thereunto especially moving, and which is most congruous and agreeing w<sup>th</sup> the nature of a writt, which is always short and concise in setting forth its' matter, and the former will appear more like a Proclamation than a Writt, the latter I find to be more Presidential, all which is humbly submitted to yo<sup>r</sup> Ex<sup>cnys</sup> consideration by

the Officers of Puttuxent District & there Lodged his Cer-  
tificate and Coquets And Given Bond for the Countrey Duties  
& performed what the Law requires And that whereas his  
Business Leading him to Choptank River he hath there been  
denied to Unload and Trade Notwithstanding such his Entry  
unless he would make a new Entry in that port for all which  
he prayed redress

Thereupon the said Matter was fully heard & Considered  
& this Board having perused the Certificate and permit  
granted by the said Officers for unloading the said Vessel  
&c<sup>a</sup> do think the same altogether unsufficient to warrant his  
Unloading or trading for Tobacco on Board not having  
Expressed whether the said Mabb had produced Legal Cer-  
tificates of his Giving Bond for the Dutys of this Country &c<sup>a</sup>  
on which acco<sup>t</sup> he now lies Lyable to Seizure which is thought  
fit to be Remarqued for a Caution to the said Officers for the p. 13  
Forfeiture And forasmuch as the said Officers for the For-  
feiture & forasmuch as the said port of W<sup>m</sup> Stad<sup>t</sup> is taken  
by this Board to be a District & proper place of Entry  
& all Ships & Vessels coming their are Directed to make the  
Entry Accordingly

Ordered therefore that the Officers & Puttuxent District  
aforesaid do upon Sight hereof Surrender up to Will<sup>m</sup> Mabb  
the pet<sup>r</sup> as well the Certificates Cocquets & other papers  
Lodged with them at his Entry as also what Bonds he there  
passed for any duties or otherwise to be Cancelled & that he  
thereby may be enabled to make his Entry according to Law  
in the proper place assigned

A petition of peter Iennings Esq<sup>r</sup> Collector of Puttuxent District—was presented to this Board & read—the said Petition being taken into Consideration it is the Opinion of this Board that the Instruction Cannot possibly be Complied with as the Constitution of this province now Stands until

The said Peter Jennings Esq<sup>r</sup> presented an Acco<sup>t</sup> of the 1<sup>d</sup> p<sup>h</sup> hhd the which he made Oath to & gave his Exc<sup>lcy</sup> a Note on M<sup>r</sup> Plater for the said Money

Upon further Consideration had of the said M<sup>r</sup> Iennings Petition it is humbly represented by this Board with Submission to their Excellencys the Lords Iustices Instructions that the Article directing that no Goods shall be Landed but by warrant of an Officer &<sup>ca</sup> is so difficult to be performed as the present Constitution of this Country now stands that it will Cost his Majesty Several hundred pounds Sterling in keeping Officers to look after & Manage the said Concerns therefore it is proposed that so many particular ports be appointed in the Governm<sup>t</sup> whither all Ships & Vessels shall be Obligated to Come and Unlevir their Goods & that the Officers or their Lawful Deputys be Obligated also to live in those parts for dispatch & discharge of their dutys

A petition of Captain William Cooper Commander of the Ship Ieoffreys of London praying a register of his Ship was read & Granted according to petition—

It being presented to his Excellency and this Board by David Kenneday Esq<sup>r</sup> his Majestys Collector of the District of Pocomoke that his Majestys service is much prejudiced for want of a warrant of Assistance to Empower him to press men & Horses for that whilst he is a Going to a Iustice of the peace perhaps Ten or Twelve Miles from the place where he has Occasion for assistance the Traders may take Liberty to run what Goods they please in the Interim therefore proposes that it may be Settled what each man & Horse so pressed shall be allowed p Diem

That he finds great Difficulty in Searching of Ships & Inspecting of Good Imported on Board the said Ships So that it is Morally Impossible to his Duty thoroughly as he  
p. 17 Ought by reason of the Narrowness & Darkness Of the Ships holds therefore Conceives it absolutely necessary that houses may be appointed in the most Convenient places for Shipping within his District where Goods & Merchandizes may be landed & duly Inspected to prev<sup>t</sup> Frauds & the designs of false Traders

Which said Representation being here read and considered as to the first part thereof it is referred to his Majestys Lawyers to Consult & make Report what sort of warrant Shall be Granted

It is thought Necessary by this Board that a Representation be laid before his most sacred Majesty that the Rumors & Reports spread abroad in this province by the Romish party & other disaffected persons in this his Majestys Government of the Lord Baltimores Likelihood of having the Government again by which Means some of the Inhabitants being put in hopes others in fear the same gives Occasion to Divisions & making parties to the Disturbance of the Government until such time as his Majestys Royal pleasure shall be known therein And that it is also Represented by his Majestys Council of this Province that a Church Government being Setled & Established here As also a protestant Government the ill Consequences that will happen if in case the Lord Baltimore should be restored to the Government as formerly besides the Great Mischief that would consequently Ensue p. 22

p. 23 It being Represented to this Board that M<sup>r</sup> Rob<sup>t</sup> Mason the present Sheriff of S<sup>t</sup> Marys County hath by Several Orders for his Majestys Service been sent for but through Sickness hath been Incapacitated to Come & since that he hath been Observed to be a Busy Man of Coods party & managing his Business & hath Neglected or by Disability not Complied with to make up his Treasurers Acco<sup>t</sup>

The representation of his Majestys honble Council Concerning the want of more Counsellors being taken into Consideration it is thought that Major John Hammond & Captain Richard Hill of Ann Arundell County Cap<sup>t</sup> Thomas Tasker of Calvert County & M<sup>r</sup> Francis Ienkins of Somerset County may be fit & Capable persons to serve in that Station & to be represented to his most sacred Majesty for his Royal Approbation & Assent Ordered that the Respective Naval Officers within this his Majestys province take Care to keep

Country.

The said Philip Clark says he never told M<sup>r</sup> Slye that the p. 31  
6<sup>d</sup> phhd taken for Tobacco brought out of Virginia & Ex-  
ported hence was received Contrary to Law but by Virtue of  
an Order of Council

3<sup>d</sup> Article he hath Offered Twenty Pounds to any Man  
that will Swear against in that Province that he might use  
them Tyrannically &c<sup>a</sup>

The said Clark sayes he cannot make Oath to those Words  
but Refers to the Proclamation

4<sup>th</sup> Article To amuse the People he hath Offered fifty  
Pounds by a publick declaration which is upon Record in the  
Courts of that Province to any one that would Complain  
against him to the King often Saying his Interest was so  
Strong with the Duke of Bolton Lord Bishop of London &  
M<sup>r</sup> Blathwayte that no man would be heard against him.

The said Philip Clark does say he cannot make other  
Answer thereto then by referring to the Declaration it Self  
upon Record but does not say it was to amuse the People  
Neither does he know any thing of the remainder of that  
Article

5<sup>th</sup> Article he hath often by any arbitrary or military power  
Seized Mens Estates & Writings

He saith he knows nothing of that Article except the  
Seizing of M<sup>r</sup> Cood & M<sup>r</sup> Masons papers

7<sup>th</sup> Article that he keeps the present Assembly on foot by  
a Writt dated after they first Sate Sends for<sup>th</sup> writts for fresh  
Members though others are Legally elected & alive

The said M<sup>r</sup> Clark desires he may give his Ans<sup>r</sup> thereto in  
Writing which he does as followeth—Viz<sup>t</sup> As to the Seventh p. 32  
Article of keeping the Assembly on foot by a Writt dated  
after they first Sate

This Deponent Saith that as to the time he refers to the  
Journal but to the best of his Remembrance it was in Sep-  
tember 1695 & he is Certain it was that Assembly that the  
honble Robert Smith Speaker was disabled by Sickness &  
the honble Kenelm Cheseldyne chosen in his Stead it so  
happened that the day that the Assembly was to meet there  
did not meet enough to Adjourn And his Excellency coming  
to Town that evening & being very Sick no Writt of Pro-  
rogation issued forth It Came in Debate a Day or two after

Lib. X. when a full house met whether they Ought to proceed upon Business for the Reason afores<sup>d</sup> & the Major part of the house was of an opinion that they ought not to proceed but they forbore putting any Such Resolve upon their Iournal but afterwards did resolve that if his Excellency would send forth a writt bearing date before the day appointed for that they would proceed on the matters before them upon which his Excellency was acquainted with the same and desired by the Assembly to send forth such Writt to which his Excellency assented; that as to the Latter Part of the said Article in sending forth Writts for Members when others was Legally Chosen this Deponent refers to the Iournal of the Assembly which he Believes will make appear that the said Writts were sent forth by the Order of the house Philip Clarke

8<sup>th</sup> Article he Suffers Members of the Assembly to be Elected where the Majority of the Electors are known Papists & Disaffected to his Majestys Government

Does Say he knows nothing of that Article but does believe Roman Catholicks have elected Burgesses

p. 33 9<sup>th</sup> Article were Papists and Persons disaffected to the King & Government are Suffered to elect they Choose all such Persons as are disaffected to the King & Governm<sup>t</sup> as they did lately on Captain Henry Smith of S<sup>t</sup> Marys when another Person was duly elected & returned

Said Clark does say he knows Nothing of that Article but is Sensible that the said Captain Smith who was Elected was dissatisfied & dissaffected to the Revolution And being asked whether ever he acquainted his Exc<sup>lly</sup> or any of the Government or house of Delegates thereof Says he did not

10<sup>th</sup> Article Such Persons as have been Dissatisfied to the King & Government he puts into the Offices of the Gov<sup>t</sup>

To this Article the said M<sup>r</sup> Clark made Answer in Writing as follows Viz<sup>t</sup>

As to the Tenth Article viz<sup>t</sup> Such Persons as have been dissatisfied with his Majestys Government he puts into Offices of the Government This Deponent Saith that as for S<sup>t</sup> Marys County where he dwells according to the Antient Division he knows of no Protestants there what was Refractory in the time of the late Revolution Save one Captain Henry Smith as to other Parts of this Province this Deponent knows nothing of his Own knowledge therefore Refers to the Record & Proceedings of those times which Doubtless will shew who was Dissatisfied who not

11<sup>th</sup> Such Persons as have been truly Loyal to their Majestys and first appeared for them & Gov<sup>t</sup> he not only Prosecutes & Disturbs but calls them Traitors & Rebels & threatens to hang them

He says that according to the Words as they are there Lib. X.  
Expressed he cannot make Oath but will give his answer p. 34  
thereto what he knows of it in writing.

14<sup>th</sup> Article he hath erected a Town in a very ill Remote  
Place of the Province which he hath named Annapolis Where  
he holds the Principal Courts enjoyns all Officers to Live  
their hath put the Countrey to an unreasonable Charge  
thereby to no Purpose & to add the Charge An ill Con-  
veniency Ordered all manner of Persons that have Business  
at Common Law or Chancery to Come there on all Occasions  
& also Summoned all manner of Persons bearing any Sort of  
Office to attend there to no Purpose but to Expence &  
Trouble

The said M<sup>r</sup> Clark does Say he knows Nothing of that  
Article

15<sup>th</sup> Article Upon every Slight way without any manner of  
Occasion he will send for Persons in Business with threats  
that if they do not immediately attend him he will send for  
them up in Irons & when they do come up to him he has  
nothing to say to them but Sware at them & abuse them with  
his Unreasonable Passion

The said M<sup>r</sup> Clark does say he knows nothing of that  
Article but by hear say & being asked who he heard say so  
does say he cannot pticularly Remember but does think he  
has heard M<sup>r</sup> Slye say so

16<sup>th</sup> Article he hath put the Countrey to an Unreasonable  
Charge by Building Churches too Big & too Chargeable for  
that Countrey to the great Prejudice of so Good a work &  
upon Land Belonging to Private Persons and in places not  
Proper nor Convenient to build Churches on

The said Clark says he knows nothing of that Article

17<sup>th</sup> Article There is forty Pounds of Tobacco p head settled p. 35  
on the Church & Clergy throughout the Province which he  
abuseth by not applying it as intended & Orders the Clergy  
to be defrauded to the great Prejudice of Carrying on so  
pious a Work in that Countrey

To this Article M<sup>r</sup> Clark says he knows Nothing of it

in the Assembly time that he would not Concern himself  
either the one way or the other With those Articles but being

His Excellency is pleased to acquaint them that the Reason of his Sending for them at this time was that he had Considered with his Majestys honble Council the Great Want of  
p. 40 more Councillors for the more Speedy Dispatch of Business respecting his Majestys & the Countreys Service in all Affairs of the Gov<sup>t</sup> & other Matters coming before them by the Want whereof their is great Delay of Business & more Especially by the Death of three of his Majestys honble Council therefore thinks to recommend them to his Majesty as Persons fitting to Serve in that Quality & Station in the Room & Stead of the honble Coll<sup>o</sup> Geo Robotham Coll<sup>o</sup>

Arundel County hath often applied himself to his Exc<sup>lcy</sup> to  
be discharged from his Command being aged & infirm & for  
that Coll<sup>o</sup> Nich Greenberry the former Colonel of the said  
County is dead it is thought fit upon the honble Thomas  
Tench Esq<sup>r</sup> excusing himself in not being Concerned in any  
Military employ he being Constituted Judge of his Majestys  
Court of Vice Admiralty on the Western Shore of this  
Province & taken up with other Business Captain Hill by

cellency & Council to make true Answer to what Questions  
should be asked her in Relation to M<sup>r</sup> Philip Clark's further  
talking against the Gov<sup>t</sup> before or after the former Words  
she had made Oath to

Who says that the same night the former Discourse hap-  
pened the said Philip Clark told her that M<sup>r</sup> Bladen would be  
turn<sup>d</sup> out from being Clerk of the Assembly by reason of  
some words spoke by the said M<sup>r</sup> Bladen Sewell & M<sup>r</sup>  
Butler which they were said to Complain of to Major Lowe  
Viz<sup>t</sup> that half of the People of the Country was Bought &  
Sold which Words was Reckoned as a very great Grievance  
however in the Conclusion said that he would be Clerk by  
Reason they could not tell where to get such another &  
further that he would get him to be Clerk provided he would  
Submit himself & be sorry for what he had done or words to  
that Effect the said M<sup>rs</sup> Vansweeringen further saith that as  
she Came up in Company of M<sup>r</sup> Harpam to this Port they  
met one Captain Iosias Wilson of Calvert County who told  
them that Some of the Members of the house would have  
some Papers burnt under the Gallows or words to that Effect  
whereupon she said to M<sup>r</sup> Harpam that was like Clarks dis-  
course at S<sup>t</sup> Marys & being asked what she Imagined to be

Lib. X. the Reasons why the other Persons in Company with the said  
 P. 42 Clark did not hear his discourse as well as her Self Does Say  
 that the said Clark directed his Discourse Solely to her &  
 perhaps might speak softly & that they might have been  
 Drinking before

M<sup>r</sup> Harpam being Sworn by the honble Rob<sup>t</sup> Smith Esq<sup>r</sup>  
 Chief Iustice of the Provincial Court does say that as to what  
 words were sworn to by M<sup>rs</sup> Vansweeringen to have been said  
 by Captain Wilson upon the road he can Remember no further  
 discourse then that he heard him say he had been at Annap-  
 olis & that some of the Members of the house had told him  
 there were some Papers to be burnt or Words to that Effect  
 as he verily believes But as to M<sup>r</sup> Clark he Confesses he  
 heard him Say Some time before the City Election that the  
 Kings Lawyers would be called to Acco<sup>t</sup> at the Assembly for  
 some Opinion they had given which he believed or hoped  
 would be found Contrary to Law or words to that Effect but  
 cannot tell which of those words hoping or Believing the said  
 Clark made use of but withal does say that Clark told him he  
 believes it would be a hot Assembly by Reason there were  
 many of the Natives in it

Ordered that M<sup>r</sup> William Harpam Clk of the Mayors Court  
 of the City of S<sup>t</sup> Marys do Return a Copy of all the Proceed-  
 ings by him in the said Court Since his being Concerned as  
 Clk thereof which he is to make Oath to before the Iustices  
 of the County Court of S<sup>t</sup> Marys & afterwards Transmit the  
 Same accordingly unto his Excellency at the Port of Annap-  
 olis with all Convenient speed

Ordered that the Court of Appeals & Writts of Error do  
 Sit to morrow morning

 demnation upon the Appeal

[Conference with Indians.]

Pursuant to an order of his Ex<sup>ty</sup> the Gov<sup>r</sup> & Councill bearing Date the 18<sup>th</sup> of October last past requiring those persons appointed att the head of the Bay to treat with the Shavanole Delleware & Susquehannah Indians or the Major Part of them so soon as Could be to proceed on their said Treaty whereupon Notice was given to the severall Nations aforesaid that on the 23<sup>d</sup> day of May 1698 wee would meet them att the house of Capt. John Hanse then & there as well to Communicate what by this Govern<sup>r</sup> was given in Charge to Receive what by their great men they had to

Communicate to us at which day and place appointed we the Lib. X.  
Said p<sup>rs</sup>ons nominated (M<sup>r</sup> Vanderheyden only Excepted) mett  
and there Stayed till the 26<sup>th</sup> Instant by reason th<sup>t</sup> the King of  
the Susquehen and one of the Shavanole Kings were not  
Come the reason as was Supposed of their delay being a  
great fresh that filled the Runs & so retarded there Travell  
but they not Appearing the said 26<sup>th</sup> day we thought it not  
Convenient to stay any Longer one of the Shavanole Kings  
by name Penascok & Owalla King of the Delleware Indians  
together with nine of his great men being mett according to  
Appointm<sup>t</sup> Cap<sup>t</sup> Jo<sup>s</sup> Hanse together with Hendrick Peterson  
& Cornelius Comagys being Chosen and Sworn Interpreters  
Pursuant of the Afores<sup>d</sup> Ord<sup>r</sup> We proceeded to Informe them  
that Whereas Att a Committee Held att Annapolis June the P. 173  
1<sup>st</sup> 1697 we were required to Represent that Certain Indians  
Outlyers upon the mountaines the names of Severall whereof  
were discovered and in another Order of Councill Inserted  
were Indians properly belonging to the Nation of the Susque-  
hano which Nation were by the said Order required (foras-  
much as they were in Amity with us) That they should call in  
their mountaine Indians or be accomptable for them in Case  
of any Injuries or Damage To which they Answered it was  
Just & reasonable.

It was Demanded if any of the said Indians nominated were  
Resident among them, to which they Answered in the Nega-  
tive.

2<sup>dly</sup> We Informed them what measures were taken ab<sup>t</sup> the  
Piscataway Indians which they well approved of desireing  
that the Amity & friendship w<sup>ch</sup> they the said Shavanole &  
Delaware Indians ever professed to the English might stand  
& remaine Inviolatē.

3<sup>dly</sup> Beshaccus A Delleware Indian and Interpreter Chosen  
by the Susquehanahs being asked if he had any thing to  
Communicate on the behalfe of the said Nation Sayd he Re-  
ceived no further Instruction from them then that they would  
be p<sup>rs</sup>ent att the day & place appointed and seems to be under  
some Consternacōn for their non Appearance.

4<sup>thly</sup> It was acquainted them th<sup>t</sup> the p<sup>rs</sup>ents delivered by  
Beshaccus & Cap<sup>t</sup> Hagrūp to Coll Jo<sup>n</sup> Thompson for his Ex<sup>cy</sup>  
were faithfully delivered & th<sup>t</sup> the said p<sup>rs</sup>ents were by his  
Ex<sup>cy</sup> Kindly Rec<sup>d</sup> and th<sup>t</sup> he Expected to see them Att Annap-  
olis where he would fully Satisfy them for their p<sup>rs</sup>ents.

And we acquainted them likewise that his Ex<sup>cy</sup> never took  
any p<sup>rs</sup>ent from the Indians but he gave them in Return for  
the same more then they were worth & that he Comonly tooke  
but one thing of a Sort and gave them back the rest on w<sup>ch</sup>  
they shook hands with us in token they were well pleased &  
Satisfied with his Ex<sup>cy</sup>s kind acceptance.

Lib. X. It was also acquainted the great man of the Shavanoles th<sup>t</sup> the p<sup>r</sup>sent formerly Delivered to Coll: Herman for the use of his Ex<sup>c</sup>y were never delivered by him att which he and the rest of the Indians p<sup>r</sup>sent seemed much Concern'd at the Abuse afores<sup>d</sup>.

It was required if they had anything to offer or Communicate to the Governm<sup>t</sup> to w<sup>ch</sup> they Answered they had nothing farther then to desire that League of friendship Contracted between us might remaine Inviolable and that they all ways took us for their friends and that they will be so to us, That  
p. 194 they mett us now not for any Complaint they had to make of any Injury sustained by the English but onely to heare by the great man of the Susquehanahs who has lately been taken Prisoner by the Naked Indians & redelivered what it was he had upon that & his Own Nation acc<sup>t</sup> to offer being so desired by them

Shavanoles that we had according to Appointm't mett &  
waited theire Comeing for the Space of 4 days not without  
Some dissatisfaction for theire non Appearance to which they  
Answered that the Cause of theire Delay proceeded not from  
any Careless neglect of theire promise or Iealousie they had  
of the English but were hindred in theire Iourney by the great  
freshes that filled the Runns occasioned by the great Raine as  
fell the day preceeding the Day Appointed for our treaty  
Whereupon by our Interp't's we gave them to Understand

We then asked the King of the Susquehannahs what he had to Communicate to the English whereupon he gave us to understand th' Last fall he was taken by Eleaven of the Shaukkerawq and Carried Prisoner to their nation att which he stopp'd & Ordered his flag to be brought him w<sup>ch</sup> was Inclosed in a leather bagg saying here is a flag of Peace Reced from the King of the Shawkerawques then Calling Beshaccus to Come sitt by him on his right hand after haveing advanced it gradually and with a great deal of formality delivered it to Beshaccus to unveile who boar it advanced all the remainder of the treaty and their proceeding to give an acc<sup>t</sup> of his Kings behalfe what was to be offered on that Subject the Substance of which as follows That their King being Taken Prisoner by the Shawkeraques the last fall was Carried Captive to their Nation where he was kept bound for the space of a month after w<sup>ch</sup> time Expired he was by Order of the King released who bid him not be afraid for th' he should be restored to his own Nation that it was not the Cruelty of his nature prompted him to make warr nor the delight he tooke in the Effusion of human blood for that he knew better & feared th' Eternall God of Nature the Author of life & being  
 p. 197 who by his own power could over rule the sun but a Necessity of State for the procureing a gen<sup>l</sup> & everlasting Peace with all Nac<sup>ō</sup>ns in Order to which he has Endeavoured to take of all Nations that now by him alone he hoped to effect his desires & th' he would forbear all Acts of hostility for the Space of one year either w<sup>th</sup> the Christians or Indians in w<sup>ch</sup> Space of time he required the Christians & Indians Answer by the King of the Susquehannahs but if not Returned in th' time he should then look upon us as Adversaries th' for his Safety in passing & repassing the woods he should bear the fflagg w<sup>ch</sup> w<sup>d</sup> be his Security in Case of any Danger & hoped the Christians would not be against his proposall seeing he desired no other then a free Trade with our Indians & a peace w<sup>th</sup> all

The Reporte of Rob<sup>t</sup> Jones Chirurgeon Concerning the Distemper th<sup>t</sup> M<sup>r</sup> Henry Denton late Clark of his Matys hon<sup>ble</sup> Councill here died of is as followeth.

Lib. H. D. I was sent for to M<sup>r</sup> Denton who had been sick 9 days before I was sent for to him and he kept his bed 3 days of the same before I came to him, when I came to him I found him Extreme ill of a Malignant ffeavor and he had a very low pulse and his Urine as in time of health which I have always Observed to be a true Symtum of a Malignant ffeavor I can and do truly say that I did give him the best remedy's that I possibly Could to the uttermost of my knowledge & skill to remove the Malignaty of his distemper but all my Care skill and Endeavour did prove ineffectuall for the violence of his distemper did gain upon him more and more every day Notwithstanding all my Care and Industry in looking after him till his days was ended by this Malignant ffeavor, which I Solemnly declare was his Distemper according to the best of my knowledge to which I am ready to make Oath according to the Truth the whole Truth and nothing but the Truth Wittness my hand. .

The Council Sate present as Yesterday

M<sup>r</sup> William Harrys of Cæcil County appearing & being told of some words he had said reflecting upon James Frisby Esq<sup>r</sup> one of his Majestys honble Council within this Province the said M<sup>r</sup> Harrys alledged that he was Informed by one M<sup>r</sup> Charles Bass that Esq<sup>r</sup> Frisby reported that his Excellency Col<sup>l</sup><sup>o</sup> Copley late Gov<sup>r</sup> of this Province Came in Governor by the means of the Lord Baltemore & that his Excellency Col<sup>l</sup><sup>o</sup> Nicholson his Maj<sup>stys</sup> present Governor meaning had a Com-mission from the Lord Baltimore or words to that Effect

Ordered that M<sup>r</sup> Harrys give Security to prosecute his accusation

And the said M<sup>r</sup> Harrys nominating several persons & praying they might be Summoned before his Excellency the Governor & Council to prove the same

Ordered that the Sheriff of Cæcil County Do summons Mathias Vanderhayden Charles Bass Tho Church Ann his wife & Iohn Willis that all Excuses sett a part they be & appear before his Excellency the Gov<sup>r</sup> in Council the day after the next Provincial Court to give their Testimony therin

p. 105

Read a certain Clause of an Act of Assembly lately made in the province of Pensylvania entituled an Act of Assembly for preventing frauds & regulating abuses in the Trade of that Province in whit it is Enacted that when any Bill plaint or

Information shall be Exhibited or Comenced against any per- Lib. X.  
son in any Court to be held within that Province or Territory  
for or upon Breach or non performance of any of the Acts of  
Trade and navigation in any case whatsoever the mean or  
manner of tryal shall be according to the course of Common  
Law & known Practice of the Courts of Records within that  
Gov<sup>t</sup> by twelve Lawful men of the Neighbourhood to be Sum-  
moned and returned by the Sheriff of the County where the  
Offence is committed

The aforesaid Clause being referred to Geo Plater Esq<sup>r</sup> his  
Majestys Attorney Gen<sup>l</sup> & Maj<sup>r</sup> William Dent his Majestys  
Sollicitor General they make Report that they take that clause  
to be too general illegal & Contrary to the Laws of England  
for that there were some breaches & offences in Trade that  
are Cognizable in the Court of Admiralty as all things done on  
the Sea are regularly & properly Cognizable there, but that  
that clause by them General terms seems to restrain that Iuris-  
diction and settle all those matters Tryable in the Courts of  
Common Law by 12 Men of a Iury

Therefore they conceive that Clause totally unnecessary &  
illegal & that the several Offences against Trade should be  
tryed according to the Statute Laws & Customs of Eng<sup>l</sup><sup>d</sup> &  
the Directions of them Laws either by the common Law or p. 106  
Court of Admiralty according to the nature of the offence &  
so they take the clause to be that says when any one Iuror or  
Iudge in the Tryal scruples to take an oath their declaration  
or attestation shall be Sufficient it is contrary to the common  
& Statute Laws of England & therefore illegal & void

His Excellency likewise is pleased to ask the opinion of the  
Board & the Gentlemen here present who do severally say  
that they do approve of & concur with the opinion of his  
Majestys Lawyers.

And that if that practice should be continued & allowed of  
there, it will much prejudice his Majesty Service in giving so  
much liberty there, & will be the occasion to have all false &  
illegal Traders resort thither & if that Law should stand in  
force the Traders in that Province will have that Liberty which  
we here & other his Majestys Plantations &c<sup>a</sup> are precluded  
of & occasion Decay in Trade here

P. R. O.                    [Letter of Gov. Nicholson to Board of Trade.]  
[Board of Trade. Maryland. Papers. Bundle. C.]

Maryland port  
Annapolis Aug<sup>st</sup> 20. 98

May it please yo<sup>r</sup> Lord<sup>ps</sup>

I hope in God that long before this the honourable S<sup>r</sup> Tho: Laurence B<sup>r</sup> his Majestys Secretary of this Province, hath waited upon yo<sup>r</sup> Lord<sup>ps</sup> & p<sup>r</sup>sented to you the Journals and publick papers &c. with a letter of the 28<sup>th</sup> of May last, w<sup>ch</sup> I did my self the honour of writing to yo<sup>r</sup> Lord<sup>ps</sup> as allso that w<sup>th</sup> yo<sup>r</sup> leave he hath given yo<sup>r</sup> Lord<sup>ps</sup> a just and full account of all the affairs concerning this his Majestys Province; as allso of the neighboring Governments in relation to this.

I am humbly to beg yo<sup>r</sup> Lord<sup>ps</sup> pardon, that the Journals and other publick Papers, which I now humbly transmit to yo<sup>r</sup> Lord<sup>ps</sup> are not written upon such paper as yo<sup>r</sup> Lord<sup>ps</sup> sent: for it did not come time enough, only for the last journal of Council; which I hope is according to yo<sup>r</sup> Lord<sup>ps</sup> directions: and for the future what is to be sent to yo<sup>r</sup> Lord<sup>ps</sup> shall be written on that paper, or other ruled like it (for I have given and sent Copys of yo<sup>r</sup> Lord<sup>ps</sup> Directions therein, to all publick officers) but hope we shall never want it, because I have sent to Engld. for 12 Ream.

I am likewise to beg yo<sup>r</sup> Lordp<sup>s</sup> pardon for not sending P. R. O. yo<sup>r</sup> Lordp<sup>s</sup> the journals, publick Papers &c. sooner. But M<sup>r</sup> Henry Denton dying before he had been able to form the journal of Council, and of that in Assembly; I have found a great deal of difficulty in compleating them from his Minutes. But I hope they are as truly done, as if, please God, he had liv'd & finish'd them. Another Reason, is the great scarcity of good Clerks; (so that I am allmost forced to make according to the proverb Bricks without straw) only M<sup>r</sup> W<sup>m</sup> Blaiden whome I have found the most capable in all Respects, I have removed from being Clark of the House of Delegates, to that of the Council: and therefore it is, that he now signs all the Journals, both of Council, and of the House of Delegates. And N<sup>o</sup> 1. is an Account of them, and of the laws made in March last.

I have at last had the good Fortune of receiving yo<sup>r</sup> Lordp<sup>s</sup> Commands in the Duplicat of yo<sup>r</sup> Lordp<sup>s</sup> Letter of the 2<sup>nd</sup> of 7ber last, which Col. Robert Quarry gave me. And that w<sup>ch</sup> yo<sup>r</sup> Lordp<sup>s</sup> sent by his Majestys Advice-Boat the Swift, I hear was broken open, and read by some people in North Carolina, and afterwards burnt. And I suppose his Excy S<sup>r</sup> Edmund Andross hath given yo<sup>r</sup> Lordp<sup>s</sup> a full Account of that Affair. And N<sup>o</sup> 2 is a Copy of Cap<sup>tn</sup> N. Bostock Commander of the sd. vessel his Letter about her.

With humble submission to yo<sup>r</sup> Lordp<sup>s</sup> I think it absolutely necessary for his Majestys Service, that an other be sent with all Expedicon. For besides looking after illegal Trade, Privateers, & Pyrates here, and in Pensylvania; such a Force will be an awe upon any who design an Insurrection or Disturbance; and will also be one way to prevent seamen from running away, and being refractory and mutinous aboard their ships; by changing or punishing of them (For I have had several Complaints about these things. And N<sup>o</sup> 3 is a Copy of a Peticōn signed by several Comānders of ships and vessels; as also of my Proclamacon thereupon. But so long as they are countenanced and harbored in Pensylvania, tis impossible wholly to remedy these two Evils; because the seamen can so easily get thither, both from Virginy and this Province.) As also to assist any ship or vessel that shall spring a leak, or whose Seamen may be sick of a seagoing: both which have this year happened to some.

When it pleaseth God that any of these four Accidents happens to a ship or vessel; one is in danger of having her voyage overthrown: or at best, very much retarded.

I have observed that if a Ship or Vessel can but (please God) get clear of Capes, they will venture with a few hands. And others, thō they be sickly of the seasoning, will venture

P. R. O. too, rather than stay; being apprehensive that they should not recover, if they stay in the Country. They are in hopes that being at Sea, & change of air recovers them; which I think it doth. For may be great fears & hopes operate very much upon such sort of people in point of health.

I hope yo<sup>r</sup> Lordp<sup>s</sup> will be pleased to send me his Matys Royal Letter dated the 22<sup>nd</sup> of April 97. requiring my punctual Care in all things relating to the execution of the Acts for the Plantacōn-trade: for there was no Duplicats of it with yo<sup>r</sup> Lordp<sup>s</sup>

According to yo<sup>r</sup> Lordp<sup>s</sup> Co<sup>m</sup>ands concerning his late Excellency Govern<sup>r</sup> Copley's Estate's answering to his Majestys the 4<sup>th</sup> part of the 1<sup>s</sup> p H<sup>dd</sup> on Tobacco, which he ought to have imployed in Stores of war; I have given orders to his Matys Attorney gen<sup>l</sup> to revive the Prosecution at Law ag<sup>st</sup> the s<sup>d</sup> Govern<sup>r</sup> Copley's Administrat.

N<sup>o</sup> 4 is an abstract (taken out of the journals of the Council since my time) concerning Arms, Ammunicōn &c. which I found in this his Matys Province: as also what I have sent for, & is come in upon the Acc<sup>t</sup> of the 3<sup>d</sup> p H<sup>dd</sup> on Tobacco; & how the s<sup>d</sup> Arms, Ammunicōn &c. are disposed of, The several Collect<sup>rs</sup>, Naval Officers, and Receivers, were all sworn to their Acc<sup>ts</sup> before me, and his Majestys honourable Council; that it might appear what was the full summe thereof; in order to have it appropriated for buying Arms, Ammunicōn &c. according to one of his Majestys Royal Instructions to me.

The first Account thereof, which is in folio 23, was sent by Captain Peter Paggan Mer<sup>cht</sup> in London. And the last, w<sup>ch</sup> is in folio 42, was sent by one M<sup>r</sup> Isaac Milner by order of the said Paggan. And from folio 44, to the end, are Copys of Letters to the sd. Paggan and Milner, concerning what Arms, Ammunicōn &c. they are to buy and send in by the next shipping, w<sup>ch</sup> it please God, shall come hither. And for fear there should be any want of them especially of the powder, I sent my own Bills for 250<sup>l</sup>, thō I had not recd. above the half upon account of the sd. 3<sup>d</sup>

In the sd. N<sup>o</sup> 4 are orders of Council concerning the Militia, which I think dos not deserve that Name; for I find it morally impossible to have any tolerable one, as the Act is now. But I intend (God willing) to try the Assembly once more for a new Act.

The Reasons why I have not given particular Commissions, are because I can not find men enough, that are qualifed for their Loyalty, Courage, and Diligence, to be made Officers. And those who are obliged by Law, to be either, Horse, Foot, or Dragoons, and to have Arms, Ammunicōn &c. of their own; can not amongst them all, fully equip a twentieth part. For

as for the 400 men which were order'd last Fall to be drawn P. R. O.  
out of all the Militia upon the Account of the Indians, and to  
be in readiness upon all extraordinary occasions; I have not as  
yet had an account of their being compleated in all respects.

And with humble Submission to yo<sup>r</sup> Lordp<sup>s</sup> I don't think it  
for his Majestys Service at p<sup>r</sup>sent, to alter the method that I  
have taken concerning the Militia; for fear that if they have  
particular Commissions under my hand & seal, they may make  
use of that power to his Majesty's prejudice. For I think  
some have endeavoured to raise a Rebellion; or at least, have  
made very great disturbances: The account of w<sup>ch</sup> your  
Lordp<sup>s</sup> may please to see by the Depositions of several  
Persons upon oath, in the last Journal of the Council. Some  
are of Opinion that my Lord Baltimore will have his Govern-  
ment again: and others hope so. From the first account we  
had of the likelihood of a Peace, especially when the happy  
News thereof came, these things have happened here. For  
some were very willing that his Majesty should deliver them  
from Popery and slavery, and protect them in time of War:  
because they were not then able to preserve them selves. But,  
now it hath pleased God, by his Majesty's unimitable Valour &  
Conduct, and indefatigable pains, that these troubles and fears  
are ceased; they are not satisfied w<sup>th</sup> his Majestys Govern-  
ment; because it curbs them in their former atheistical, loose,  
and vitious way of living; and debars them of their Darling,  
illegal trade.

The Papists joyne with them as doe also the Jacks, both  
Jurors, and Hon's. but I think them selves may be esteemed  
such sort of Jemmys: and I suppose, some of the Quakers too.  
If my Lord Baltimore should have this Government again, they  
hope (as formerly) these things would be suffered. For I  
suppose my Lord must comply with the Iesuits in the point of  
Religion; who, no doubt, will take more vigorous Resolucōns,  
and put them in Action for the promotion of their damnable  
tenets. And I believe his Lordp will consider that the best,  
if not the only way to promote his temporal Interest here, will  
be not to disturb them in their illegal trade, or other ill prac-  
tices: for fear that if they can not enjoy them under his Lordp<sup>s</sup>  
Government; they may assume it to them selves: which will  
be no very difficult thing for them to doe: except his Majesty  
will be pleased to protect his Lordp but whether yt be advice-  
able for his Majesty so to do, or no, your Lordp<sup>s</sup> are very  
proper Judges. And I imagine that his Lordp. will not be  
against their being easy (as they call it) so long as the several  
Branches of his Revenue doe but increase, and are well payd.

I fancy that these dissatisfyed People here, design to have a  
tryal of skill, whether they can by their own, and their accom-

P. R. O. plices, ways, and means, get my Lord his Government again. And I think they would either be Govern<sup>rs</sup> them selves, or have such an one as they might rule. For I have observed that the people in these parts are not much for having their Govern<sup>r</sup> to be a Native: and a great many of them are pretenders. But whether this be for his Matys. Service, or the Interest of Eng<sup>ls</sup> in point of Trade &c. Yo<sup>r</sup> Lordp<sup>s</sup> can very well determine. But with humble submission to yo<sup>r</sup> Lordp<sup>s</sup> I think there is odds on Nature's side, that they will much rather act to the Contrary.

I am almost morally assured, that when it pleaseth God, there shall come an Account that his Majesty will keep the Government; there will be an end of all these Desturbances. In the Interim I hope in God, that as I have hitherto been able: so shall continue to preserve this his Majesty's Government, according to his Majestys Royal Commission and Instructions, & yo<sup>r</sup> Lordp<sup>s</sup> maugre all its Enimys, both publick & private.

With humble Submission to yo<sup>r</sup> Lordp<sup>s</sup> I can without vanity, and with a great deal of truth affirm, that I have had a continual very troublesome and chargeable Government in all Respects. For I don't look upon any thing I have done; but as it was my bounden Duty to his Majesty: and am heartily sorry that I have not been able to doe more for his Majestys Service: but I'm sure the reason is not for want of a willing heart.

By S<sup>r</sup> Thomas Laurence I sent yo<sup>r</sup> Lordp<sup>s</sup> as exact an Account as I could then get of all the Moneys given for publick uses; and how the same has been from time to time expended & layd out. And I hope Y<sup>r</sup> Lordp<sup>s</sup> will pardon me, that you had not them before, nor then so complete; having very few proper and useful Tools to work w<sup>th</sup> all: For I am not only to give Orders to the several officers, both principal and inferiour; but to see them execute them; and may be, give them directions therein. And I hope that no other of his Matys Governours are under the like unhappy Circumstances. But N<sup>o</sup> 5 is George Plater Esq<sup>r</sup> &c. his Account, which is more full than that which I sent yo<sup>r</sup> Lordp<sup>s</sup> by S<sup>r</sup> Thomas. And N<sup>o</sup> 6 is George Muschamp Esq<sup>r</sup> his Account &c. And for the future (God willing) yo<sup>r</sup> Lordp<sup>s</sup> shall have them constantly sent, & in ruled paper, according to yo<sup>r</sup> Lordp<sup>s</sup> Orders; having given them directions for so doing.

I humbly beg leave to observe to y<sup>r</sup> Lordp<sup>s</sup> that the several Sums in the Accounts, which were pd. to me, were for having payd the same by a few bills of Exchange; which are repayed in several small ones: and that I was out of my money some time, that I had not the least Interest; but some charge and

trouble about it: And that since I had the honour to serve <sup>P. R. O.</sup> his Maty in that Stacōn, I never received any Tobaccos or money as a p'sent from the Country. And they have only allowed me Ninety six pounds ten shillings for the Rent of a House, since I came into this Province. And since I came to this place, which is now about 3 years & ½. the Country hath been at no charge for a Council-Chamber; which they were annually at before. For the Council hath allways met in my House: And yo<sup>r</sup> Lordp<sup>s</sup> know very well that his Matys Govern<sup>r</sup> of Virginy hath 150<sup>lb</sup> p Annū for House-Rent: And the Country pays 25<sup>lb</sup> p Annū for a Council-Chamber. The peace, I hope, hath made an End of o<sup>r</sup> assisting N. York: But if it please God, I should be called upon by his Excy the Earl of Bellamont; yo<sup>r</sup> Lordp<sup>s</sup> Commands therein shall be obeyed

What yo<sup>r</sup> Lordp<sup>s</sup> are pleased to write concerning the Boundarys between this Province and Pensylvania being layd out: I have not been able to perform yo<sup>r</sup> Lordp<sup>s</sup> Commands therein; by reason that the Order of Council of the 13th of 9ber. 85. made in the late King James his time, was not with yo<sup>r</sup> Lordp<sup>s</sup> Duplicat: neither M<sup>r</sup> Pen his letter to Col. Markham: For I suppose they underwent the fiery tryal in North-Carolina.

I have heard that my Lord Baltemore was tricked by M<sup>r</sup> Pen about that order of Council: For, according to my Lord<sup>s</sup> Patent, the Boundarys of Maryland are beyond that line. Whether yo<sup>r</sup> Lordp<sup>s</sup> will be pleased to examine further into that Affair, is not for me the least to dispute.

N<sup>o</sup> 7 are Copys of several Letters, and other papers, w<sup>ch</sup> I rcd from Col. Robert Quarry, as also one from M<sup>r</sup> Moore, with a Copy of my Commission for appointing Judge, Advocate, Martial, & Register in this province, Pensylvania, & West-Jersey. But with submission to yo<sup>r</sup> Lordp<sup>s</sup> I think that the Court of Admiralty, which his Majesty hath ordered to be established in Pensylvania, will be of no Use, if the Act which was passed lately there, is to be of any Force. And N<sup>o</sup> 8. is a Copy thereof, with some Querys which I have p'sumed to put to it: as also his Majestys Attorney gen<sup>l</sup> and Council at Law, their Report upon the Last Query; with the Opinion of some of his Majestys Council and Provincial Justices thereupon.

The Form of the sd Law (but I think it doth not deserve so sacred a Name) seems to me to be somewhat extraordinary; for I don't find that it is enacted by any Body; nor words to that Effect: But there is a great pretence of securing his Majestys Interest; especially concerning Tobaccos, which I am glad to find they own; and that there may be such a thing as illegal Trade in that Province. But this with humble Submission to y<sup>r</sup> Lordps as also it seems to me that by the wording of that Instrument, no law made in Engl. should be of force

P. R. O. there, tho the Plantacōns were named in it (and may be they are of opinion, that because they have pretended to add new Penalties to the Acts for Trade &c. made in Engld. their so doing may be as the Grass to hide their Snake: but I think it is one with Rattles, by which he is easily discovered, and then as easily destroyed) unless they gave a sanction to it by way of Friendly Caution to their spirituallized Brethren.

And I have observed that a great many People in all these Provinces and Colonies, especially in those under proprietors; and the two others of Connecticut, and Rhode-Island, think that no Law of Engld. ought to be in force, and binding to them; without their own consent. For they foolishly say, they have no Representatives sent from them selves to the Parliaments in Engld. And they look upon all laws made in Engld. that put any Restraint upon them, to be great hardships. I will endeavor to get all the Laws, Ordinances, and Proclamacōns of Pennsylvania, and West-Jersey, in order to send them to yo<sup>r</sup> Lord<sup>ps</sup> but I fear it will be a difficult thing to obtain them if they know they are for strangers: especially for me: for M<sup>r</sup> Pen writes that M<sup>r</sup> Moor's and Cap<sup>tn</sup> Snead's corresponding with me, is villanous in them and not well in me. All the publick Correspondence that I have had with them concerning illegal trade, Pyrats, Privateers &c. I have sent accounts of, and cōpys of their letters to yo<sup>r</sup> Lord<sup>ps</sup> and I think it my duty so to doe, till I have yo<sup>r</sup> Lord<sup>ps</sup> Commands to the Contrary. And I intend to keep Cōpys of them: because I think I ought to have them by reason that his Majesty hath impowered me, upon Vacancys, to appoint a Judge &c. allso to see whether any of these things concern his Majestys Interest in general, and this his Province in particular.

With Submission to yo<sup>r</sup> Lord<sup>ps</sup> if this Pensylvanian Law should be in force there, it would be an example for the other Proprietor's Governments to make such an one: And upon the like Occasions, they may enact others as repugnant to the Laws of Engld.

And I humbly beg leave of yo<sup>r</sup> Lord<sup>ps</sup> to make this proposal, vizt. that all Governours in these parts of the World; whether they have his Majestys Royal Commission, or Proprietors; or be elected by the People, as in Connecticut, & Rhode-Island, be obliged to give good security for the due performance of the Trust reposed in them especially for the due observance of the Oaths which they are obliged to take, made in the 7<sup>th</sup> & 8<sup>th</sup> years of his Matys Reign for p<sup>r</sup>venting Frauds &c. and that they take no Rewards directly, or indirectly, from any Pyrats, or Privateers: and that they neither encourage, harbour, or protect them, but will, to the utmost of their powers, use all lawfull means to have them apprehended Secured; in order to

have them punished according to law: and that they be obliged P. R. O.  
to take an oath to this effect, concerning Pyrats and Privateers,  
under the same penalties as the Acts of Parliament about illegal  
Trade &c. have provided: in case the Govern<sup>r</sup> refused to take  
the oath; or break it afterwards. For it may so happen, that  
some Governours may get more by illegal Trade, Pyrats, and  
Privateers, than their Governments are worth: or, as the Com-  
mon saying is, make their Fortunes at once; when they shall  
use such ways & means.

When our Assembly meets, I shall lay before them yo<sup>r</sup>  
Lordp<sup>s</sup> Letter of the 21<sup>st</sup> of March last, as also the Act for  
restraining and punishing Privateers and Pyrats in his Majestys  
Island of Jamaica. And according to his Majestys Royal  
Command Signified to me by yo<sup>r</sup> Lordp<sup>s</sup> I will use the  
utmost of my Endeavo<sup>r</sup> with o<sup>r</sup> Assembly, to pass such an Act  
here.

I am heartily sorry that yo<sup>r</sup> Lordp<sup>s</sup> have so just an occasion  
to write about the Laws of this his Majesty Province being in  
such Counfusion. But I doe assure your Lordp<sup>s</sup> that I have  
several times proposed to the House of Delegates, that they  
would get some proper person or persons to revise their  
Laws, and draw them up better, both Stile, Form & Method:  
but this they would not doe, (for I suppose they had the  
Change of Government in their heads: and this would cost  
money, and they get none of it) tho I am very sensible they are  
deficient in them all. They once appointed a Committee to  
doe something of this Nature in the Interval of Assembly: but  
never met: & if they had, I don't see that they could have  
done much: for we have not men qualified for such an under-  
taking.

But, according to yo<sup>r</sup> Lordp<sup>s</sup> Commands, I have imployed 3  
of the best Clerks, and all I could get; and they are now  
Copying out, (upon that paper which yo<sup>r</sup> Lordp<sup>s</sup> were pleased  
to send) all the Laws w<sup>ch</sup> were passed both in Govern<sup>r</sup> Cop-  
leys, & in my time. And I hope to have the Body of Laws  
finished within a moneth; for I attend them daly. Then they  
shall (God willing) according to yo<sup>r</sup> Lordp<sup>s</sup> directions, be sent  
to you. And I have also for these two last years, refused to  
revive their temporary Laws that were enacted before.

But with humble Submission to yo<sup>r</sup> Lordp<sup>s</sup> at first I found  
it absolutely necessary for his Majestys Service, to revive some  
of them. So I hope yo<sup>r</sup> Lordp<sup>s</sup> will be pleased to pardon me,  
and what I have done herein, should not at p<sup>r</sup>sent be agreeable  
to yo<sup>r</sup> Lordp<sup>s</sup> Comands. And what others yo<sup>r</sup> Lordp<sup>s</sup> may be  
pleas'd to send, shall be punctually obeyed by me.

I send to yo<sup>r</sup> Lordp<sup>s</sup> by Sir Tho: Lawrence the original Lists  
of Taxables, with a distinction of Freemen, Servants, Negroes,

P. R. O. with their Religions; but finding that they were very imperfect, have given new Orders about it, as also about the sherriffs returns relating to those Persons that are imploy'd in places of Trust, contrary to the Intent of the Act for preventing Frauds &c. and likewise for a more perfect return concerning the number of sea-faring men, ships, and vessels. But they never having been us'd to such Returns; & most of the Officers either so very negligent, or not capable; are the reasons that I have not been yet able to send them to yo<sup>r</sup> Lordp<sup>s</sup>

I hope that their Hon<sup>rs</sup> the Commissioners of his Majestys customs, will doe something concerning the Assemblys Address to his Majesty for the remission of Forfeits upon Navigacōn-Bonds. And then I shall be sure (as yo<sup>r</sup> Lordp<sup>s</sup> please to write (that you will take all due care of it, when yt comes before yo<sup>r</sup> Lordp<sup>s</sup> (God willing) I intend to send to them by one of the next ships; which I suppose, will be within a few days, a Copy of the Pensylvanian Act, as also Copys of Col. Quarys Letters; For the Col. told me they had spoken to him to give them an Account about the Admiralty &c.

According to yo<sup>r</sup> Lordp<sup>s</sup> Commands to me, I shall exert all the power I have in the redressing of that evil of taking up too large tracts of Land, more than the Grantees are able to cultivate. But the soyl in this Province, being my Lord Baltimore's, I find my self invested with no power from his Majesty concerning it. But I shall lay it before the Assembly, and endeavour by some Act, or Ordinance in some measure to redress that Grievance. But as for preventing it in Virginy; I think it may be easily done for the future. When I had the honour to serve his Majesty as Lieftenant Govern<sup>r</sup> there, his Matys Royal Instructions to the late Lord Effingham then chief Governour, which bore date the 9<sup>th</sup> day of S<sup>ber</sup> as were sent to me; one of which is, vizt. "And whereas we have  
 "been informed that the Grant of o<sup>r</sup> Royal Grandfather of  
 "blessed memory heretofore made to that our Colony, to  
 "exempt the Planters from paying Quit-rents for the first seven  
 "years, did turn to the great prejudice of that o<sup>r</sup> Colony, and  
 "that many took occasion thereby to take and create to them  
 "selves a title to such quantitys of land, which they never  
 "intended to (or in truth could) occupy or cultivate; but thereby  
 "only kept out others who would have planted and manured  
 "the same: And the late King Charles the 2<sup>nd</sup> of blessed  
 "memory, having therefore by his Instructions given to S<sup>r</sup> W<sup>m</sup>  
 "Berkley, revoked all such Grants, as contrary to the Intention  
 "of o<sup>r</sup> Royal Grandfather, and to the good of our Subjects  
 "there: We doe likewise give the same Directions to you; that  
 "if any such Grants should still be insisted on, the same be  
 "looked on, and taken to be voyd and of none effect: and you

"are likewise to restrain the unlimited Practice of taking up P. R. O.  
"more land, than can reasonably be cultivated; and to regulate  
"all abuses therein."

And this Instruction I had published in the Provincial Court, and recorded there (for whoever petitions for land, must doe it there) and refused granting of patents to them who I found were not qualified to take up land according to it. And if any have taken up land contrary to the Tenour of this Instruction, (which no doubt, most of the great tracts in Virginy have been) quære whether or no his Matys Attorney gen<sup>l</sup> there may not prosecute them. But with submission to yo<sup>r</sup> Lordp<sup>s</sup> I think that his Matys Attorney, and Solicitor gen<sup>l</sup> in Eng<sup>l</sup>d should give their opinion thereupon: for alass, few or none that practice as Lawyers in these parts, know much, if any thing of the matter. When I was in Virginy, I have heard that it had been a common practice for persons who would take up land, according to the Condiçions of Plantacõns, vizt. 50 acres for every person imported; that they could buy Rights (as they call'd them) from the clark of the Secretarys Office. Sometimes he purchased them of those who were really imported; and other times would set down persons Names of his own inventing: and sometimes those who brought names to register on the Account of the 50 acres p head, would doe so too. I think a person was once detected for pretending to register the Names of the chief Gentlemen in Kent: by doing which he was found out: the clark either being of that country, or remembring their Names. And no doubt several such Cheats have gon undiscov'ed; as also that those persons who have been really imported, their Names have been made use of several times. An other way, I humbly conceive, to make those who hold great tracts of land, quit some of them, will be by obliging the Audit<sup>r</sup> either by himself, or some other person or persons, to find out the exact Number of Acres that every person holds: & make those who have pd. for less than they have, to pay their arrears: which, I think, by Law, they ought to doe: and then no doubt some of them will be forced to quit some of their Land: and so that Branch of his Majestys Revenue about the Quit-rents will be augmented. For the auditor hath seven and an half p cent. for taking an account from each respective Sherriff (who hath ten p cent for receiving the Quit-rents in Tobacco, which is taken at 1<sup>d</sup> p pound; and every 50 acres is to pay 1<sup>s</sup> yearly) and selling the Tobaccos afterwards for ready money, or good bills of Exchange. When I was in Virginy, I found that the Quit-rents were sold privately, and the major part of them bought by the Counsellors: But the last year I had notice given in in the Provincial Court, that any person who would give most for them, might have them.

P. R. O. And they sold that year, for more in the hundred, than they did before: and I suppose, will allways doe so, when so exposed to sail: For I found that that way gave great satisfaction, as the other did the contrary.

When I transmit to yo<sup>r</sup> Lordp<sup>s</sup> the Body of Laws which are now transcribing fair; I shall endeavour (according to yo<sup>r</sup> Lordp<sup>s</sup> Commands) to send yo<sup>r</sup> Lordp<sup>s</sup> the Draught of one for a gen<sup>l</sup> pardon: and shall likewise observe yo<sup>r</sup> Lordp<sup>s</sup> directions concerning the pardon for the two Women guilty of Murder. But I have an account that one of them is gotten away from Robert Mason late Sherriff of S<sup>t</sup> Marys County.

Being yo<sup>r</sup> Lordp<sup>s</sup> think it not fit to propose to his Majesty the establishment of any new Office in any particular place, as that of Sollicitor gen<sup>l</sup> here: with yo<sup>r</sup> Lordp<sup>s</sup> Consent I shall endeavour to make M<sup>r</sup> W<sup>m</sup> Dent some sort of satisfaction for what services (w<sup>ch</sup> have been very many) that he hath done his Majesty in that Stacōn. For he hath had a very troublesome time of it; and no doubt hath lost very considerably by his practice. But I dare affirm, that had not he been imployd in his Matys Law-Affairs; they would have suffered very much, both for want of him, and of his being on the contrary side.

Before the next moneth be out, I expect to have accounts from every County what number of persons (please God) are dead of this last distemper: which I judge by a rough Computacōn, are betwixt 800 & 1000 persons: but now, I thank God, the distemper is quite over.

There hath been imported this summer about four hundred and seventy odd Negros, vizt 396 in one ship directly from Guiny. 50 from Virginy, which came thither in a ship from Guiny. 20 from Pensylvania, which came thither from Barbadoes: a few others from other places. And by the middle of the next moneth, I hope to have the certain Number of Servants imported; which by such an other Computacōn, may be about 6 or 700. whereof most part are Irish. Now, if please God, there should next year, or within 2 or 3 years dye the like Number of Inhabitants; and there should be imported as many Irish and Negros, especially of the first, who are most, if not all, Papists; it may be of very dangerous consequence to this his Majestys Province; as allso to that of Virginy; being I hear they are under all the same Circumstances. And they might make great disturbances, if not a Rebellion: because these are very open Countrys, and they may have easy Comūication with one an other near the Falls of Potomock; And in each Province they can doe it much easier: for the comōn practice is on Saturday nights, and Sundays, and on 2 or 3 days in Christmas, Easter, & Whitson-tide, they goe and see one an other, thō at 30 or 40 miles

distance. I have several times both in Virginy and here met P. R. O.  
Negros both single, and six or 7 in Company in the night  
time. The major part of the Negros speak English: and  
most people have some of them as their domestick servants:  
& the better sort may have 6 or 7 in those circumstances: and  
may be not above one English: And they send the Negro men  
and Boys about the Country, when they have Business; and  
they commonly wait on them to all publick places: So that by  
these means they know not only the publick, but private  
Rodes of the Country, & Circumstances thereof. And as for  
the Irish servants, they have more privileges: and I don't  
know but they may confederate with the Negros; and in the  
summer time they may keep out in the Woods about the  
Frontiers, which are very thinly inhabited. But a great many  
of the people's Stocks of Cattel & Hogs run there, which  
may supply them with Victuals: In which parts there are  
a great many Swamps that they may fortify; and it will be  
very difficult and dangerous to come at, & force them out.

And if it please God these things should happen, even the  
subduing of them would be a very great charge and loss to  
the Country in gen<sup>l</sup> and to their Masters in particular I  
have put the House of Delegates in mind of these things, and  
shall again at their meeting the 20<sup>th</sup> of October next, remind  
them of them in order to have some Law made for the  
restraining of servants and Negros going and rambling so  
abrode

It's generally supposed that there will be left both in Vir-  
giny and here, Goods enough to purchase, and Ships to carry  
away half the next Crops of Tobaccos.

Here hath lately happened very great Rains, which will  
probably drown some quantitys of the Tobaccos; especially in  
the low Lands; (and the half of our Eastern shore is so) as  
allso spoil some of the ripe and forward: but the greater part  
of it is latter Tobacco. So that unless please God, there  
should be seasonable weather for above a moneth; there  
will be but indifferent Crops made in this Province.

By the best accounts which I can get, all the English Pro-  
vinces here, on the Continent, have been allso overstocked  
with ships and goods from Engld. so that in some places  
they sell their Goods for less than they cost them in Eng<sup>ld</sup>  
Both in Virginy, and here, they are very cheap, and Tobaccos  
pretty dear: and some ships go at very low Freight: So I  
shall not p'sume to trouble yo<sup>r</sup> Lordp<sup>s</sup> as formerly, about hav-  
ing the Merchants send a quantity of Ships and Goods to  
supply the Market &c.

I hope that I shall have yo<sup>r</sup> Lordp<sup>s</sup> Pardon, if I observe that  
M<sup>r</sup> Pen's chief insinuating Reason, That the ten p Cent laid

P. R. O. on Goods here, hinder'd the Importacōn of English Goods into Pensylvania, now appears (like some of his others) to be none at all. And for his saying that 'tis a partial Law; I hope that what is in N<sup>o</sup> 9 being a Copy of an Act of Assembly, and a minute there of, will satisfy yo<sup>r</sup> Lordp<sup>s</sup> to the contrary: And the Act for ten p Cent: expires next May.

Upon Inquiry I find that the English Islands in the West-Indies, are under the same Circumstances for the quantitys of ships & Goods; as allso that where ever the English trade, suppose they have overstocked their Markets. Now, if it be so, I think my Country men may not have playd the politick part; yet they have shewed how vastly rich they are, w<sup>ch</sup> pray God continue. And I hope that will be publickly taken notice of, especially in France; that after so long, cloudy, and very expensive a War, & the loss of so many Ships and Vessels, they have been able more than enough to furnish all parts with such great quantitys both of ships, and Goods: so that I think in some sort, the trade of this year in respect of the War, may be compared to the great fire of London, and the sudden building of it much finer than ever twas; as I allso find they doe their Ships.

In reading one of the monethly Mercurys, I was very sorry to find that both from East and West France they were designing to send great Settlements to the River of Meschasiipi. For having lately read Hennapins Travels into those pts. I find that if they settle that River, that and the River of Canada will encompass all the English Dominions here. And if please God, the French should get all the Indians on their sides, or have force enough to beat or over-aw them that will not joyn with them; they may be very troublesom to all our Frontier plantacōns on this Continent. For upon Inquiry I had an Account from some Chaovonon Indians whose Country lies to the south-west of South Carolina, & a Frenchman that came with them, and was with Monsieur de la Salle that Journey that he was killed; that the French have some settlements West Southerly not above 200 Miles from the Falls of Potomock. One of the chief of those Indians I got to chalk out the way to those Settlements, & so to the River Maschasiipi, to the parts adjacent, and down to the Bay of Mexico. I had one, who with the help of the French man, made a small rude draught with a pen, which I find in some sort to agree with Hennapins Mapps. And I find that in pag: 250 of his Book, he had by an Indian, a Country of 400 leagues described, which he found to be very exact. I am afraid that now please God, there is a peace, the French will be able to doe more dammage to these Countrys, than they were able to doe in the War. If they can not be prevented from setling on

the River Maschasipi; I humbly propose that Incouragement P. R. O. may be given to the Inhabitants of these Countrys; or to any in Engld. so that they may be able to furnish the in-land Indians with such quantitys of Goods, and so cheap, that they may get the Trade from the French, or prevent their increacing it, and if possible, make settlements amongst the Indians, as the French doe, and build Vessels upon their Lakes.

By the latter end of the next moneth, I suppose all the ships and vessels, w<sup>ch</sup> loade this years Tobacco here, will be sailed: and the Receivers, Collect<sup>rs</sup>, and Naval Officers, will be able to make up all their Accounts, and compleat their Lists of ships &c. and by one of the last ships, I design, (God willing) to transmit them to yo<sup>r</sup> Lordp<sup>s</sup>

In the Journal of the Council which is marked (letter F) the latter end thereof, are copys of Letters, and other papers sent to his Excy S<sup>r</sup> Edm<sup>d</sup> Andross from my self, and his Majestys Council here, about Cood, Slye, Mason, & Clark; with the hon<sup>ble</sup> Col. Edm<sup>d</sup> Jennings Deputy Secretary of Virginy, his letter to Lieutenant Olleman, with a Copy of S<sup>r</sup> Edm<sup>ds</sup> Warrant to take Cood, with his Letter of Iuly the 13th in answer to what was written to his Excellency about Cood, Slye, Mason, Clark &c.

With humble submission to yo<sup>r</sup> Lordp<sup>s</sup> if such persons be suffered to live in a neighboring Province, especially one under his Majestys immediate Government, and when desired to be sent back to an other under the same Circumstances, in order to have legal tryals: 'twill be a great Incouragement for mutinous and rebellious Fellows. And the Proprietor's and elective Governments, will, no doubt, make use of this as a p<sup>s</sup>ident for doing the same upon the like occasions. For 'twill be an extraordinary thing when these Governments are with out such sort of persons as Cood; who, I think, is a diminutive Ferguson, in point of Government; and a Hobbist, or worse, in point of Religion. Slye a mimick Goodman for Amours; but can not get him self out of Debt. Mason a great pretender to honesty; but hath cheated and oppressed most of those that lay in his power to serve so. Clark a mighty pretender to Law, especially to Magna Charta; For he was one of the great Incendiarys in the house of Delegates: especially about the last Act of Religion &c. For he drew it, and would have that clause in, about the libertys and propertys of the Subject: tho he knew that his Majesty had disapproved the former for having such a clause. From working at the Howe, he p<sup>s</sup>umed to take upon him that noble Profession of the Law. And in his pleading he is very confident, impudent, and balling. And I have had an acc<sup>t</sup> that he is not honest to his Clients.

That which I most humbly beg of yo<sup>r</sup> Lordp<sup>s</sup> is, that if these

P. R. O. persons, or other such like pretend to accuse me to yo<sup>r</sup> Lordp<sup>s</sup> they may be obliged to sign the same, & give security: for Cood and Slye ow more than they are worth; especially the latter; who w<sup>th</sup> much shirking keeps out of Jail. Mason and Clark have very inconsiderable Estates: So that when I have cleared my self, which I hope in God, to doe by yo<sup>r</sup> Lordp<sup>s</sup> permission; I may have my Remedy at Law agst. them. Its one of Coods principles that Fling a great deal of Dirt, and some will stick: and its not to be doubted but they agree with him therein.

I neither pretend to be infallible, nor wise at all times; for I very well know that 'tis in man to err, & none lives without faults: but I dare affirm to yo<sup>r</sup> Lordp<sup>s</sup> that mine are of the Understanding, and not of the will: especially those concerning this his most sacred Majestys Government.

When his Majestys Affairs obliged me calling the Council, I have done it: but several times have not been able to get 3 of them together: So finding it absolutely necessary for his Majestys Service; I have called to my Assistance Major John Hammond who lives with in 3 miles of this place, is one of the Provincial Justices, and one of the Delegates for this County; with Cap<sup>l</sup> Richard Hill, who lives just by the town, & is allso a Provincial Justice and Delegate: and sometimes Mr Thomas Tasker who lives from hence about 30 miles, and is one of the Provincial Justices also. If I had not called these Gentlemen: I must have been forced either to have left his Majestys Business undone for want of 3 of the Council; or must have done it with the Assistance only of one or two of his Majestys Council.

If what I have done herein, be not to yo<sup>r</sup> Lordp<sup>s</sup> Satisfaction: yet I hope yo<sup>r</sup> Lordp<sup>s</sup> will be pleased to grant me yo<sup>r</sup> Pardon for it, as an intellectuall, and not a willfull Error: as allso for this very long letter: & that yo<sup>r</sup> Lordp<sup>s</sup> will be pleased to give me leave to assure yo<sup>r</sup> Lordp<sup>s</sup> that I must own myself to be

Yo<sup>r</sup> Lordp<sup>s</sup> most obliged,  
obedient,  
and faithfull humble Servant

Fr: Nicholson

Your Lordp<sup>s</sup> having been pleased to send me a good Number of printed Proclamations prohibiting his Majestys Subjects betaking them selves to the service of foreign Princes and States, were extraordinary usefull and serviceable. Lib. X. At a Council held at the Port of Annapolis the 27<sup>th</sup> day of  
p. 124 August in the tenth year of the reign of our Sovereign Lord  
King William the third &<sup>ca</sup> Annoq Dni 1698

Present

His Excellency Fra Nicholson Esq<sup>r</sup> Cap<sup>t</sup> Gen<sup>l</sup>

the honble { Col<sup>o</sup> Henry Iowles Chancellor  
Major Iohn Hammond  
M<sup>r</sup> W<sup>m</sup> Dent his Maj<sup>stys</sup> Soll<sup>r</sup> Gen<sup>l</sup> }

M<sup>r</sup> Philip Clark being brought to Town in Custody of Robert Clark under Sheriff of S<sup>t</sup> Marys County His Excellency is pleased to tell the said Philip Clark that he had sent for him because it appeared to him & his Majestys honble Council by many Depositions that he Iohn Cood Robert Mason & Gerr<sup>d</sup> Sly had endeavoured to raise a disturbance in the Province even tending to actual Rebellion

And that it appeared by the Sheriffs return of the Præcept to him directed that he the said Clark had fled thereupon

M<sup>r</sup> Philip Clark says that he did not fly he is told that he went into Virginia & says he was there about five or six days

M<sup>r</sup> Clark being asked if he had been in Coods Company in Virginia says that he has & eat & drank with him at M<sup>r</sup> Spencers in Virginia

Is asked if he surrendered himself upon his Excellencys Proclamation & says he did not

Is asked if he knows were Cood is now M<sup>r</sup> Clark says he has not seen him since he was last in Virginia

And being asked if Cood was not at the General Court in Virginia says he thinks he heard him say he was

The said M<sup>r</sup> Clark is told that the reason why his Excellency sent for him up so soon before the Court is not only to put an end to & prevent his raising further Disturbances & Comotions but to convince him & his Associates that he was to be taken by a warrant from his Excellency & that none of them were above the Law

p. 125 The said M<sup>r</sup> Clark is asked if he never had any communication with one M<sup>r</sup> Hunter a Iesuit says never but once

Produced & read a paper containing several Articles of Charge against his Excellency the Gov<sup>r</sup> M<sup>r</sup> Clark says it does not concern him but thinks he had heard Cood read such a paper.

And an Article Accusing his Excellency of Chambering & threatning the members of Assembly to make them comply with him

His Excellency is pleased to say that he did send for Clark because he understood he had a Letter from the Treasurer of

the western shore directed to the Assembly which was relating Lib. x.  
to the Treasury and delayed to deliver it

M<sup>r</sup> Clark says the Articles are not his nor do they Concern him

M<sup>r</sup> Clark is told that he is required to enter into Recognizance with two Securitys himself in one thousand pounds Sterl & each of his Securitys in five hundred pounds Sterl to appear at the next Provincial Court & to answer what should be Objected against him on his Majestys Behalf in the mean time to be of good Behaviour

M<sup>r</sup> Clark says that he has given security already in 40000<sup>l</sup> Tob<sup>o</sup> to a Capias at the Kings Suit & 40000<sup>l</sup> Tob<sup>o</sup> to a Venire & hopes he shall not be held to further Bail

It is observed to the said M<sup>r</sup> Clark that the great Bail which p. 126  
he pretends to be already held to is upon the Acco<sup>t</sup> of his associate M<sup>r</sup> Robert Masons sheriffs Bond for whom he was one of the Securitys, the said Bond being a Bond of 200000<sup>l</sup> Tobacco for the due Execution of the said masons office and now assigned & prosecuted by M<sup>r</sup> G Vansweeringen

And the said M<sup>r</sup> Clark being asked who were his Bonds Securitys says M<sup>r</sup> John Baptista Carbiny M<sup>r</sup> Cæcilius Butler & M<sup>r</sup> William Harpham & says they were the best he could get at S<sup>t</sup> Marys County Court

Whereupon it is observed that M<sup>r</sup> Carbiny is an Irish Roman Catholick & a man of little or no Estate Supposed to be much Indebted that M<sup>r</sup> Cæcilius Butler is a known papist & is not known of any Visible Estate that he has [heard] that M<sup>r</sup> Harpam is a person generally supposed to carry all his Estate about with him

M<sup>r</sup> Clark being again asked if he had given any security upon his last Caption upon his Excellencys Proclamation & last warrant says he has not therefore is told that it not appearing either from S<sup>t</sup> Marys County Court or the Sheriff of that County that any security was given there for his appearance to Answer &c<sup>a</sup> at the next Provincial Court he is again as before required to enter into recognizance otherwise he is to stand committed to the custody of the Sher of Ann Arundel County & was accordingly committed

Haveing pused a Certeine Act of Assembly made in the province of Pensilvania Intituled An Act for preventing frauds and Regulateing abuses in Trade within that Province of Pensilvania and Countyes annexed.

We are of Opinion that the said Law is altogether repugnant to the Severall Acts of Trade and Navigation and Especially the late Act of Parliam<sup>t</sup> in the 7<sup>th</sup> and 8<sup>th</sup> years of his p'sent Matys Reigne King William the third &c And th<sup>t</sup> if that practice should be Continued and allowed of there It will much pjudice his Matys Service in giveing so much Liberty there and will give occasion to all falce traders to resort thither and the Traders in that Province will have that Liberty given them which we here and other his Matys Plantations &c are precluded of and occasion decay in Trade here

His Excellency tells the Gentlemen that the reason he has now sent for them is for that he hath recd a Petition from M<sup>r</sup> Gerrard Sly which is read as followeth viz<sup>t</sup>

To His Excellency Francis Nicholson Esq<sup>r</sup> Captain General & Governor in Chief in & over this his Majesty's Province And Territory of Maryl<sup>d</sup>

The humble petition of Gerrard Sly

Sheweth

That he looks upon it as one of the greatest Misfortunes of his life to be brought under the Circumstances he at present lyes under in as much as thereby he is found guilty of abusing & reviling a person not only dignified with the Character which your Ex<sup>clly</sup> bears in this Province under his Sacred p. 138 Majesty but likewise a person whose care prudence diligence & Circumspection has brought the frame of this Government to Such a perfection and promoted acts of Iustice & piety to that degree that may Iustly deserve the affections & prayers of your Excellencys long Continuance in the Government of all persons well affected to their King & Country

And as your Excellencys humble Petitioner from the Bottom of his heart is sorry not only for his said Misfortunes but also for the Offence given your Exc<sup>cy</sup> So he Sincerely promise never again to give the least Occasion either by Keeping Company with any disaffected person or persons to your Excellency or otherwise of his falling under your Excellencys displeasure & this as he is a Christian does declare that none of his Actions were ever thought or Intended to stir any manner of Comotion in your Excellencys Gov<sup>t</sup> & hop<sup>s</sup> this being his first Crime against your Excellency that you will be so favourable to extend your Clemency so far towards him

Lib. X. as he is well Satisfied your Excellency has heretofore done to a person in the same or worse Circumstances he humbly leaves himself to your Excellencys mercy which if granted him shall be for ever bound to pray for your Excellencys long life & prosperity

I acknowledge the evil of these Actions to be as well against the Gov<sup>t</sup> as against your Excellency

Gerard Sly

These

His Excellency is pleased to say that he takes M<sup>r</sup> Sly's Offence to be as well against the Government but if he thought it only against himself he would have Scorned to have kept him in prison half an hour but that his Majesty having intrusted the Government to him he must study the peace & welfare thereof therefore desires them to advise him what to do in this matter

Whereupon the Gentlemen present upon due Consideration to advise his Excellency that in regard the said Sly is an utter stranger to the affairs of this Country tho Born in it he having been so long absent in England & has been drawn in by his Father in Law Iohn Cood & seems to be heartily Sorry for his offence would be something favourable to him in remitting some part or all of his Imprisonment but however that this Petition be not accepted of without further discovery upon Oath for that the offence seems to be against the Gov<sup>t</sup> as well as his Excellency & ought by the Petitioner to have been so expressed in his Petition

p. 140 Therefore advised that unless the said Sly do make a full & Satisfactory discovery & deliver up all Papers & asks the Courts pardon for his reflections on them & especially Captain Hills the Iudgment be put in Execution & that he be Imprisoned but that he be acquainted with the result of the Board & that upon Conform<sup>d</sup> himself thereto & giving Security to answer to the other Presentment at the next Provincial Court & in the meantime to be of good Behaviour that his Excellency is inclinable to remit the Imprisonment due to his Offence Ordered that the Clerk of this Board make him acquainted herewith Produced & read the following Representations of the Iustices & Grand Iury relating to M<sup>r</sup> John Cood being harboured & Entertained in Virginia viz<sup>t</sup>

### The humble Petition of Gerard Sly

Sheweth

That your Petitioner has lately in all humble manner addressed himself to your Excellency setting forth the deep Sence he has of his misfortune in falling under your Excellencys displeasure & of the Grief he is burthened with by being

deservedly found Guilty of abusing a person under whose Lib. X.  
Government all Discerning people may plainly see their own p. 147  
happiness.

That your Petitioners said Crief & Misfortunes Is the more heavy to him by understanding that his inconsiderate words & actions have by some of the people of the Province been improved to that Degree as to breed some discontents in the minds of some of the Inhabitants where by your Excellencys Gov<sup>t</sup> might have recd some trouble tho never in the least imagined or intended by your Petitioner.

in all Ports of all Goods and Commodities imported from thence, P. R. O.  
and from and to what places they come and go, and that a yearly account thereof be transmitted by you unto Us by one of Our principal Secretaries of State and to Our Committee for Trade and Plantations.

You are to take especial care that all Tobaccos shipt in Maryland from what part soever they come that they pay Maryland dutys.

And whereas great losses have been sustained by Our Subjects trading to Our Plantations in America by ships sailing from those parts without Convoy or in company with other ships whereof they might be protected from their enemies, by which meanes many of them have been taken by the French in their return to England. To the end therefore that the ships of Our subjects may be better secured in their return home. Our will and pleasure is and we do hereby strictly charge and require you to take care that during this time of war, no ships trading to that Province be permitted to come from Maryland to England but in Fleets or under the Convoy and protection of some of our ships of war or at such time as you shall receive notice from hence of their meeting such convoy as may be appointed for the bringing them safe to some of Our Ports in this Kingdome, and in case of any danger, you are to expect directions from hence, what precautions shall be necessary for their security.

You are not to admitt or allow of any Appeals whatsoever to be made from the Governor and Council unto the Assembly. But whereas we judge it absolutely necessary that all Our subjects may have liberty to appeale unto Us in cases that may deserve the same Our Will and Pleasure is that if either party shall not rest satisfied with the judgement or sentence of Our Governor or the Comānder in Chief and Council, they may then appeal unto Us in Our Privy Council Provided the matter in difference exceed the real value or summe of £300 sterling and that such appeal be made within one fortnight after sentence and security first given by the Appellant, to answer such charges as shall be awarded, in case the sentence of Our Governor or Comānder in Chief and Council in Maryland be confirmed. Provided also that execution be not suspended by reason of any such appeal be too frequently and for too small a value brought unto Our Governor and Council. You shall therefore with the advice of the Council propose a Law to be passed wherein the method and limitation of Appeals unto Our Gov<sup>r</sup> and Council may be settled & restrained in such manner as shall be found most convenient and easy to Our Subjects in Maryland.

And whereas Richard Rawstone late Deputy Collector of the Eastern shore in Our Province of Maryland has represented by his Petition to Us that having seized two vessels which had made no Entry they were unjustly extorted from him by means of Henry Darnell & Nicholas Seawell, two of the Judges there, and the Pet<sup>r</sup> was imprisoned to his very great damage & impoverishm<sup>t</sup> and therefore humbly praying that all Records against him since the year 1685 may be produced and that he may be reheard thereupon in the Provincial Court and in Talbot County Court within Our said Province and that he may have liberty to prosecute the said Seawell and Darnell for the losses and damages sustained by the Pet<sup>r</sup> in this behalfe Our Will and Pleasure is that all actions and records against the Petitioner in Maryland since the year 1685 be produced and that he be reheard according to the Petitioners' request thereupon, and that the Pet<sup>r</sup> have liberty to prosecute the said Seawell and Darnell for the losses and damages he has sustained in this behalfe.

You shall endeavour to get a Law passed for the restraining of inhumane severities which by ill masters and Overseers may be used towards their Christian servants or slaves, and

that provision be made therein, that the wilfull Killing of Indians & Negroes may be punished with death, & that a fit penalty be imposed for the maiming of them. P. R. O.

You are also with the assistance of Our Councill and Assembly to find out the best means to facilitate and encourage the conversion of negroes and Indians to the Christian religion.

You are to recommend to Our Councill and Assembly the raising of a Stock & building publick Workhouses in convenient places for the employing of poor and indigent people.

And forasmuch as great inconvenience may arise by the liberty of printing within Our Province of Maryland, you are to provide by all necessary Orders that noe person use any Press for printing upon any occasion whatsoever without your special Lycence first obtained.

Lastly if any thing shall happen that may be of advantage or security to Our said Province which is not herein or by Our Commission provided for We do hereby authorize and direct you with the advice and consent of Our Councill to take Order for the present therein Giving Us by one of Our principall Secretaries of State and the Lords of Our Privy Councill appointed a Committee for Trade and foreign Plantations speedy notice thereof and of all your proceedings and the condition of affairs within your Govern<sup>t</sup> for Our information and directions. Provided always that you do not by colour of any power or authority hereby given you, comence or declare warr without Our Knowledge and command therein, except it be against Indians upon emergencies, wherein the consent of Our Councill shall be had and speedy notice thereof given unto Us.

By His Majesty's Command
